

# Delight in Revelation

Despite the objection of others, Father is thoroughly in favour of us receiving revelation straight from him and living by it. That revelation is not just limited to *rhema* while reading the Bible. It's far more extensive than that.

You see, in the Kingdom it's about knowledge gained from spiritual communication. As a spiritual being, we were designed to live in close relationship with the Creator (a spiritual being), so we need to communicate with each other spiritually, spirit-to-Spirit.

Speaking with our voice is second-rate in that regard as it's polluted by our mind and emotions. That's why speaking in tongues, where the person's spirit communicates without the mind's involvement, is pure communication. That was an important message Father gave us in 2022.<sup>1</sup>

Even more important is his communication with our spirit, either as a prophetic download, a prophetic message, or a message dropped into our spirit. This is the type of communication that we are aware of, a significant short-coming with tongues.

All in all, spirit communication is our source of truth. That's the only source, because we receive the information straight from The Truth himself. Here's his teaching to us on those very benefits:

*“Listen for the sound of silence and be comfortable with it. When nothing is stirring you to deep thought or action, you must stir yourself so that you do not lose your edge. Take the initiative through a desire to know Me more personally and intimately. Explore the depths of spiritual truth, and delight yourself in the light of revelation.”*<sup>2</sup>
