

# Dreams, Visions and Angelic Visitations

As part of my spiritual growth and development, Father took me to Kriston Couchey's book<sup>1</sup> for more understanding through what he has personally revealed to him.

His training confirms for us that the overriding aim for Father, Son and Holy Spirit is oneness with us. They are in oneness, and they created us to share in that love relationship. Unfortunately for us, religion, legalism, the love of the world and the things of the world, prevent that from happening. I use the word "unfortunately", because the Trinity doesn't control us so we definitely come into the relationship they desire.<sup>2</sup> We're in control of our lives and how much of a relationship or oneness we have with them. WE ARE THE PROBLEM.

Another problem we have is the universal tendency for us to be content with where we are, while everything is going well. For spiritual Christians (charismatics and pentecostals) that's often being in 'The Presence' during worship, signs and symbols, dreams, visions, angelic visitations, and the like. These however are at a lower level of where the Trinity want to take us on our journey to spiritual maturity.<sup>3</sup> We settle for less because we love what's familiar, rather than forging ahead into the unknown which takes more faith and a greater level of spiritual maturity.

Those thoughts are not mine, they are Father's thoughts that he's revealed to us because we keep asking for more. Here's what he taught Kriston, as recorded in his book:

*"Father then said something within my heart that shocked me; "You must no longer seek Me in this place of visitation on the rooftop! I am already within your spirit and always will be. You are also in my Spirit, just as I am in yours; so now I say to you to live from that place of ONENESS within you and commune with Me there."*

*"The place of visitation on the rooftop is the Secret Place where many of my children meet with Me, but that place is inadequate to fully change and deliver you from your doubts and fears, traumas, and brokenness. The place of my oneness within you is the place where we must commune because it is where I AM."*

*"It is only my Life in you that can overcome all things and change you. Your life must remain hidden in Mine, as I AM now your life. I told you before that I am doing something beyond the scope of man's understanding and that you were going to experience Me in a way you have not experienced me before; today is that day! ..."<sup>4</sup>*

*"You cannot walk in oneness with Me if you love the things of the world. If you love the things of the world then my love is not perfected in you and the oneness we should be sharing is limited to simple moments of visitation."*

*The place of visitation has always been a path to the doorway of oneness; it has been a courtship of sorts. I have prepared and revealed Myself to you in this secret place through dreams, visions and angelic messengers sent to encourage, correct, and discipline you. But I want you to see that all of this has simply been to point you to Me, for knowing Me has always been the goal of this journey."*

*"You have come to know my heart and purposes as I have prepared you to be one with Me in a union of love. Dreams, visions, and angelic assistance are not going away; you have simply come to the place where you must now live from the place of intimacy and knowing me within you. You must walk with the mind of Christ; knowing my will, heart, and thoughts in every situation because your will, heart, and thoughts are one with Mine."*

*"When I sent my Son into the world, He walked in complete oneness with me; so much so that He said,*

*'If you have seen Me, you have seen the Father'. Everyone who truly believes in Me has the same potential or power to become One with Me just as the Son is one with Me. Those who are led by my Spirit just as Jesus was led by Me will manifest Me to the world just as Jesus did, for those who are led by my Spirit truly are my sons. In this place of oneness, the fullness of the great 'I AM' dwells in you; Father, Son and Holy Spirit.'"*<sup>5</sup>

This is why we've been schooled over the past few years about living out of the Internal Kingdom.<sup>6</sup> That's with our spirit, not living out of our mind and especially not our soul.

Laurence
