

Every Day Should Be a Clean Slate

The Spirit says:

*“You will be inclined to measure your losses against your gains, but the result has nothing to do with your future. **Every day should be a clean slate** where you can choose whether or not you will be an overcomer. Take every opportunity to be thankful and to do the best you can with what you have been given.”¹*

The Spirit always supplies wisdom from our King, so it's worth meditating on this message that he supplied recently.

Update

The Spirit further informs us about how to handle each new day:

“Count this day as a new beginning. Old things have passed away and all things will become new. This is a benchmark season when you will establish and organize where you want to go from here. Be sure to give careful thought to what you want the outcome to be, and strive to do what it takes to make that happen.”²
