

# Everything You Need is Within Your Internal Kingdom

I've been passing on to my readers whatever Father has shown me and all that he's said to me. One of the critical topics he's released recently is on the Internal Kingdom,<sup>1</sup> an area I haven't had a great deal of input from him recently. Here's that message:

*“All that I am is inside of you. My power is not diminished because it has found a home in a temple of flesh. I am vast enough to fill all of creation, yet wise enough to fit my Spirit within vessels of humanity. Never limit the greatness of my glory within you. Never let the frailty of your humanness be reason to doubt what I can do through you. My strength is not limited by the weakness of its surroundings. I am God, after all.*

*The voice of my Spirit is alive within you, and you were created to hear, to speak my truth, and to declare my love. My compassion tugs at your heart, but it's up to you to respond. When you walk with me and recognize the greatness of my glory alive within you, you will do what few have dared to do. You will be a light in the darkness, encouragement to the weary, hope for those who have no hope. Partner with me and allow me to work through you, and you will see greatness and glory in ways you have never known.”<sup>2</sup>*

Notice the parallels between in the message above (which was distributed by Brian Simmons), and what Father has given in our CCOP messages over the past few years.<sup>3</sup>

Notice also how he's countering our negative views of ourselves, while showcasing how positive he is towards us, in our relationship with him.

Laurence
