

Father's Mind on the 7 Mountains

Father's plan to take the 7 mountains of influence in society for himself was first given to Lauren Cunningham and Bill Bright as a simultaneous revelation in 1975. However, it was not followed through by either of these Christian leaders in a consistent or long-term way. It was then given to Lance Wallnau around 2010 who released it as the '7 Mountain Mandate' (7M) teaching.¹ Lance has been pushing ahead with this since then.² Around the same time as Lance, it was given to Johnny Enlow, who released it as "The Seven Mountain Prophecy"³ (2008) and shortly after as "The Seven Mountain Mantle"⁴ (2009).

Following our Kingdom Living Community's viewing of Lance's '7 Mountain Mandate' DVD set⁵ we picked up on the revelation and began conducting training sessions in Canberra and Yass from 2013-2015, until there was no further interest. The purpose of those trainings was to alert local Christians of Father's plan so they would cease hiding in their church organisations and get out into the world to make an impact.⁶ The need for that revelation was all too apparent as we knew that the church system that we used to be in had taught us that our job in the world was only evangelism.

In our training sessions we presented Lance's DVDs as the teaching material and Johnny's books as additional resources. The aim was to open the attendees' eyes and allow the Spirit to quicken Father's plan in their spirit. In that respect, it was only an introduction to Father's plans and we left them with him to work what he needed to do in their hearts and minds.

As time went on, it became apparent that the revelation had become a driving force with many people around the world, often out of a natural response, rather than a spiritual one. Many tried to force 'God'⁷ in prayer to exchange those at the top of the 7 mountains with Christians. Others determined to 'climb the ladder' and become 'God's' instrument in leadership at the top of one of the mountains. All those were vain, human attempts to bring about Father's plan. Like the Holy Roman Empire and other pseudo Kingdom efforts, they did not achieve what was hoped for.

As I became aware of this natural response to the message, I began to teach that the outworking of the plan for each person must be Spirit-led, otherwise it's 'dead works'. I don't know how many people read my articles or heard me speak specifically in this revised way, so this document is an attempt to ensure that the Spirit-led message gets through to those who have accepted the 7M revelation. My hope is that some have already waited quietly for Father to open doors for them to impact the mountain in which they work. That, of course, was the appropriate action for them to take – waiting for Spirit direction.

What has Father recently released about his mind on the 7M strategy, so we are up-to-date with him?

During Kriston Couchey's interaction with Father in a vision/visitation, the following information about the 7 mountains was received. As an introduction, Kriston had been shown the Mountain of God and the chaos of the Babylonian world system on the valley floor. He then noticed 7 hills in the valley and asked Father what they were:⁸

"What are those seven hills?" [I asked.]

Father responded, "Son, those are the hills that have been referred to by many as the seven mountains. They are the spheres of influence that are active among mankind and affect the life, culture, mindsets, society and behaviors of mankind. From man's perspective they are mountains. But, from my

6 – Hiding away from the world is not what our life "hidden in Christ" means. It means to live his life, spiritually, which no one can see, because you live out of the Internal Kingdom inside yourself.

7 – 'God': I use this term in inverted commas because 'God' is the generic term people use, while I don't any more. I have an intimate relationship with the members of the Trinity, so I refer to them by name out of relationship. Out of oneness with them, I also refer to them as The Trinity.

perspective they are only molehills.

*I am now placing my throne in the midst of the plain of humanity that lives and works upon those seven hills. Even now My Holy City is descending out of Heaven to take Her place as the ruling city over all the Earth, my city shall preside over those seven hills. **My people are that city, which is the New Jerusalem, the Bride** that 'has made herself ready' for her Groom, dwelling in oneness with Him for eternity. That plain, and the hills upon it, are your inheritance as joint heirs with Jesus Christ. In this transition of the ages, the Holy City has already begun to descend and expand His rule..."*

"My son, when you focus upon the evil works of the enemy and what he is doing you become vulnerable to the dark fog of fear and anger. If you allow the fear and anger to find a place in you, you will be compromised and your rest in Me will turn to warring."

"You cannot remain on this mountaintop⁹ while in that state of un-rest. Remember how Moses allowed fear and wrath to overtake him and this heart of offense kept him from entering the Promised Land. Man's wrath CANNOT accomplish my purposes. Do not be offended by the world and its wickedness, for if you do so you will find that you have left MY Mountain. Keep trusting in Me and do not allow the offenses of anger, judgement and wickedness to take you captive."

*"Many of my own have taken offense at evil of the world and its institutions. **Many in their fear, anger, offense, and presumption take up the weapons of the world to fight for those very hills of influence you see on the plain below. Very few of my children have ever asked Me to reveal to them 'My plan of redemption for my broken, misguided world'.** Look again with the faith I have bestowed upon you."*

*I turned my eyes to the plain again and to my utter surprise spotted a constant stream of warriors carrying weapons marching from the side of the mountain of the Lord to engage in battle for control of the hills. Father continued, **"Some of my children have determined to ascend those hills and take control of them in their own strength, and by extension control the whole Earth. They will not succeed this time, just as those who tried before them had failed."***

*"At one time **the religion of Christianity** took control of these hills and plunged much of the Earth into the Dark Ages. At that time many left my Mountain, captivated by the lure of Babylon and the power to control life on the Earth. Later, the Reformation marked a time when much blood stained those hills. Many of those who claimed to be Mine killed each other to be king of those hills."*

*"The resulting offense and the vile mixture of the world's attitudes within the church caused men to build the dwellings of Babylon¹⁰ on the side of this mountain you see today.¹¹ They exchanged the authority of Heaven for positions of power over the institutions of mankind. **I never called my children to control those hills.** I have a better plan: my Mountain, where my City rests, is coming to the plain! The authority of Heaven is coming to fill the Earth."¹²*

HERE'S WHAT FATHER SAID or IMPLIED¹³:

1. The world's 7 Mountains are insignificant compared to his Kingdom.
2. He is now setting up his throne on the Earth to remove the power of the 7 Mountains.
3. His people (The New Jerusalem, the Bride) will eventually and permanently rule the 7 Mountains.
4. The rulers will be those who are in oneness with him.
5. The world and the 7 Mountains are the inheritance of his sons.
6. There is currently a transition of rulership of the 7 Mountains as the numbers of those in oneness increases on the Earth

9 – i.e. Living out of The Presence, which is the same as living out of Heaven.

13 – From our understanding of the Kingdom.

7. Focusing on the evil the enemy is doing on the Earth (i.e. the evil we see in the world) unseats our rest in Father and changes to fear and anger.
8. Fear and anger compromises our spirituality and clouds our vision so we begin warring against the enemy and his world system.
9. Our anger cannot accomplish Father's plans.
10. Being offended by the world and its institutions removes us from oneness with him and with his presence, so we cease becoming a conduit for Heaven to impact the Earth.
11. We need to keep trusting him and not allow the offences of anger, judgement and wickedness to take us captive.
12. Some who have been compromised by offences have presumed they were doing his work as they used the world system's methods (weapons) to try to capture the 7 Mountains.
13. These people have left his presence and have forfeited his ability to impact the world, in their desire to take control of the 7 Mountains.
14. They have used their own strength, while thinking they were his Kingdom instruments to capture the 7 Mountains and take over the Earth for the King.
15. They have failed and will fail, like all those who operated foolishly in presumption have failed before them.
16. Christianity is a religion.
17. Christianity has tried to make the Kingdom fill the whole Earth, but that has failed every time, even creating ungodly and horrific situations in their wake.
18. Christians who saw the error of the past efforts and were offended by them, have mixed their spirituality with Babylon (the world system) and built new systems which are still not representing the presence of Heaven on Earth.
19. These new Christian systems use worldly authority and control to create positions of power for their leaders.
20. **Father has never told us to begin taking control of the 7 Mountains.**
21. Few of us have asked Father to reveal his plan(s) to take back the world for himself.
22. His plan is for his mountain to be located on the Earth which will be his presence within the Bride.
23. The 7 Mountains will be taken over by the impact of the Bride.

The important message that we initially missed was that the 7 Mountain Strategy was given to us sons as an announcement of Father's plan, not an instruction to start taking control. What we needed to do was to wait for his method of implementation and for his timing. We now have the essential information we need, but we must wait for the go-ahead for it to begin. Our task, then, is to wait and listen.

Here's a recent message from Father to reinforce what he has said about letting him do what he wants to do in partnership with us:

*"In a vision I saw an old wooden water wheel that was generating power. And I heard the Lord say that **when we submit ourselves to Him, we will be empowered to do all that He has called us to do. We are instruments of His power and purposes on the earth.** Let us make ourselves available to Him to use as He wills."*¹⁴

QUESTION: Do you think this program fits in with what Father has told (above) about HIS plan to take control of the 7 Mountains?
