

Find a Place Where You're Supported

(A conversational prophetic message recorded on the 4th October 2024)

The following message was received and recorded while on my morning walk as I thought about a person I know who was going through a difficult time with other people

“Get out,¹ I say, from any connection with people that don't mirror a high standard of Kingdom life and Kingdom operation. Staying in such a group, or such a relationship, will not be productive for you. It will sap all your energy. It will tend to deviate you from the work that I have for you, and it will cause emotional damage and lead you in other directions. It will take your focus off me and what I want you to do with you in partnership [together]².

I say that with the following proviso: If you can work with the person or the group, and you can agree that the Kingdom priorities and the Kingdom way of operating is the way to go ahead, then work with them. If you can't come to an agreement together, then you should allow me to point you in the direction of where you'll be supported. That's because I set up what was known in ancient times as the *ekklesia* – the modern term for what would be a Kingdom Community – which is a group of people connecting in mutual support, while in admiration of each other.

If you can't find a group like that, then start your own. Meet in homes, in coffee shops, cafes and restaurants, out in the parks, forests and picnic areas, wherever you feel comfortable and the environment is conducive to mutual support and enjoyment. That's because the Kingdom is not about harshness. It's not about dos and don'ts. It's not about putting up with things.

In the Kingdom, my sons are meant to change the environment around them, through their spirit and through their love, so that everything changes in their sphere of influence. That's what you should be doing wherever you go. Look for a group where you fit in, while you're doing that, as your top priority.

If I send you to a particular place to work with particular people, I will tell you clearly that's what I want you to do, and I'll confirm it. That's why it's so important to listen to my voice and follow what I tell you, because I only want the best for you. I'm not looking to 'clip your wings', but to allow you to expand and be fully impacting wherever you are.

1 – **IMPORTANT:** It was this phrase that was first dropped into my spirit as I walked. That's what shifted me into my prophetic mode to see what else Father had to say to me.

2 – Added so the sense of the sentence is made clear when reading. Also, for all other square brackets. [LDS]
