

KINGDOM PERSPECTIVES

How things fit together in the Kingdom

Giving in the Kingdom

The way sons give in the Kingdom is very different to the way the world or religion gives. We must not confuse them as the King expects us to operate the Kingdom way in everything.

Here's a quick snap-shot of Kingdom giving, for finances and everything else that we can give.

1. Give freely.
2. Give with a desire to bless others.
3. Give without wanting something in return from the person.
4. Give without wanting something in return from the Kingdom.
5. Give extravagantly.¹
6. Give out of a heart that's thankful.²
7. Give without pressure – Always reject any form of pressure in giving.
8. Give without any form of fear – Always reject any form of fear in giving.
9. Give as the Spirit guides – That's the very best way.
10. Be free not to give when asked.
11. Be free not to give when feeling any compulsion.
12. Don't compulsively give away all that you have – That action should only be undertaken when the King directly instructs you to do it.
13. Give, bearing in mind your responsibilities to family who are relying on your provision.
14. Give, bearing in mind your responsibilities to others who are relying on your provision.
15. The giver takes their hands off the gift and releases it to the receiver.³
16. What's given becomes the total property of the receiver.
17. The receiver is responsible to the King for how they handle what they've received.
18. There must be no 'strings attached' to giving – That's in any way, shape or form.
19. Give only what's yours, not the money or possessions of others – You only have authority over what's yours.
