

Handling Opposition to Prophecy

(Conversational prophetic messages recorded on the 15th & 19th March 2023)

Question: *Lord, I have received opposition¹ to a prophetic message² that I received from you and distributed. How would you like me to handle such opposition?*

Message (part 1)

“This is a conundrum³ and a constant situation that will arise in your life. It’s a conundrum for theologians⁴ because they believe theologically⁵ what they believe. And yet, they must concur with you that the most important thing is to hear from me and to align themselves with me. The two don’t mix together,⁶ which is why it’s a conundrum for them, but it’s not for you.

Stay the course. Listen to me. Do not listen to the voices of others. Listen as my Spirit speaks to you. He will confirm the voices and messages of others that are important and are from me. Otherwise, stay with what I teach you. Stay with what I tell you,⁷ and move forward. That is your role as a son. That is your role prophetically.

That’s what I need you to do, so that you can impact Australia, because theology and religion will not be effective, now and in the future. They will not bring about my plans for Australia, or for all the nations of the world. They will not lead my people towards The Restoration of All Things, but will cause them to about-face and go back to where the church has been for decades, for centuries and for millennia.

I have raised you up, and I’m raising up others like you, to hear from me, to speak my word with boldness, in love, and direct them towards me. Not towards organisations, pastors or Bible teachers, but to me. I am ‘The Source’. I’m the one whose plans will succeed, in the whole of the cosmos.

So, outside of alignment with me and listening to me, people are wasting their time. It’s as simple as that.”

Message (part 2)

“You are right. You have to receive opposition with grace and humility. That’s the only way you can do it appropriately and represent me. That doesn’t necessarily indicate acquiescence⁸ to what they say. But you honour them as a person, and you appropriately allow them to speak or write what they believe they necessarily have to pass on to you as a critique.

It’s up to you, then, what you do with it, but there should never be any fear or angst or offence or anger or resentment within you. That’s not the character that you need to display as a son. Gentleness and firmness need to go together – that’s meekness.

You need to be firm in what you believe – that’s active faith. Don’t be stubborn or dogmatic. Listen with an open heart and spiritual ears, and allow my Spirit to point to items that they are presenting to you that may be things that you need to consider. Because, as you understand, you don’t know everything, and some of the things you believed from your past teaching in the system, have been wrong.

So, always be prepared for me to bring corrections to your thinking, through others. That’s not to say I won’t give you accurate words and messages, myself. But part of your training is to receive correction and opposition, as part of the process of ‘cleaning you out’ and refining you, so that you’re more (in your heart and mind) operating in the way I want you to.

Be encouraged, I do love what you do. I do love you as a person and I will continue to use you to speak messages to those who need to hear it. Never doubt that.

Never doubt what you hear from me, that you know in your spirit is from me, and always be prepared to act on what I tell you, when I tell you,⁹ and how I tell you.¹⁰ Times ahead require you to hear clearly so that you can operate with me as I lay out the plans and the paths [that are] ahead of you.
