

# Hebrew Things are Irrelevant for Us

(Conversational prophetic messages recorded on the 16<sup>th</sup> June 2023)

**Question:** *Lord, how important is it for Westerners to understand the Hebrew language and the history of the Jēws?*

## Message

“This is a question that many struggle with, but it’s a simple one, a very simple one. The answer is: It’s not essential. By essential, I mean, it’s not necessary for Westerners of your culture to learn Hebrew or to understand the history of the Jews, in any way, shape or form.

Living in the Kingdom is an individual relationship between us and the person. It’s not about a history – where somebody comes from. Every single person came from us, and the Kingdom works from that perspective, from your origin in Heaven as a spirit being. This is the stance that you must take from now on. You must avoid being diverted into Hebrew and Jēwish things. These are not relevant for your life or the life of those outside of that particular culture. In fact, a person’s culture is also irrelevant, because in the big scheme of things, it’s about who you are in the Kingdom, who you are as a son, what you are doing [in the Kingdom]<sup>1</sup>, what your [Kingdom] assignments are and your relationship with us. Even your family relationships are irrelevant in the Kingdom, when it comes to the ‘big picture’.

Of course, a person has a cultural background, has a heritage, and they have family and friends, as well as a locality where they live. That’s all about life in the natural, but it has nothing of importance in relation to life in the Kingdom right now, and in the Age to come. This is where your focus must be: Aligning with me; working as a co-worker with me in the Kingdom; and impacting the world around you so that it is a better place, because Heaven is ‘touching’ it. They’re your priorities, as is your relationship with us, first and foremost.

Don’t be distracted by those who think the Hebrew language is sacred, or that the letters<sup>2</sup>, dates<sup>3</sup> and the festivals are of intrinsic value in the Kingdom. Simply put, they are not relevant to you, in the West, in your culture, at this point in time. However, [you are to] allow others to move in the direction of Hebrew and Jēwish things, if they wish. It’s not unrighteous to do so.

But for those who want to move forward with me in The Restoration of All Things, focus must be on my priorities, and the essentials of the Kingdom. Focus there, nowhere else. Live your life. Forget the past, even the Hebrew past, the biblical past. Focus on hearing from me, living in alignment with me, in love with me, and desire to move forward and grow and mature in your sonship. Adjust your priorities.

Forget about visiting the Middle East. It will do nothing for you spiritually. It only impacts you in the areas of your soul and your mind, which are two areas that you must submit to your spirit, and your spirit is submitted to me.

Again,<sup>4</sup> the things of the Kingdom are simple. You make it complex. Don’t.”

Laurence
