

Home in Him

On the 8th July 2021 I had deposited in my spirit the statement, “We’re home”.¹ This was exciting, and it brought great peace, rest and satisfaction to my being. I wondered if others had received the same message because I believe it is where Father is taking us so we can lead others back home where they belong. It has nothing to do with religion, legalism or works, but being where we were created to be.

Today I received confirmation that Father is creating a ‘welcome home’ atmosphere, in this season of the Kingdom, for us to enjoy and to bring others into. Here’s proof positive:

“Recently I heard the Lord say. "I am establishing the HOME season" and when He spoke those words I knew immediately it was a multi-layered word.

AT HOME IN ME

*The Lord showed me there was a deeper understanding and awakening taking place in the body of Christ of the reality of ‘Home in Him’. It was a deep burning revelation of communion and oneness with Him. It was the John 15 place of abiding in the vine. It was a place of finding deeper rest, peace, security, safety, life and strength in Him. It was an even deeper awakening to Jesus being the root and source of lives. It was a deeper baptism in the fire of His love² that all other ‘loves’ before Him, all other ‘idols’ were being cast aside as **there was a deep returning to ‘home’, the place of first love**. The place of distraction and trying to find ‘value’ and ‘purpose’ in other things, were being shaken and there was such a deep invitation to ferocious focus upon Him, that all things pertaining to life and godliness are found in Him. It was a deeper awakening of eternal purpose, it was a deeper awakening of identity and ferocious deliverance from fear. It was a deep place of security and safety in Him to remain deeply at peace in a storm. As He whispered the words "**At home in Me**" I saw many of God’s people being covered in a banner and the banner said "SHALOM".*

"SHALOM means much more than peace, it is wholeness, wellness, well-being, safe, happy, friendly, favor; completeness, to make peace, peace offering, secure, to prosper; to be victorious, to be content, tranquil, quiet and restful. The pictographic symbols for the word shalom (shin, lamed, vav, mem), actually reads, ‘destroy the authority that binds to chaos’. The noun shalom is derived from the verbal root shalam which means ‘to restore’, in the sense of replacing or providing what is needed in order to make someone or something whole and complete. So shalom is used to describe one who has been provided all that is needed to be whole and complete and break off all authority that would attempt to bind us to chaos."³ ⁴
