

# How to Thrive in Life

We all want to thrive in our lives, but how can we achieve that?

We could listen to what people say and write, but that's human knowledge.

The answer is in the Kingdom – as always – so that's where we need to get the solution.

Here's the Kingdom answer. It can straight from our King:

*“Search until you find that place in the Spirit where you have faith, grace, and peace. It is your sweet spot and a place where you can gain understanding not only of yourself, but of those around you. It is a place of love and appreciation where you can both survive and thrive.”<sup>1</sup>*

Need I say any more than this: The Kingdom will meet all our needs if we align with it and let it be our supply.
