A Wall Street Journal investigation

Facebook Inc. knows, in acute detail, that its platforms are riddled with flaws that cause harm, often in ways only the company fully understands. That is the central finding of a Wall Street Journal series, based on a review of

Helping industry and businesses harness technology

We are supporting businesses and industries to develop and adopt secure digital technologies for Australia's future.

Digital technologies are becoming part of our everyday lives. These technologies are providing new opportunities to create jobs, drive economic growth and boost competitiveness.

Delivering a modern digital economy

Our department is helping to deliver a modern, digital economy through [Australia's Digital Economy Strategy](#)[□]. This whole-of-government strategy envisions Australia as a leading digital economy and society by 2030.

The Truth Behind Critical Race Theory

COUNTERCULTURE
DANIELLE D'SOUZA GILL

Visitors look at statues of Karl Marx (L) and Friedrich Engels in a park in Berlin, Germany, on May 4, 2018. The illusions that many in the West hold about socialism today mirror the experiences of countless impressionable young people who embraced communism in the last century in the Soviet Union, China, and elsewhere.
