## Understanding The Judgement

(8 – What About God's  
Wrath?)

One of the things that keeps nagging us is the question, “Is God angry with me?” which can pop into our head whenever we’ve done something ‘wrong’.

Following that is the nagging question,  
“What will my punishment be?”

Those questions from religion can put us into a state of fear and apprehension at any time, and the consequence will be that we question what we believe – all of it.

**We must eliminate the fear of a  
wrathful God so we can live the  
Kingdom life in peace and rest**

**we need to work on that**

Actually, all the punishment beliefs about God can be negated by applying the testimony of him found in the NT.
