What
is
Salvation?

(24 - The Right Paradigm)

What have you
discovered about
Salvation from
your research?

Summary So Far

- (1) Salvation in the OT is only about being saved from disaster and enemies
- (2) Punishment for sin was to bring God's curse
- (3) The OT has no specific teaching on eternal salvation (i.e. no instruction)

Summary So Far

- (4) Jewish belief in eternity today is relatively modern & not given by God
- (5) Salvation is tied to the character of God
- (6) 'Wrathful God' is usually based on OT theology

Summary So Far

(7) Legalists who focus on the Bible & the Ten Commandments use fear to coerce people into becoming a Christian

(8) Kingdom citizens living in the NC should not use fear (the enemy's tool)

Summary So Far

(9) If our theological concept of Almighty God is incorrect, so will be our understanding of salvation...and so will everything else

Summary So Far

(10) Kingdom citizens who are in an intimate relationship with the Trinity and resourced by the abundance of Heaven should have intimate knowledge of God's genuine character

Summary So Far

(11) A correct understanding of the Trinity's heart will eliminate the 'cosmic policeman' from our understanding of salvation

Summary So Far

(12) Father sees every person as his 'gem'. They are his creation and are precious to him, despite their indifference to him and even their hatred of him

Summary So Far

(13) Religion and legalism will stop us from fully comprehending the heart of God towards all humanity. This is one reason why we need to be reprogrammed.

(14) The correct way to see salvation is through Father's eyes

If what we believe does not align with Father's love, then we must reject it

Let's remind ourselves of Father's love so
we can properly understand salvation

The RIGHT way to look at salvation must be through the 'eyes' of Father's unconditional love. Any other way is bound to lead us in the wrong direction.

As Father said to Mike Parsons:

“If what you believe doesn’t align with my love, reject it.”

(or something similar to that)
