

# Learn To Be Unoffendable

**critically important teaching**

This is the first article I've produced with information from Patricia King. The reason I've done so is that Father personally schooled her about not taking offense. What Patricia was taught, expands on what Father has said to me in the past.

- “You can see what happens when you allow disappointment and offense to creep in.”<sup>1</sup>
- “I have called you to reject fear, disappointment, regrets, offense and so many other things. If you don't deal with those, very soon, they'll become an impediment for you and you will not be able to grow and mature as I intend for you.”<sup>2</sup>

Here's the basics of what Father taught Patricia King:

**There are 5 unrighteous actions involved every time a person takes offense. These are:**

1. Anger
2. Bitterness
3. Judgement
4. Unforgiveness
5. Pride (Condescension)

It will take practice for us to be able to live totally without being offended in any way. I would suggest that we all need to take a 'hard look' at ourselves and begin training ourselves not to be offended. We should start by stopping offense, every time we feel it beginning to taking place within ourselves.

I leave you to watch the video to get all of what she had to say. I suggest that you just stick to the time slot for the video that I've identified.

In addition, you can read her book. It's biblically based, for those who need it.
