

# Live Life with the Passion of a Child

Father has shown us that life is a gift from him.<sup>1</sup> He created life, so it can't be wrong or evil. If we think negatively about life, then we are the problem – we have issues that need cleaning up.<sup>2</sup>

From his perspective, life is to be enjoyed.<sup>3</sup> It's religion, legalism and the negative training we've received which works against his good desire for us to live a full life.

Unbeknown to most of us, his desire for us is to approach life with the enthusiasm and positivity of a young child. Here's an extract from a download from him which outlines his heart for us:

*“Live life today with the passion of a child seeking to become all that the Father has planned for you. You have not been overlooked or forgotten.”<sup>4</sup>*

What more do I need to say?

If you would like another person's perspective on this topic, here's Mike Parsons sharing his understanding of how we should live life.
