

# Live Totally Within the Kingdom

Most believers live outside of the Kingdom and only reach into it when they have a need. It's from out of their placement within the world system that they endeavour to impact a world around them. Symbolically, the system they live in looks like this:

In reality, they're meant to place themselves inside the Kingdom, living out of there and impacting the world from that vantage point. It's should look symbolically like this:

As the Kingdom is within us, not on the outside, we're meant to live out of our oneness with the Trinity from our Internal Kingdom<sup>1</sup>.
