A New Spiritual Era is in Place

(A conversational prophetic message recorded on the 22nd June 2023)

Question: *Lord, it has been announced prophetically in recent days, that we're in a new spiritual era. What is it that you want to tell us about this?*

Message

"This new spiritual era has been going on for some time now. It's not a new thing at this instant in time. It's been on the horizon for a long time and it's now here.

This is the spirituality that requires you to align with me, very tightly[1], like a hand in a glove. It's not a showy thing that one talks about, that one brags about, or that one teaches[2] on. This is a spirituality of intimacy, where you draw so close to me that we become one[3]. This is my call: Become one with me. As I was one with Father when I was on Earth[4], that's the prototype, the model for you to follow. I can't tell you how important this is.

The message hasn't been 'shouted from the rooftops' and it hasn't been given to many prophetic voices to blast the airwaves with through social media. This is a heart call, one that I've been drawing my people to for quite some time. My people need to recognise that this has been a call, it's been a drawing I've brought to their attention. I have prompted them in their heart and in their spirit to draw close to me, but many are doing this for [just][5] my protection and to feel good. This call is one of alignment. That's not discounting the fact that there's love involved, and peace and joy involved in our union, but it's a spirituality of oneness. Me in you, you in me, as I was (and am) in Father.

It is true that Holy Spirit is in you – that is my spirit – but this is a spirituality where your spirit and my Spirit are one. I'm drawing you in so that your heart, mind and soul, become one with me. It will mean the abandonment of those things that draw you to them. It means a re-prioritising of the things that you put priority on, that are important to you. From this time on, I must be your 'number one'. I must be your heart's desire, your Beloved, and your focus and your direction must be towards me.

Now, I'm not trying to be demanding here. I'm revealing to you the reality that's required for me to take my people forward into what's ahead, as the Kingdom expands and restoration takes place.

As a man, I was able to achieve what I was able to do because of my oneness with Father. Everything I did and said flowed out of our oneness. I wasn't operating just as a Spirit-filled human being. I was connected to Heaven, to Father, and we worked together to impact the Earth with Heaven. That's because the Kingdom that I came to introduce is all about the Kingdom of Heaven on Earth. That's an important point to grasp.

So, the call is for a new spiritual era[6] that's based on alignment with me, oneness with me, union with me – however you want to state it – so that we are one. When many of my people around the globe are in oneness with me, the spiritual balance[7] will shift and things will begin to happen that you've desired to see.

It's individually important, not corporately, but individually important that every one of you, my people, move as fast as you can into oneness, deep oneness with me.

Now, it's important to get it straight right now, that it's not an act of your will, it's not something that you force to happen. It's about giving me your heart, mind and soul, as your spirit is. You're looking to my priorities, you're listening to me, and you're wanting to do only what I want you to do. It will take time, but the 'starting gun' has been sounded, and I'm drawing you deeper and deeper. You'll find that the things of the world will not have the attraction they've had. When you see that, when you feel that, you'll know that you're moving more and more into oneness and union with me.

7 – CCOP MESSAGE: "Spiritual Balance in Australia" (17-5-2023)

It will take surrender, and it will take courage, but I can tell you, we will not be able to achieve, as a team, what we need to achieve in the future, without this [happening][8] on a global scale. So, set your heart to listen to me and allow me to draw you in, because that's what I'm doing. I just need your surrender and your whole heart's love. It's a big ask, but it's essential. I leave it with you."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
