

Are You Prepared?

(A conversational prophetic message recorded on the 24th July 2022)

Question: *Lord, what is your message to your people in Australia today?*

Message

“Have you prepared yourself for what’s coming? I’ve given you adequate warning, I’ve given you advice and I’ve given you directions.¹ Have you followed through on them?

I warned my people in Jerusalem about the coming destruction, and they escaped the attack by Rome. Your circumstances will not be as devastating as theirs, but I warned that [your]² future was dark,³ and there’s need to align with me and to hear from me.⁴ I gave you preparation instructions. These I didn’t give for the sake of saying it or for ‘blowing my trumpet’, but for your benefit.

Be warned! The future is bright for my sons, but it is dark for the world. Your responsibility as Kingdom citizens is to shine the light that will continue to grow in you, becoming brighter and brighter as you mature in your sonship. But that requires you to listen to me so I can tell you what to do, where to go, what to say, and who to become. We are working in a partnership, and that requires close co-ordination between all of us, individually and corporately.

I informed you many years ago that I would be shaking everything to the core, to expose the foundations of everything in society and in the lives of individuals.⁵ Did you think that didn’t relate to you? Did you think that wouldn’t have any impact on you?

I gave you the warning that it was being done and that it would increase, for your benefit as a son. I invite you into my realm, [into] what I’m doing, and we work as a team. So, I tell you what I’m doing, I don’t hide things from you. That’s why it’s essential to hear what I’m saying to you, to perceive with your spirit the things that need to be perceived. Which is why you need to ask [me] for wisdom, knowledge, understanding and discernment, in these times.

You can’t live a life of ease [and] you can’t go through life with a laissez-faire attitude. Being in the Kingdom is about business – my business, Father’s business, our business. You were created to work with us on our business, and you are doing it. You may not realise it, but it’s important that you do realise it. That’s because you can’t give 100% effort into what we’re doing together, unless you actually come to the understanding that we work with you and through you. Sure, we could just make everything perfectly correct, perfectly right, perfectly good, perfectly righteous. But, we created humanity to be in charge of the natural realm, and that’s still a status that remains in effect. Once you come into our Kingdom, that becomes a **mandate** on your life, to work with us.

You must learn to see things from our perspective, not your own. Not from the teachings of men or the ideologies of society. Your worldview must be a Kingdom worldview⁶ because the Kingdom is [already] here. It’s back on Earth, it is growing and it will succeed – there’s no ‘plan B’. The Kingdom will cover the whole Earth. It will expand into the universe,⁷ and it will be ours once more, with you in charge. This is “the big picture”. I’ve asked you to get a view of “the big picture”, so I share it with you now.

I look forward to you talking with me and listening to me, so I can share more with you about what’s ahead. There’s a lot ahead of us, a lot to go through [together]. A lot to see take place, a lot to be fulfilled, before we reach the climax of The Restoration of All Things. So, listen to what I tell you. Prepare yourself in every respect. Don’t let fear drive you. Trust me and work with me, and we will see the restoration take place that’s in my heart to see done.”

6 – See everything from a Kingdom perspective.

7 – The cosmos.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
