

# Australia At The Present Time

(A conversational prophetic message recorded on the 25<sup>th</sup> November 2021)

**Background:** *This message was received while waiting on the King to provide us with his instructions for Australia.*

## Message

“It is time. It is time for the nation to arise, to open up, to embrace everything that I have for it. It’s time to put away all the fear and the anxiousness that’s been around for the last couple of years. These are not portents for the direction this nation is to travel. I do have plans for Australia, great plans, but fear, stress, anxiousness and the like, do not allow you to align with me so I can take you on the journey that you are to go on. Fear of all sorts of things that are around about you, distract you from me, distract you from being effective citizens, distract you from focusing on what’s important and what’s not.

Through fear, the economy of this nation has taken a great downturn. It may not seem so, according to the media reports, but compared to where it should be, it has. The prosperity of this nation, of course, does not depend on the economic management by the government and by businesses. It depends, more importantly, on my influence. All the work that the Federal government will put into economic resurgence will be thwarted by the fear that’s in the nation.

Australians, focus on what’s important. Cease focusing on the things that are being raised before you in the public place and in the media that are doom and gloom. I’ve built resilience in you, I’ve built strength in you, I’ve built determination into you [as a nation]<sup>1</sup>. If you put aside the negativities and focus on what’s positive and what’s good for the nation, what’s good for your families, what’s good for businesses and industry and agriculture, your prosperity will return. Of course, that will not be to the level that it should be and that it will be when hearts of Australians are turned towards me.

Yes, I’m moving towards being able to release my Spirit in a large way, an enormous way, to see this nation change. But, many things have to come into alignment, many things have to be in place, before that can happen, and while ever the populace is in fear, my plans are being thwarted. Remember, fear is a tool of the enemy, it has no place in my Kingdom. My people, especially, must learn to expel all negativity and all fear from their lives, if this nation is going to proceed as quickly as possible towards its destiny.

You are my imagers<sup>2</sup>. You are my sons and daughters, and I have chosen to work through you. So, this is a wake up call. Align yourself with me.<sup>3</sup> Set your heart on achieving the things that I want to achieve through each one of you. My plans, not yours. Not the plans of others, but my plans, and you’ll see great change. It will build, but it will be great. I promise you this.

The longer it takes for fear to be eliminated from your lives and your mind, the longer it will take for Australia to reach its full potential. So, there you have the challenge. It’s all up to you. I can’t do any more than you allow me.”

1 – Added to give the sense of what the sentence was conveying. [LDS]

2 – ‘Imagers’: All humans were made in the Creator’s image and represent him on Earth. Their responsibility is to see Heaven manifest on Earth and the rule of the Heaven maintained here.

3 – MEANING: This actually means you change your heart so that his desires are your priority and you **agree** with everything he releases that he wants to do in your life, in the nation and in the world. It doesn’t negate you have your own plans, provided they are appropriate in your responsibility as a son.

It does not mean you have to pray in everything he releases that he wants to do – he just wants you to say, “Yes. That’s great. Let it be that way.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
