

# Dealing with Life Issues

(A conversational prophetic message recorded on the 13<sup>th</sup> May 2022)

**Background:** Father brought teaching to our attention that each of us needs to deal with our personal and life issues in partnership with him. We are not to expect him to do it all for us. Knowing this, we wanted to get his mind on it, hence, the question.

**Question:** Lord, what is your advice to us about dealing with the issues of life?

## Message

“I’ve said many times that you need to align with me. That’s in every area, not just the areas that you believe need to be aligned. I am yours and you are mine, and we’re in partnership to see the expansion of the Kingdom and Heaven manifested on Earth, so everything in your life must align with me. But I will say, that to get to the point of total alignment takes time – it’s not an instantaneous thing. Don’t ‘beat yourself up’ if you can’t align with me in every area that you know you need alignment. I will say, that there are many areas in your lives that are out of alignment that you’re not aware of, because I haven’t exposed them to you, revealed them to you, because of your immaturity.

Kingdom life as a son is about growing and developing and maturing, and it does take time. You’ll be pressured (and you probably have been), to perform in certain ways that are considered spiritual and that are said to be pleasing to me. But, if you develop an intimate relationship with me, and lean on me and learn from me, and enjoy basking in my love, I will work with you to take you to the point where you next need to be. Then, step by step after that, for you to grow and develop into operating as a son should operate.

Relax. Rest in me. Don’t allow anxiousness and pressure to take away your peace and your rest. I’m not in a hurry for you to come up to a particular standard. Life with me is relationship, and that’s the ‘number one’ thing, not performance. I love you passionately, no matter what level of spiritual growth you get to. I just desire for you to be one with me, through a process of intimacy. If we’re working on that together, I’m thoroughly pleased.

Out of our intimacy, and eventually oneness, you’ll learn how I want you to operate. You won’t need the direction of men<sup>1</sup>. You won’t need a religious standard to rise up to. You’ll just need to hear from my loving heart, what you need to do, where you need to go and who you need to become in your natural life on Earth. It’s all very simple. Religion puts pressure on you. I don’t. It’s that pressure that the enemy uses to bring destruction and chaos into your life.

So, put all that aside, deal with life situations and circumstances, as you would as an adult, in every area, and allow me to speak into every situation and circumstance, to give you advice. As you grow spiritually, you’ll know what to do, but in the meantime just love me, be with me, and we’ll work through your life together. You’ll find that way, life will be enjoyable, and the issues and problems of life will become just a little ‘bump in the road’ that you and I work through. Sure, there will be some miraculous resolutions, but most of life in this ‘fallen’ world, is ‘hard yakka’<sup>2</sup>.

The hardest thing you have to do is to reject negativity. Reject anything that’s not coming from me. That’s the hardest thing, because you’ve submitted to them all your lives. That will be a key for you to move forward. And reject anything that you know doesn’t come from the Kingdom.

So, let’s move ahead together. Deal with those things in your life that need to be dealt with, and let me see you enjoy life in every area [of it] – that’s how we created you to be. ”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
