

Deep Oneness

(A conversational prophetic message recorded on the 8th December 2021)

Request: *Father tell us more about the oneness you want to take us into.*

Message

“Oneness is vital. You cannot reach your potential as my imagers, as my sons, unless you move deeply into oneness. This has been our plan from the very beginning, to be one with you, as we are one. There’s nothing greater, nothing higher, nothing more fulfilling, than oneness with us. True, there is oneness between men and women, between husbands and wives, but that arrangement ‘pales into insignificance’, compared to the oneness that you can have with us. There’s no comparison, so don’t try to compare the two.

This will be a new experience for you all, because the depth of oneness that you think you have, is ‘only scratching the surface’. There’s so much more – much, much more. My Son experienced it and exemplified it for you, when he was on Earth, and as I keep bringing to your attention that he is your prototype, this is the area that you need to consider moving into and applying your focus to from now on.

It’s a great pleasure for us to be one with you. It’s not a religious activity, it’s not a compulsory thing, it’s a relational thing. We desire this above all, to be one with our creation, to be one with you, each one of you. Don’t look at it from a biblical perspective, that we are one in the spirit, that’s just the beginning.

I’m endeavouring to take you all on a journey into deeper oneness, but it requires your assent to move in that direction. It must become a heart desire, because I can’t move you, unless you approve and want what I want. Yes, the pull of the world and the pull of religion will work against what I want. It works that way all the time. This is no different. Once you move into oneness and experience it, you’ll realise that many of the aspects of your spiritual life that escape your understanding will begin to become clear.

If you want to see as I see, if you want to love as I love, if you want to feel as I feel, then oneness is the pursuit that you need to chase after. When I say “chase”, I don’t mean for you to put in any personal effort doing things. Oneness is about being together, Spirit-to-spirit, 24/7, in love and intimacy. It’s not like human love where there’s emotion involved, where you feel euphoric. This is a spiritual connection, but there will be a massive out-flow of that relationship into your emotions and your feelings and your life and your experiences. Don’t look to them – focus on us.

Live your life and allow the oneness to grow deeper, as we draw you in. Just surrender. Enjoy being with us. Trust us, and rest and relax in that trust, and you’ll move deeper. You will have to deal with negativity, in all it’s forms, because these will distract you. You’ll have to deal with fear, all types of fear, because these put a dampener on our journey together into deeper oneness. The key is total trust, total reliance, and resting in us.

This is where I’m wanting all my sons to travel on this journey. There are huge rewards in it. By “rewards”, I don’t mean gifts for doing the right thing, but “rewards” as in ‘it’s rewarding’ being together. My favour will flow, my grace will flow. Everything will flow at a greater level when you’re in oneness with us.

Think about achieving everything that you wanted to achieve, spiritually. Think about being totally satisfied in your life. Roll those two up together, and what you have is the outworking of oneness.

So, the offer is there, but you must take it up.

Always remember that we want the best for you, and the best is found in relationship, and it’s found even more in deeper oneness with us.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
