

Family Focus

(A conversational prophetic message recorded on the 24th October 2021)

Question: *Lord, you've just released to us that home and families will be the centre of Kingdom activity from now on. What else do you want to tell us about this change in the way things are happening in the Kingdom?*

Message

“Yes, that’s correct. Families are to be the centre of Kingdom activity. This should not be a surprise to you because we are family. Not only three of us, but also when you come into the Kingdom, you actually come into our family as sons and we become one large family. This is the heavenly prototype for what is to appear on Earth. Remember that Earth is an outpost of Heaven and it’s your job to bring about on Earth, what’s going on in Heaven. That’s why it shouldn’t be a surprise to you that I have released to you the over-arching blueprint of the way that Kingdom activity is supposed to be centred in future – and by the future I mean from now on.

Everything that we wish to see on Earth comes from a blueprint in Heaven. This is how you know what is of the Kingdom and what is not. Anything man-made is not of the Kingdom, so keep on looking to us to release to you what it is you are to do, build, create, and the like. This is what sons do.

So, the focus for all of your now has to be on your family and your home, because these have to be modelled on our family, our home and on our relationships. And the binding characteristics of love, which should manifest in your families.

You’ve noticed over time, that the enemy has been destroying families and taken society in the direction of individuals¹. You’ve lamented the fact that family are being destroyed, but that was more of a desire for the past. Now you know that the enemy’s plans was to destroy what we want to see built, created, established and sustained on Earth. That is, the family as we set it up, a family of close knit relationships, a family where there’s support, love and emotional well-being. This is why he’s been working in that area so ‘feverishly’ over the past 100 years or so. It’s time to take back what we’ve lost on Earth and re-establish it, and this is what our desire is for you. You have to establish it again. You have to teach it, you have to model it, and you have to encourage it. I could actually say there is nothing more important for you to do at this point in time than to focus on setting up homes and families as we want them to be.

Cease looking at End Times. Cease looking at the far distant future and thinking about what may happen, what could happen or what you think might happen. Focus on the task we’ve given you, right now in 2021, with the re-establishment of fully functioning families. This is your task. This is your priority. From out of those families you will impact society and you will do that individually one-on-one, family-to-family. You’ll do it in your streets and your local communities, and it will be out of this that your nation will be transformed because my Spirit will be able to move among you because you are setting in place models of what is going on in Heaven.

As you do this rebuilding, make sure you work with us so that what you establish is what we want. There’s no longer any leeway to do things your way. The Kingdom must advance, the Restoration of All Things must take place, and this is the next step towards that. I say it again: Everything from now on has to be done our way. This is why I’ve been encouraging you and admonishing you to align with us. While ever you’re thinking individually, independently, and even rebelliously, that you wants to do what you want, this has no place in the Kingdom.

I’m looking for sons who will align with us. I’m raising up sons who do that. But this is an imperative: Align with Heaven. If your job is to see Heaven manifest on Earth, it can’t be done outside of heaven’s plans and models.

So should be encouraged. Families are on the way back. Cease moaning and bemoaning the fact that families are being destroyed and start repairing them. Start bringing hailing to families. Start releasing our love and our compassion into families. But to do that you’ll have to start with yourself. You’ll need to be transformed. You don’t have to be perfect, you just need to have the right heart attitude and alignment with us so we can change you. When you change, you’ll be able to change your families, and as your families change, your homes will change. They’ll become ‘magnets’ for people to come into and you’ll be able to impact them with the Kingdom. It will be a simple task as you serve others who come in and love them.

Of course, that will mean that your focus on the world system and the problems around you will have to ‘take a back seat’. You won’t be able to do this task we’ve set for you while your mind is divided. You can’t think about vaccine mandates, closed borders, health restrictions, economic collapses, and all that gloom and gloom, and be positive enough to create families that are dynamic, robust and full of joy, and are enticing to those who are outside of them. So, set your priorities right.

This is a big task. It’s a big ask, I know, but it needs to take place, because we work through you. You can’t keep

praying for revival and not do the background work, which is to see yourself and your families in alignment with us, so that we can use you to impact the nation. It's as simple as that.

So, let's get working. There's much to do.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
