

Family is the Priority Now

(A conversational prophetic message recorded on the 20th February 2022)

Question: *Father, you've been telling us about the importance you've placed on family in this season of the Kingdom.¹ What more do you want us to know about this?*

Message

“Yes, family is the institution that I've put in place, and family needs to become the all-consuming passion that you have. That's after your passion for us, and for our relationship together.

Your passion for things needs to change, to come into alignment with us. Passions for “temporal” things, passions for things of this world, don't connect with our plans for humanity and our plans for the Kingdom on the Earth. It's not wrong to have passions for other things, such as, passion for charitable works to support disadvantaged people, even a passion to be excellent in your chosen vocation. Those are good passions, but your passions, like everything else, needs align with us. If we're to work through our people on the Earth and see the Kingdom expand, so that it ultimately fills the whole Earth, and leads to The Restoration of All things, then even what you're passionate about must be in alignment with us.

Remember, it's your passions that 'drive' you. They give you 'the juice' to be active every day. So, having family as your passion, that's pre-eminent over every other worldly passions that you might have, is where we want you to be. If you don't see family as important as we do, if you don't have a passion for restoring your family, for seeing your family grow and mature spiritually, to connect and grow deeply in relationship with each other, then your attitude towards family is not where it needs to be.

This means that you'll need to work on the problems that have been in your family. It'll mean that you'll need to change your priorities, those ones that determine what you do every day, and how you think, so that family is seen as important. That's not for any religious idea, but because it's what we set up. The family you're in, even if we didn't tell you to start the family that you have, our grace and blessing flows to it because of who you are, and because family is the institution that we bless.

So, work on your problems and difficulties. Work towards harmony. Work towards reconciliation and restoration. But, be judicious, be wise, seek our wisdom, knowledge, understanding and discernment, so you can do it properly. Don't just jump in 'boots and all', and think you're doing what we want, because you could instigate disaster. Everything you do needs to be done with us and through us, so our plans and purposes are achieved.

Set your heart towards the importance of family and a family that's properly functioning. As you go through the restoration and relationship building, ask us and listen with your spirit to find out what it is that you need to be doing or saying or [where you're] going,² so that it's all in alignment, and therefore, has our blessing.

As advance notice for you,³ through the restoration of natural families, our plans to revitalize the *ekklesia* in every location around the world will become more of a focus. As you work on your family relationships and discard your bad attitudes, and everything that causes separation between you and your family members, and as you have success in that, you'll realise under the prompting of the Spirit, that this is how sons should be functioning. [Then]⁴ you'll begin to mend relationships with your brothers and sisters in the Kingdom. You'll start operating as the “new *ekklesia*” that we want to see everywhere, in every locality, in every street.

So, focus on family. Make this a priority. Take steps to see it happen.

Restoration is the 'name of the game'. Family is our priority.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
