

Great Plans for Australia

(A conversational prophetic message recorded on the 2nd May 2014)

Background: *Our King gave Laurence this message for CCOP when it first started out.¹ It was considered a 'hard' message that many would not receive, so it has been kept 'under wraps' until now, when global situations throw light on it. This text is an extract containing information about Australia. The CCOP content has been removed.*

Message

“There is a time coming that will scare most people. There is a time coming when fright will be common. There is a time coming that I have to prepare you for. It’s a time that you don’t want to be in, but it’s a time I have you there for my purposes. This nation will undergo the screws of my judgement. This nation has to grow and mature. It is only through difficulty that my nation Australia can enter its destiny. And so I bring this judgement, this sword against your nation. I do it with a light heart, I don’t do it out of anger or hate. I do it in love, because I know that it will yield the peaceable fruits of righteousness that I require of this nation so it can rise up.

There is much this nation has to learn. They are young, they are diverse. They need to come together and focus on what they have to be to enter their destiny as a nation. There is much I need to teach them. My servants need to step out and speak. They need to rely on me – not fear man – and bring the messages that need to be brought to our nation. There are messages of love; there are messages of correction; there are messages of affirmation; there are messages of release.

My Spirit is coming. There will be a great outpouring. This has been anticipated and I am enjoying bringing it to you.

This nation is a great nation [produced] from humble beginnings – nobodies. Nobodies came to this nation and they built this nation. I brought the people and I brought the skills. I brought the heart attitudes; I brought the work ethic. This nation is a conglomerate of everything that I’ve poured into it since its foundation. I’m thoroughly pleased that the English colonised this land. They brought the gospel; they brought my standards and they set up my flag here, invisible as it was, they set up my flag on this nation and claimed it for me.² I am thankful for that. I am so pleased for that because there were those who didn’t want to do it. There were those who wanted to claim the nation for themselves; for mother England. But there were those who said, “No. This nation has a great destiny, a greater purpose and it belongs to the Lord Jesus”. And it was their stake in this nation, planting the invisible spiritual flag, that has allowed me to do what I’m doing today and what I will do in the future.

Do not despise small beginnings, because in the spiritual realm, small beginnings may have a huge impact...

Yes, big things are planned for this nation – big things beyond belief. I am manipulating circumstances. I am moulding and shaping things as they happen so this nation can be – not side-tracked, but deviated from the path people want to go on and deviated down my path and my path leads to the destiny of Australia. Be prepared for deviations. Be prepared for things ‘out of the blue’ to come and see the course of the nation change. Europe will ‘go down the gurgler’. America will decline. Australia has to rise. This is my plan; this is my promise.

So, prepare the nation. Prepare the capital city to rise up in leadership, because I have destined this nation from humble beginnings to rise up in leadership. A nation that doesn’t have pride; a nation that doesn’t boast. So I have honoured you as a nation and will release you into greater things...”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
