

Handling Opposition to Spiritual Communication

(A conversational prophetic message recorded on the 15th March 2023)

Background: *As there is always opposition to what the King says to those who only desire to hear what he has to communicate, it's important to know his mind on this type of opposition and his advice on how to handle such resistance when it happens.*

This message is provided as an encouragement to those who hear directly from our King, especially those with sound prophetic gifting

Message

“This [opposition]¹ is a conundrum² and a constant situation that will arise in your life. It's a conundrum for theologians³ because they believe theologically⁴ what they believe, and yet they must concur with you that the most important thing is to hear from me and to align themselves with me. The two don't mix together,⁵ which is why it's a conundrum for them, but it's not for you.

Stay the course. Listen to me. Do not listen to the voices of others. Listen as my Spirit speaks to you. He will confirm the voices and messages of others that are important and are from me. Otherwise, stay with what I teach you. Stay with what I tell you,⁶ and move forward. That is your role as a son. That is your role prophetically.

That's what I need you to do, so that you can impact Australia, because theology and religion will not be effective, now and in the future. They will not bring about my plans for Australia, or for all the nations of the world. They will not lead my people towards The Restoration of All Things, but will cause them to about-face and go back to where the church has been for decades, for centuries, and for millennia.

I have raised you up, and I'm raising up others like you, to hear from me, to speak my word with boldness, in love, and direct them towards me. Not towards organisations, pastors or Bible teachers, but to me. I am 'The Source'. I'm the one whose plans will succeed, in the whole of the cosmos. So, outside of alignment with me and listening to me, people are wasting their time. It's as simple as that.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
