

# Holy Imagination

(A conversational prophetic message recorded on the 9<sup>th</sup> November 2022)

**Question:** *Father, some teach that our imagination is evil.<sup>1</sup> What is your mind on that, so your people in Australia can align with you?*

## Message

“I created your imagination. Your imagination allows you to be creative, as we are creative. You were made in our image and likeness, and your imagination and creativity are part of that.

It is true that you can use your imagination and creativity for the wrong purposes, and that’s what makes it unrighteous. But, like life, which we created for you to enjoy, we want you to use your imagination righteously. You could call it 'holy imagination' because you’re using it as we want you to. In that way, it’s sanctified, it’s righteous.

As time moves on and we make changes in what we are doing on planet Earth, we’ll need your imagination to be active. Because, if you’re not imagining what we are talking to you about, you’ll not be able to see it in 'your mind’s eye', and you’ll drift [back]<sup>2</sup> into the past to things that you know. As we speak to you of things, we want you to meditate on those, and part of that meditation will be imagining them.

Your imagination is powerful when it’s under our oversight, and when your spirit is using it. We’ll teach you how to use your imagination so it’s being used appropriately, and it’s actually doing what we created it to do.

As many around the world have experienced, there’s so much more to life in the Kingdom, life as a son, than just living on Earth, going about your daily business. Sonship also includes being involved with us in The Restoration of All Things and in the management of the cosmos. This is what you were created for – managing. Unless you can use your imagination, and see yourself managing your own personal kingdom, and managing what we have for your to do in your nation and elsewhere, you won’t be encouraged to align with us and work with us so that it comes about.

Your imagination will 'push' you forward in the things we talk to you about, and the things we tell you we have planned for you. You will desire those things because you’ll be able to see them in your 'mind’s eye', and you’ll want to move forward with us. This is no different to a young child imagining something and getting excited about it and getting involved. Not that you are childish, but your life at the moment is quite simple. There’s so much more for you to know, so much more for you to learn. Using your mind and your imagination is part of that [learning].

Don’t destroy your imagination and not use it. Many of the inspirations that we 'drop' into you, for you to do, come through your imagination. You may not be aware of that, but you can be walking along and suddenly imagine something. As you assess that, you may very well find that it’s something we’ve placed inside you, and it’s something that we’re planning for you to do.

So, as you work with us and in your alignment with us, align your imagination as well as your mind, your soul, your body, your thoughts and your heart. That’s because your imagination is part of you that we created, and we want to use your imagination. That may not make much sense at the moment, but as you submit your imagination to us, and allow us to teach you personally, Spirit-to-spirit, and as you experience using your imagination with us, you’ll come to an 'ah-ha' moment, and you’ll realize, “Wow. I haven’t been using my imagination as it was created to be, and this is excellent.”

Allow us to teach you about things, including your imagination, and you’ll grow and develop in your sonship, rather than to be stunted<sup>3</sup> by what others teach you.”

---

1 – Teaching from an OT perspective using Genesis 8:21 & Luke 1:51, along with Genesis 6:5; Isaiah 59:7; & Mark 7:21. (KJV, NKJV, RSV, ASV, NLT, WEB)

2 – SQUARE BRACKETS: Added so the sense of the sentence is more understandable. All other instances are the same. [LDS]

3 – The original word received was ‘stilted’ meaning ‘artificial’ or ‘lofty’. That’s accurate, in relation to the things that religion teaches, as opposed to teaching received from The Truth himself. I changed it to ‘stunted’ so there was no confusion in reading the sentence, indicating how that type of teaching limits what we know of reality.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
