

Life in the Kingdom is Fantastic

(A conversational prophetic message recorded on the 7th April 2023)

In this message Father reveals a number of significant points about Kingdom life

Question: *Father, what is it that you want to say to your people in Australia today?*

Message

“This is a great day, and I keep saying it [to you]¹. I want you to grasp hold of that. It is a fact. It is a reality. It’s a Kingdom reality. It’s a heavenly reality. It may not materialize in the world around you so you can see it, but every day in the Kingdom, every day with me, is a great day.

You must see it from that perspective, which is my perspective. If you don’t see it from that perspective, you’ll become negative, or at least, you’ll operate at a level below your potential. It’s your attitude towards life, and [towards] your situations and circumstance, that control and determine how your life goes.

Remember, it’s faith that’s a key issue in the Kingdom. If you don’t see things the way I see them, then you cannot operate in the faith that I have. It’s a faith that you have as well, but that faith is overshadowed by your mindsets, and your attitudes, and the way you think.

A “great day” means just that. As you partner with me and move on in the things of the Kingdom on Earth, there are many benefits that flow your way, chief of which is being a son in my family. There is nothing greater for you than your status as a son,² and as I pour my affection into you, and I work tirelessly – as it were – to see your destiny achieved, you should not only be thankful but excited about every day. Every day I’m opening up new doors³ for you as you connect with me, and as you partner with me, and rely on me to oversee your lives.

As we partner together – Father and sons – this should be fulfilling a great deal of the needs you have in yourself, for self-actualization, for self-worth, and so many other things that human beings⁴ are prone to look elsewhere for. You get all those from me and more. And, you can ‘stand up straight’ and face the world, face life, and move ahead in partnership with me, knowing that I’m at your right-hand and you’re at my right-hand. Like David and Jonathan,⁵ we’re ‘joined at the hip’ – we’re inseparable⁶ – and my greatness goes with you into every ‘nook and cranny’⁷ of your life and situations. Nothing hides me from your life. Nothing that you try to hide, nothing that appears to be hidden, I know it all and I’m with you in it all. Father and sons, working together, living together, loving together. Doesn’t that sound fantastic?

Imagine, just for a moment, that, as a child or an adolescent, you had a perfect earthly father that you could relate to, that you could love, that you could enjoy, that you could be happy with, and you did wonderful things together. Life [would be] full of meaning and fruitfulness. Just picture that for a moment. Now translate that to the realities of being in my family. That euphoria, that satisfaction that you would get, as a young person with a father like that, is exactly – plus more – of what you get as benefits from your relationship with me, because I’m a perfect father.

You might know in your head that I’m a perfect father, but it has to become a reality. You should have that enthusiasm for life, and expectancy of what’s next, just as a young child has with their father when their father dotes on them.

Kingdom life is one of freedom and liberty, fruitfulness and fulfilment. It’s not austere. It’s not binding you up, it’s releasing you. I’ve given you so much autonomy and so much freedom, but you haven’t explored all of it. Even those who are maturing quite well in their sonship, still don’t realise how much

1 – Added so the intent of the sentence is understood. All other square brackets are for the same purpose. [LDS]

2 – He uses the term ‘son’ because the relationship between him and us is very much like a father-son relationship in most parts of the world today. Sons have a work bond, which is different to the connection that father’s usually have with their daughter. The term’s usage covers both men and women who work with him on Kingdom matters.

3 – Doors to enter into new experiences.

4 – Referring to all humanity, not just some people.

5 – King David of Israel and his very good friend.

6 – The meaning of the expression ‘joined at the hip’

7 – Small spaces in something or parts of something that are difficult to reach; The parts of something that are hidden or difficult to find.

there is of those. Shake off your bondages, anything that cramps you, holds you in and stops you from being free and experiencing life – life in the natural and life with me. Listen to me speak to you so you don't go overboard with that, because that is a possibility, but not something to fear.

I forgive you, because you're already forgiven, any time you miss the mark of my standards.⁸ Let that sink in. You're already forgiven. There is no fear of punishment from me. There's no fear in the Kingdom – remember? How about you put aside all your preconceived ideas, all your fears about, “Have I measured up? Have I followed the commands? Have I stuck with the Law?” Get rid of that. Those are the things that ‘tie you in knots’ and don't allow you to be free to operate with me in the plans that I have in your function as a son and in the governance of the planet.

There's just so much in life that I created you for, that you're missing out on. Why not draw everything that you need to know from me so I can instil in you and train you to be the person you were created to be. And that invitation is for every single human being on the planet – everyone. Yes. Not just a favoured few. The work of my son, the work that we planned for, is a wholistic one, encompassing everything, not just those who have their attitude and their theology right – that's just silly.

So the invitation is there, and it's always there, and I'm always wanting to draw you into the bigger picture of who you are and what we're doing together.

So, follow the motto of the LG company: “Life's Good”. Don't think it's evil. Don't think it's anything but fantastic. Move in that direction. Change your heart, change your mind, and you'll see your whole life and circumstances will change for the better. I issue that challenge to you right now.”

8 – That's the meaning of the NT Greek word that's translated into English as 'sin'.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
