

Life In The Kingdom, Now

(A conversational prophetic message recorded on the 21st March 2023)

In this message, Father continues to be frank with us, as he speaks as a father to his sons. He continues to lovingly instruct us to operate in ways that align with his desire for us so, we grow and mature as we're meant to.

Question: *Father, what is it that you want to say to your people in Australia today?*

Message

“This is a momentous time, it’s a time to be “great to be alive”. It’s not a time to be burdened, downtrodden or downcast, or disappointed in any way. Don’t look around you at what’s going on in the world, in your culture, and even in your family. ‘Set your sights’ higher, set them on me, and align yourself with me and my plans. That’s where everything is positive.

There’s no need to dwell on the negative, no need at all. It’s the propensity of humans to do so, but you are my sons, living the resurrected life that my son allowed¹ to come into the world by his work on the cross and rising from the dead. None of that is new to you. But you have to set your mind – steel it, encase it in a metal metaphorical case – so it doesn’t dissipate. Take hold of that resurrected life, because that life is the Kingdom life.

Don’t look back on what my Son did, focus on us **now**. It’s been done – *en finito*². There’s no more that needs to be done. The rest of life in the natural is about life in the Kingdom and working with us on our plans for now and the future.

Our life is a fantastic life, but it involves you having the right heart and mind attitude towards it if you want to enter into the greatness of it, the positiveness of it, and the benefits that are there. Live ‘in the now’, focusing on us and the wonderful life we have together, and the negativity and disappointments of life will vanish, as you bask in our love and live in intimacy and oneness with us, enjoying every moment.

You don’t believe me. But I tell you, that living life with us and focusing totally on us, will allow the troubles and disappointments and the negativities of life to fall off you ‘like water off a duck’s back’ – it just falls. It never does that for you because you have your mind in two places. In other words, you’re double-minded – you’re thinking negatively about what’s going on in your life, and you’re thinking positively about your life in the Kingdom. It’s like living with ‘one foot’ in the Old Covenant and ‘one foot’ in the New Covenant – it makes no sense at all. All that that does is curtail the benefits that are available to you.

Again, I desire you to focus on us. Focus on the wonderful life that there is in the Kingdom. I want you to cut off negativity as soon as it arises in your mind and in your heart so that you can live positively. I also want you to cut off negative attitudes that are in your heart, that manifest during the daytime, because those ‘bad’ attitudes don’t allow the positivity of the Kingdom to envelop you.

I hope you can see that it’s all up to you. We’ve done everything that needs to be done, which is why I’ve used the vernacular term *en finito* (“it’s finished”).

Again, stop looking back. Live NOW. Enjoy the NOW. Forget about disappointments and regretting because they cause you to look back. Everything is positive. Everything of great benefit is in the NOW in the Kingdom, living with us, and it will be there, now and in the future.

Trying to get you to change is like trying to get little kids to see the good that you have for them. All that a child sees in most cases is the negativity that adults put on them. They can’t see the benefits of the correction, the redirection, and the training that they’ve been given. Don’t be like a child, grow up.³ See the way things really are right now,⁴ the way life should be lived, because we’ve left it open to you to come in. It’s all there.

1 – i.e. Provided the way. (‘established’ www.thesaurus.com/browse/allowed)

2 – “It’s finished”

3 – **IMPORTANT:** See this statement as an invitation for us to work on our growth and development as a son, rather than an irritated scolding of the type an earthly parent may say to an bothersome child.

4 – i.e. From the Kingdom perspective. From father’s perspective.

Live life in the Kingdom. Live as sons. Live as a son who has returned to his father and has been reinstated with all the benefits and the inheritances and the blessings of the reinstatement. You were once lost to us, but now you are home. Everything is yours. Take advantage of it – it's not wrong. We lavish on you everything that's in the Kingdom. But what holds you back is yourself – your attitudes, your theology, your heart and your mind, and the training you've been under all your life. Cast those things off, and return wholeheartedly to live with us in relationship, in the Kingdom. Listen to what we have to say to you. Speak to us as family and enjoy everything, because life is wonderful.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
