

# No Regrets & No Disappointments

(A conversational prophetic message recorded on the 17<sup>th</sup> August 2022)

**Question:** *Lord, you told us “No regrets and no disappointments”.<sup>1</sup> We’ve followed your instruction and found great benefit. Is there anything you want to tell your people about that principle?*

## Message

“Yes, it is beneficial to reject disappointments and regrets. These are negative thought patterns which turn you backwards and not take you forwards. The most important thing that you discovered is that it destroys the positivity in your life that I pour into you, and it’s replaced by negativity which totally distracts you from our life together.

This message I want to get out to all my people. I see them struggling with life, and the root cause is not the issues that surround them and impinge on their productivity, but it’s thinking about regrets. It’s about regretting the past, about the things they’ve said or thought or done, even things in the far distant past. These thoughts have put them in bondage to the past and tied their hands, curtailing the work they are to do for me and the progress that they need to make in their sonship.

The past is in my hands. I’ve dealt with your sins and I’ve dealt with your past. It’s time to move forward into the future. Focusing on me and the present, and what we’re doing together in, is a critical principle to follow. The immediate future is also an area for us to work together. By the same token, the far distant future is in my hands and you need to know nothing about it, unless I reveal it to you.

DO NOT REGRET. Bring anything that has been a failure in your life to me, leave it with me and move on. If you need to repent of it and turn away from it, turning to my way of doing things and saying things, that is fine. If you need to ask me to forgive you, that’s also fine. Remember, all your sins are already forgiven, but whatever keeps you comfortable in your thinking and in your heart, that’s what you need to do to deal with them, so that positivity returns.

In regard to disappointments, again, this is looking back into the past, and again, the past is mine. Leave them there. Thinking about them will do nothing. It will only make you negative and churn you up on the inside, and even produce detrimental changes in your health.

I promised to meet all your needs, and I want to tell you that I’ll meet your needs in the areas where you have disappointments and regrets. If you lean into me as the supplier of all your personal needs, then when you feel regret or disappointment rising up in you, ask me to deal with the consequences, and I will. But that means you don’t pick them up again. If you do go back and continue to think about them, then the simple process is to lean into me as your supplier and have that need met, and move on.

I desire to meet all your needs, and I can meet all your needs. It only needs you to rely on me and nothing else. Of course, you have to do what you need to do in your life, but leave the rest to me. Regrets and disappointments are out of your control and are best left with me.

The negativity that comes into your life curtails your process of maturing as a son. It stops you from dealing with life in a positive and Kingdom way. It also ties you up, redirects you in the wrong places, and this puts you in the enemy’s hands, because you’re not operating out of faith. You’re not operating out of trust and you’re not operating out of your sonship, which is your priority.

As I’ve said, my people, as I observe them, are being destroyed in their hearts and in their lives by regrets and disappointments. I admonish them, I ask them in love, to cease regretting and being disappointed. Life is wonderful and Kingdom life is abundant, but the focus on negativity, by being disappointed and by regretting, cancels those.

It’s all up to you. You, in your autonomy, can choose what to think about. Change your thinking and only then will you see beyond yourself and enjoy life – both life in the natural and life in the Kingdom.

Break free of this bondage and LIVE.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
