

# Our True ‘Self’

(Two conversational prophetic messages recorded on the 14<sup>th</sup> & 15<sup>th</sup> April 2022)

## Summary

*‘Self’ is a psychological concept which refers to how we see ourselves.<sup>1</sup> It’s about the personality that we create for ourselves so we feel good about being alive, and it’s also the one we desire people to identify us as. In other words, it’s the identity we create. This ‘self’ we want others to see is a fake ‘self’. Our true ‘self’ is what we are like when we’re open and honest, have no agenda and we ‘let our guard down’. Our real ‘self’ is different to both, it’s the spirit inside of us. It’s not our sonship. That’s our status in the Kingdom coming from our position in Father’s family. The true ‘self’ of sons must become the result of the life of their spirit, together with Holy Spirit, coming from their Internal Kingdom.*

**Question #1:** Father, tell us about our true ‘self’ and our real ‘self’, rather than the persona that we create for ourselves for the world to see.

## Message #1

“Your true ‘self’ is the son that I have created you to be. You are my offspring, so your true ‘self’ must reflect me, not the [physical] world around you. Remember, you are a new species (a new creature), different to everyone else. So that requires the understanding that there are major differences, and the major different is your real ‘self’.

Your real 'self' is your spirit and my Spirit which live together inside you, in your Internal Kingdom. This is you, not the external, not the mental image that you have of yourself, not what you project to others, but the eternal ‘you’, the spiritual ‘you’. You’ve got it wrong for so long, because you think that the physical body that you have, and all the components of it, are yourself, the part that really matters.

It’s true that you have to look after your physical body, but that [body] will pass away on physical death. The real ‘you’ that you have to look after, encourage and develop, is the 'self' that’s spiritual. That doesn’t mean to say that you become super-spiritual, or anything like that. It means, your focus has to be there, and as I’ve instructed you before, you have to live out of the Internal Kingdom, which is living out of your spirit as it’s connected to me, and lives on the life that I give you.

You were made in my image and likeness, so you are a spirit being. You were given a physical body so you could interact with the physical realm. The order of dominance there is [therefore]: spirit first; natural second. You don’t have a spirit so that you’ve got something to do when you die, you are your spirit. This is the real ‘you’ that left my presence to enter into the body that you have now, so you can live life for me on the face of the Earth.

Can you see then, that your spirit is the real ‘you’ – your spirit, not your physical body. You need to look after your body so you maintain your [physical] life on the Earth, so you can carry out the plans I have for you, conduct the tasks that I give you, and enter into your destiny, which is connected to your physical body. But that’s where it ends. Your spirit is un-dying. I created you that way. It’s the one that continues on forever.

So, wrap your mind around that. Your true 'self' is your spirit and your life is the life your spirit lives in connection with me, in your Internal Kingdom which outworks and out-flows to your physical body and to your surroundings. That’s the key to understanding who you are. Of course, you are sons, and I continue to train you to grow and mature as sons, but that’s your status, it’s not your ‘self’. Your occupation and your status in the world, are only categories, they aren’t ‘you’. Being a son is your relationship with me, but ‘you’, ‘yourself’, is the spirit within you.

You are destined to rule in life as kings, but that is how you function as planet-managers. It is not your true ‘self’. You are also priests, in that you connect yourself, humanity, the world and the cosmos to me. That is a function, it’s not who you are.

1 – “Self Concept” [www.simplypsychology.org/self-concept.html](http://www.simplypsychology.org/self-concept.html)

It's important that you get your 'facts straight': The real 'you', your true 'self', is the spirit-man that's in you, that's connected to me, that lives out of my life. That is the 'self' you need to focus on and work with. To that end, you'll need to discard any false 'selves' that you've created, any personas, any avatars<sup>2</sup> that you present to the world as 'yourself'. You need to eliminate those, live out of your true 'self', and allow me to mold you and shape you, your characteristics and your mannerisms, and what the world sees, so that like my Son, they will see that you're different to everybody else."

**Question #2:** Father, why have you brought teaching to us about our true 'self'?

## **Message #2**

"This is a vital understanding. It's something that all my sons need to know. I can't move forward to where I want to take my people, unless they have a full understanding of their real 'self'. Not the fake 'self', the pseudo 'self' that they generate for themselves, it's their true 'self' I want to work with. In fact, I can't work with their persona, their avatar, their façade, or whatever it is they create for themselves, because that's not real. It will not connect with Heaven. It doesn't have a blueprint in Heaven, so it's not a part of my Kingdom.

To do what I need to do in the world, (for that matter, in the whole cosmos), in these days of the Kingdom, requires my sons to walk, not only in alignment with me, but out of their true 'self', and out of the life I have given them which is inside of them. When I've mentioned in the past about aligning with me, it's not just aligning your heart and your mind and your attitudes with me, you actually have to align your 'self' with me. That means your 'being' has to be in proper alignment. If your 'being' is out of alignment, I can't use you to expand my Kingdom and to do the miraculous, wonderful works that I want to display on the face of the Earth at this time in history.

You know that your spirit is the real 'you', and it's this spirit connected with me inside you, that must be the dominant component of your being. That will take a process of change, for it to take place. But, you cannot be about<sup>3</sup> spiritual matters, Kingdom matters, while your body, your mind and your soul dominate your existence.

My blueprint is that your spirit-man is 'you', and your body allows you to connect with the physical realm. Your mind allows your body to operate there, along with your soul. The Fall put those into the wrong order of importance, so this needs to be reversed, but that requires a change in your thinking and the way you operate. It doesn't happen automatically when you come into the Kingdom, when you're spiritually reborn. It's a process you have to go through because you're still living in a 'fallen' world and I haven't regenerated your body, or your mind, or your soul.

Your regenerated spirit, in connection with me, needs to be fostered, and your body, mind and soul needs to be brought into subjection to your spirit. Then you can be in alignment with the blueprint that I originally created for humanity. My Son demonstrated this for you. So, that's where you need to move.

I can do great things through you as you are at the moment – each individual son – but for the changes that I need to make, that are expansive, really impacting, requires that my sons move to align in that way. That's why I've given you this teaching. As a forerunner you need to know this, and distribute the information, because my people need to move in that direction. I say "move", because it's a process of change, of growth and development, and it will take quite some time for it to take place in each individual.

This is advice that I'm giving to the wider community of my sons, so that they know where they have to head in this respect, and they can work on it with me."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
