

Spiritual Balance in Australia

(A conversational prophetic message recorded on the 17th May 2023)

Question: *Lord, tell us about spiritual balance and how that impacts your people in Australia?*

Message

“Spiritual balance, or balance in the spirit realm, is something my people are very ignorant of. You see, nothing happens on the Earth unless there’s a balance tipped in favour of my plans. It requires people to align with me, rather than themselves, their governments, or their society.

We created humanity to be in charge of the Earth. To subdue those things that come against our plans: Things that are unrighteous; things that are out of alignment with us. That was the pinnacle of our creation, to create sons after ourselves, to function in governance like we do. It’s a privilege for humanity to be in that place and have that status, but religions of all kinds have taken humanity away from their goal and have focused them on doing things that they believe we want them to do.

This is not a disappointment to us, it’s just caused our plans to be put in abeyance. But in this time, in this new era of the Kingdom,¹ our sons are beginning to see their alignment with us as critical. Because, while ever there is poor alignment or unalignment², the spiritual balance is not in favour of us. But when more and more of our sons determine in their hearts and minds, to align with their spirit, to align with us, the balance in the spirit realm for that particular facet of life on Earth, changes, and tips in our favour. That allows us to do what we need to do.

That sounds illogical for us,³ as beings with unlimited power, but you see, we’ve given the governance to you. Out of love and out of family, and out of our desire to share governance, we have placed you as planet-managers on Earth – every single one of you – and we have not changed that.

Though evil has risen and fallen, and continues to have great sway on the Earth, we are still steadfast in our desire for you to manage what we created. It’s your place and it’s your destiny. This is why nothing much has happened for the Kingdom, for the last 2,000 years,⁴ since I was on Earth as Jesus of Nazareth and brought the Kingdom of Heaven on Earth again. I have established it. The Kingdom is mine, but I work through Father’s sons, through my people, and I continue to do that.

If only they would listen to what I have to say, they would know that this is an imperative. But they listen to other voices, they search ‘holy scripture’, but they don’t listen to the Spirit. They don’t listen to my voice to get this important message, that we have put them in charge, and the spiritual balance over their lives and over Australia is totally in their hands.

You see, this is the structure that we put in place, and all the praying, all the fasting, all the entreaties, and all the pressure they put on us, does not change what we have set in place. You could say it’s a protocol, a governance protocol, that exists, and unless my people rise up and follow that protocol, nothing much will change.

Even when there is a change in the spiritual atmosphere, at one level or another, my people still don’t continue to align with me so that it picks up momentum and expands. This is why, what you call “revivals”, have failed so often. I give you a taste of what life is like when we work together, but in your weakness, you focus on what I’m doing with my Spirit, and you take your eyes off me. You ‘drop the ball’, as it were. You don’t listen to what I have to say, and you go off with your own ideas. Whatever gives you pleasure, spiritual pleasure, that’s what you follow.

Please understand, this is not a disciplinary message for you. I’m laying out the facts. I’m schooling you in reality. My love must see that I train you, because, as the pinnacle of our creation, you are not to be ignorant. You are supposed to operate with my mind, and my wisdom, and my knowledge. But as this doesn’t happen, because you don’t search me for that knowledge, things have not taken effect that you have anticipated.

2 – Unaligned or non-alignment. (SEE: www.yourdictionary.com/unalignment)

3 – i.e. That the work of the Trinity is dependent on humans.

4 – Approximately

So, out of love, I admonish you to align with me in everything, as much as you possibly can. It's my plans, Father's plans, that you need to work with to see the Kingdom fill the whole Earth, and then the cosmos. It's not your plans, it's not the plans of your organisation. Remember, all reality resides in us, and that's what you need to align with, heart, mind and soul, just as your spirit does.

Be encouraged to move in that direction. Don't let my words put a dampener on you, but let it be an encouragement. 'Step up to the plate' and say, "I will align with you and your plans, no matter what." That's all it takes, in every area of your life. And even when you don't know what my plans are, set your whole being in alignment with me, because all those alignments change the spiritual balance, which changes the spiritual atmosphere in your life and in your nation.

It's really as simple as that. Change doesn't come by striving in the Kingdom, it comes by submission, it comes by rest.

So, just go about your lives, listening to me. That's your prime directive, so don't forget it. Align with me with your whole being, so that your delight is in that [alignment]⁵, rather than your own expectations."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017

CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
