

The King's Message for 2024

(Conversational prophetic messages recorded on the 8th & 9th of January 2024)

★ **IMPORTANT:** This is a message from our King, to his people in Australia, to refocus them for 2024 ★

Question: *Lord, what's your message to your people in Australia at the beginning of 2024?*

Message #1

"This is the start of a new year, but New Years are a human invention. Life should continue on,¹ day after day, as you live in my Kingdom in relationship with me. It's the events and the highlights of the Kingdom that should be of great importance to you. These remain unknown to you, of course, until I release them to you and reveal the details as you listen to my voice. Sure, you can be involved in the affairs and timelines of society and of religion, but the essence for my people is living the Kingdom life with me, being about my business, focused on the things that are important for the expansion of the Kingdom – as they are well aware of.

Things have slowed down in recent times (by that, I mean the expansion of the Kingdom and the work of my people for the Kingdom on Earth) because of world events and circumstances. However, the important point to remember is the fact that the Kingdom supersedes² everything else. Everything should be subservient³ to the Kingdom, in relation to importance and focus. This is an area my people are 'deficient'⁴ in, because life, and the concerns of life, take hold of their minds and their emotions, and that's where their focus and their energy are directed. This needs to change if I'm able to achieve what I need to achieve through my people in this nation. The cares and concerns of life, I will take care of, if they will let me – my people know that – but it's a hard thing for them to put into reality in their lives. That's a general statement, I know, but it's a fact.

So, at the beginning of this new year, your New Year's resolution, your impetus for the ensuing 12 months, should be to learn to focus on the things of the Kingdom, while at the same time, living life in the natural⁵. Kingdom life, although spiritual, flows out into the natural, and the more my people live the Kingdom life – drawing life from me, allowing me to meet all their personal needs⁶ – the natural life will 'fall into place'. Approaching life in the reverse order,⁷ does not allow my Kingdom to impact their lives, their families, and those they come into contact with.

My people must realise that coming into the Kingdom – coming in as my sons – requires them to be focused on my plans and my purposes, as a priority. That's why it's important to make an intelligent decision before deciding to come into the Kingdom. Coming in through fear is not the way to make a logical decision to join me in the work that we have to do in Australia and around the world. (*That's a topic for another time.*)

A new year usually brings new excitement to life. I suggest that my people get excited about things that I'm focusing on, the things that are important to me. By the way, that has nothing to do with religion. It has to do with partnership in overseeing the nation and the Earth, as was my intention at Creation. If you think about it, there's no greater task, no greater honour, than to be involved in that, but it requires a heart attitude to take that position. That's where my people need to work – on their hearts and on their attitudes.

So, the future in the Kingdom is always bright, despite what's going on around the nation and in the lives of my people. That's why I want them to become excited about the work we do together,⁸ about the progress

6 – ASSOCIATED MESSAGE: *"Do not underestimate the power of My presence and My ability to intervene in your life. Allow Me to take the lead and direct every step you take. I am not a myth or a legend; I am a real and powerful being that you can interact with and trust to help you through every dilemma you face. Put your trust in Me," says the Lord.*

8 – IDENTICAL MESSAGE: *"You are entering a season that will be like no other. Do not be afraid of change or challenges. I have been with you every step of the way, and I will continue to go the distance with you," says the Lord. "Lean on Me for direction and guidance as we go forth together."*

we are making towards The Restoration of All Things⁹. That should be the neon sign¹⁰ that's in front of them as they move through 2024."

Question: *Lord, is there anything more you'd like to say to your people before we move further into 2024?*

Message #2

"Certainly there is, there always is – I always have messages for my people. I'm always looking to reprogram them, to train them in ways that are appropriate for their sonship.

2024 is a different year to what there has been in the past. Expect new things and expect different things to appear before you and before your nation. Approach each of them as a son, not as an Australian. Know your identity [as a son]¹¹, which is more important than your nationality, and deal with the situations and circumstances from that perspective. That's how sons operate, that's where their authority lies, in their identity as sons.

In 2024:

1. Learn to resist those things that are negative – those things that are within you and those things that are without¹² you. By "resisting" I mean, saying "No", and believing that with your whole heart. Nothing more needs to be done in most circumstances, unless I show you otherwise.
2. Learn more about your sonship, and more about how to live the Kingdom life.
3. Learn more about our oneness together and about drawing everything you need from my Kingdom.
4. Learn about your Internal Kingdom¹³ where I reside. That's the seat of everything you need and everything that relates to your sonship.
5. As turmoil rumbles and rages around you, stay calm.
6. Rest in my presence and rest in your trust of me. I gave you examples [of that] as Jesus of Nazareth, and I'm expecting you to 'follow suit'. Don't treat my examples as unobtainable stories, but see them as an example of the life of a son who's in an intimate, loving relationship with Father.
7. Remember that nothing can separate you from me. Nothing can separate you from any member of the Trinity. That's why focusing on your Internal Kingdom is an essential part of your sonship.
8. Allow yourself to be molded and shaped by me, so that you can grow and mature spiritually, and become more of an effective son in the work of the Kingdom and in the way you live your life.

Everything I've said [above] is basically 'Sonship 101'¹⁴. There's nothing new there, it's just reiterating what I've said to you before,¹⁵ but they're things that you need to grow into and that need to become firmly fixed within you. That's because sonship and the Kingdom are not a theology, but the way life is supposed to be lived, the way we intended it to be lived, right from the very beginning.

So, enjoy 2024 – it's another year that we've given you. Enjoy us, enjoy your families, and enjoy everything you do, because that's the way sons live."

15 – READ: CCOP messages received in 2022 & 2023 canberraforerunners.org/?page_id=4940

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
