

The Separation

(A conversational prophetic message recorded on the 18th December 2021)

Question: *Lord tell us about "the separation"¹ that has already started.*

Message

“This separation² is gigantic³. It is bigger than you’re able to comprehend. It’s a separation of good and bad, what’s evil and what’s righteous. It’s been a process that’s been gradually going on, but is now at full speed. It will burgeon to a point where it becomes obvious, but it’s hidden at the moment, because the balance is the *status quo* of life on Earth. As time goes on, you’ll see the separation has produced two camps.

In the end there will be no middle ground. Everyone will need to make a decision of which side they are on. It will be a heart decision. I will bring them to the point of making a heart decision, because I already know their hearts. I will create the situations and circumstances where they will have to make a decision. Yes, some of your closest friends and family will choose a different side to you.

This is nothing to fear. This is the process that must continue on towards The Restoration of All Things and the end of this Age. Do not fear. I repeat: Do not fear what I am doing. You know from the love that I have for you, for my creation – in fact, for all humanity – that this must take place.

Leave it to me, what I do with each side. Don’t make a decision (judgement)⁴ on what you think should happen. In most cases you will be wrong, because you’re not thinking and operating out of my heart. I will instil my heart in greater measure, in those who choose me. By “choose me”, I mean, in alignment with me and total commitment to me, not those who speak my name with their mouth, but their heart has nothing to do with me.

From this separation, you will see things begin to happen that have not occurred in the past. They will dismay you, but when you sit close to me and learn from me, from the word that I place in your heart, moment-by-moment, day-by-day, I will keep you informed. I will keep you up-to-date. You will know what I know, but open your ears so you do hear – and of course that’s your spiritual ears.

Life is about a spiritual battle, and I am now selecting my remnant army, my ‘Gideon army’⁵. These are those who will defend righteousness. They will not fear. My authority and my power will be with them and they will advance my Kingdom throughout the whole of the Earth.

This [selection process]⁶ is a generational thing, it’s not an instantaneous event.

Do not confuse what I am doing with your theology and your eschatology. There is no time for those. This is the time for listening to me, for aligning with me, for oneness with me, for knowing my heart and being my light to all [those]⁷ around you. I will do the work, once you align with me and totally commit yourself.

I have called you to reject fear, disappointment, regrets, offence and so many other things. If you don’t deal with those, very soon, they’ll become an impediment for you and you will not be able to grow and mature as I intend for you.

This is an important time, a critical time. I’ve been warning you about critical times for quite some time now.⁸ So, relax and rest in me, as you trust me, to have everything ordered in your life and the life of planet Earth and the whole cosmos.

3 – It involves the whole population of the Earth.

4 – The sense of the word “decision” was assessing the other side as a magistrate assesses the evidence and comes up with a verdict.

Let this message bring joy to your heart. If it doesn't, then spend time with me and allow me to comfort you, to sustain you in your disappointment, or whatever feelings that you feel.

Remember, I operate only out of love, and I wish to pour my grace and my favour on all those who call on my name. However, there are many who call on my name, but are not mine. I don't know them, because they have no intimate connection with me.

So, maintain your intimacy with me. Expand your relationship with my people – those who are like-minded with you – and pursue oneness with us. All will be well, if you follow that path.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
