

Time to ‘Grow Up’

(A conversational prophetic message recorded on the 22nd July 2023)

Question: *Father, what is your message to your people in Australia today?*

Message

“My message is a simple one, “Grow up”. That may seem harsh, but it’s a loving statement from a loving Father to the children he loves. Human parents get frustrated when their children don’t grow and mature, but stay very childish and ignorant. It frustrates them greatly.

I’m looking at my people in Australia – my children – who I want to transform into effective, mature sons, but they’re still ‘playing childish games’. Religion has them tied up. Legalism has them in bondage, and their minds are not focused on the things of the Kingdom. They’re not focused on my plans and my purposes. They’re definitely not interested in moving forward in the things that **I** want them to move forward in.

Now, I’m not frustrated. As a loving Father, I desire my children to grow and mature, just like human parents. In fact, my desire is greater than theirs, because the expansion of the Kingdom and The Restoration of All Things is predicated¹ on my children becoming mature sons, and functioning as my Son did when he was on Earth.

I created humanity with authority over the natural realm, to be in charge of the planet, and that has been restored through the work of my Son. But the greatness of that, and even the access to it, has been blinded from the minds and the hearts of my people. I cannot achieve what I need to achieve, while they play their childish ‘games’. Now, to them, of course, it’s not childish, they’re ‘dead serious’². But from a Kingdom perspective – from my perspective – it’s like an adult looking at toddlers playing in the sandpit with their cars and being very serious about thinking that they are driving real cars, when it’s all in their mind. What they are doing is irrelevant compared to being able to drive a vehicle as an adult.

My children, put yourselves in my position, and allow me to show you as you really are, through my eyes. You’ll be surprised at what you actually see.

This is a time of momentous shift in the things of the Spirit, in the spiritual realm, both in my Kingdom, and in other kingdoms. It involves my children as sons, to be totally involved in the things of my Kingdom, so that my Kingdom continues to expand, and continues to take a position of authority on the Earth, to a greater and wider extent than it does currently. Although my plans will succeed, it involves my children being major partners – co-workers, in fact – to bring that about.”

A Personally Directed Message

“That expansion of the Kingdom basically has little to do with your ideas of expanding the Kingdom. Because, as I’ve been saying to my people for quite some time,³ alignment with me with your thinking, with your heart and with your actions, is critical for the expansion of the Kingdom. Whenever you go off ‘doing your own thing’, you are inadvertently working against my Kingdom, my plans, and my purposes. So, please let that ‘sink in’.

It shouldn’t take a revelation to understand that your actions may not be in alignment with me. In fact, why don’t you talk with me and ask me what my plans are – my current plans? I challenge you with that. Why not spend time asking me questions and listening for my answers. I’ll clearly tell you what I want you to do, where I want you to go, what I want you to become. All the things of life that are concerning you, I will deal with those and inform you of what my position is on them, but it only comes from listening to me. If you do spend that time, you’ll begin to see how wayward you’ve been in the things that are important to me.

So, as a loving Father, I continue to draw you in. I'm not angry, I'm not full of wrath. I'm a wonderful, loving Father, drawing you, encouraging you, [and]⁴ waiting for you. You may not realise that, but I wait for you, because I created you for a position as co-workers and partners with me, and I will not force you. You have authority, you have autonomy, and you can make your own decisions. But the decisions you make, need to be in alignment with me, not with your plans, your ideas, or those of others.

I repeat: My plans will succeed, but it takes the input and the work of my sons, my mature sons, to see that happen.

Rise up, and determine within your heart to align with me and follow where I am leading you. That's the challenge for today⁵."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
