

Tongues Are Vital For Today

(A conversational prophetic message recorded on the 22nd September 2022)

Question: *Father, you've brought to our attention the important need to communicate in tongues.¹ What is it that you want to tell your people in Australia about it?*

Message

“Communicating in tongues is important for the times that we’re moving into, because many are not mature enough to handle what’s coming. The situations and circumstances that they’ll find themselves in will require them to be able to pray and intercede in tongues, to be able to clearly receive information from me so they know what to do within their spirit. The time ahead is not one for thinking the way they usually think, the way society has taught them to think. It’s a time to move in the spirit.

Many, many of my people do not know how to operate in the spirit. They have not been taught, they have not gone through enough training, and they’ll find themselves in ‘dire straits’ as time moves on. They need to be built up spiritually, not with more head knowledge from teaching, but from operating in the spirit.

Speaking in tongues and praying in tongues is the way to activate your spirit so that you move more into the realm of being who you really are, which is a spiritual being housed in a physical body. This is the way sons operate, they operate spiritually, and from their spirit operation, they operate in the natural.

I give instruction to my people, in my beloved nation of Australia, to move more into praying in tongues and speaking in tongues, as the situation arises. For those who have not been filled with the Spirit, it is my instruction to seek the infilling of the Spirit (also known as the Baptism in the Holy Spirit). For those who once spoke in tongues, but don’t use tongues any more, my instruction is to begin using them in your quiet time. Instead of praying with your mind, pray spiritually by praying in tongues. Practise this as it stimulates your spirit to become involved, because it’s been dormant for so long.

Monitor your spirit. Learn how to do that, if you don’t know already. Allow your spirit to show you how to pray in tongues and when to pray in tongues.

For those who continue to pray in tongues, use it appropriately. There’s no need to pray for extensive periods of time as a formula² to get things done. Be spiritual, and allow your spirit to show you how and when to pray in tongues. There is a time to pray in the natural and a time to pray in the spirit.

Of course, the most important thing you have to say through your mouth or through your spirit is your communication with me. This is pre-eminent. This is about our relationship; about intimacy; about oneness. That should be ‘at the top of your list’, rather than intercession or prayer.

Communicate with me from your heart, and then as the Spirit leads, communicate to me with your spirit by praying and speaking in tongues. It’s important for you to realise that prayer is not a religious activity, it’s supposed to be communication between us.

We are united. We are connected, and it’s our desire that you relate to us intimately and in oneness, so that we can be as one and work together.

So, heed my instructions and remember that I warned you of dark times ahead.³ With that in mind, prepare yourself spiritually. One of those ways is to fine-tune how you pray in tongues. You may not see immediate benefits flowing to you, but that’s because of your insensitivity to the things of the Spirit.

Communicate in tongues, speak in tongues and allow me to work in you and through you, because that’s the way it’s meant to be.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
