

# Wait to be Released

(A conversational prophetic message recorded on the 12<sup>th</sup> & 26<sup>th</sup> January 2022)

**Question:** *What is it you're wanting to say to us, Father?*

## Message #1

“I’ve been waiting for people to put aside their agendas and their plans, and to listen to me. To find out from me when my timing is right, what my strategies are, so they can fit in with my plans. Too often, my people go off and ‘do their own thing’. It’s not just with their own plans, but with what I’ve given them as a hint, as an introduction, to my plans. They cannot wait. They cannot see that my timing is perfect and everything needs to be in my time. I sent my Son to reintroduce the Kingdom onto the face of the Earth at THE RIGHT TIME. Not too soon, not too late. This is the way I work with humanity.

As disappointing as [what I’ve said]<sup>1</sup> may seem to be, my love for my people is still strong, unwavering. It means though, that I have to wait, wait until there is a people-group, large or small, who are prepared to align with me. Then I can implement what I need to implement, because I work through you. That’s the way I created things to be.

This is the time for magnificent and majestic changes to take place and I need my people to align with me so I can work with them and through them. It’s a partnership, that’s what sonship is. My Son demonstrated that, but it hasn’t sunk into the minds of my people. A partnership that is under my oversight is the way I want my sons to operate.

After all, is there anyone of greater importance than myself in existence? Is there anyone worth more than me to follow and listen to and align with? The simple answer is, “No” – emphatically, “No”. So why do my children dilly-dally, doing ‘their own thing’, and remain unaligned with me?

In this new era of the Kingdom,<sup>2</sup> [and] in this season, where I’m wanting to do fantastic things on the face of the Earth, things that will astound the general public, the on-lookers, I need my people to align themselves, heart, mind and attitudes. All those must align with me so that I can achieve my purposes in the quickest amount of time. I’m not in any rush at all, by the way.

But, my heartfelt desire is to see everything returned to the way it was, in its pristine condition, where I created it. Not as it is in chaos, in a ‘fallen’ state. This is why I’ve been continually badgering you (to use your terms) to align with me.<sup>3</sup> Over and over again, I’ve asked you to align with me.

Please, surrender your own agendas. Surrender and eliminate all your ideas of the way things ought to be and be done (carried out), and just wait on me. Allow me to deposit in you what you need to know, what my plans are, and continue to wait until I release you to do that, because everything must be in place for success to be achieved.

So I admonish you again: Align yourself with me. Make my plans your priority. Wait for my strategies, wait for my timing, and most of all, wait until I release you. Don’t be presumptive and take off ‘on your own bat’ and do the things that you think I want done. They will not achieve my purposes.

I love working with you. We love working with you. It is our heartfelt desire to partner with you in perfection, but we realise that that will not happen until The Restoration of All Things takes place. In the meantime, enjoy your lives, enjoy working with us in partnership. Continue to focus on allowing my Kingdom be expanded on the Earth, MY WAY.”

**Question:** *Lord, is there anything you want to add to your message about waiting to be released?*

## **Message #2**

“There certainly is.

I’ve been waiting for such a time as this, and I know there are messages that I have released, for what I will be doing in the Australia in a big way. Receive those messages. Receive the heart content of those messages, and come before me and seek my counsel about what you should be doing to be involved in what I’m doing.

There will be a propensity for my people to rush out in their excitement and get involved with what is happening in the Spirit. But I warn you, the revivals of the past have failed because my people have ‘done their own thing’ and that has squashed the work of the Spirit. I encourage you not to do that again [with what I’m going to do in Australia].

For my work to take place in this nation, everything must be in alignment. When my people go off and ‘do their own thing’, thinking that they are enacting my plans, the Spirit cannot work, even though they feel that he is, because they are operating in the gifts of the Spirit. But this move that I’m wanting to do in Australia, is outside of the Charismata<sup>4</sup>. You must get that. It’s not about the gifts of the Spirit, it’s about the movement of my Spirit through ‘all and sundry’. [It will be] through the old and the young, through the trained and untrained, but especially among my hidden remnant, those who have remained hidden, who I have been training and preparing for this time.

So, this is just a short addendum to what I had to say, but it’s important.

Don’t get too enthusiastic about what I’ve said that I will do. Keep your enjoyment and your pleasure and your enthusiasm in me, and allow me to use you as you wait for me to release you. Then, I’ll be able to do what I need to do through you. And, you’ll be amazed.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
