

What Revival?

(A conversational prophetic message recorded on the 9th November 2022)

Question: *Father, you told us many years ago that revival would not be what we expect.¹ What is your update on this topic for your people in Australia?*

Message

“Revival is a topic my people have been discussing and praying for many, many decades. The problem is, the idea does not coincide with me – it doesn’t align with my thoughts and my plans. You see, in the Kingdom (the Kingdom of Heaven on Earth), things are done my way. If my people purport to represent me, they need to find out from me how I want things done, so they can work with me in partnership and see things fulfilled. If they don’t work that way, they’ll actually be working against me. That’s precisely what my Son told his disciples – if you don’t work with me and you’re not for me, then you’re actually against me. That may be hard to take, but that’s the reality. That’s the way the spirit realm works [and] that’s the way Heaven works. As my people are part of Heaven on Earth, and as they are representing me as my sons, alignment with me in absolutely everything is critical. Heaven works with me and my people on Earth need to work with me as well.

Now, in regard to revival, I’m not looking to revive something that was put together by human beings. I’m not looking to revive religion, in any way, shape or form. In fact, I’m not into revival. My main aim has always been restoration, to restore things back to the way they were. That’s precisely the reason I sent my Son, because I want my sons, my children who were lost, to return to me and to be able to operate as sons, and to relate to me as sons. That’s what the Kingdom is all about – I have brought my sons back into my family, as the parable explains. That was a process of restoration, restoring sons, as Adam was before The Fall (as you call it).

What I’m looking to do in Australia and around the world, is to restore the natural realm – every component of it – so that it is as it was at Creation. This is where I’m heading. This is my main plan. You call it The Restoration of All Things, and that is a good description. That’s what you should be focusing on, not church revival, because church revival, as you’ve seen from the past, over the centuries, degenerates back into religion. It starts off with a move of my Spirit, but in the next generation it fades, and in a very short space of time, it becomes religion again. I’m not into religion. I never instigated religion. It has never been my desire. It’s been the desire of human beings, on every occasion, to create religion, including the Children of Israel.

Take your mind off church revival. Focus on The Restoration of All Things. That’s where your allegiance and alignment must be. In regard to that, I will be releasing my Spirit in greater measure over time so that more and more of my people become strong in the things of the Spirit. More and more will come into relationship with us so that we work in partnership. More and more of the people of Australia will be flowing in the Spirit and aligning with us so that you’ll see a change in the spiritual atmosphere of your nation. This will work towards The Restoration of All Things, because those who come into this move that I am planning, and have been working on, will be working with us. Their focus will be on us and we’ll work together in teamwork on the plans of impacting the spirit realm and the natural realm in Australia. That will bring The Restoration of All Things closer to fulfilment.

Take your mind off wanting to see more people at your meetings in your church buildings. This [planned move] is about sons coming back into family. This is about the Kingdom of Heaven on Earth impacting Australia, for Heaven’s purposes, for my purposes, not for yours. It will be a wonderful time. There will be opposition, but the fruit will be fantastic.

To prepare for that, change your heart, change your mind. Align with us and focus on what our priorities are, not yours. Think Kingdom, not religion. Think restoration, not revival, and you’ll be part of the impetus to seeing a spiritual move in your nation.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
