MENTORING OTHERS

Mentoring in Sonship: An Example

Mike Parsons[1] runs online mentoring sessions[2] over video conference software.

He talks about some of the mysteries (secrets) of God that he's learnt from being schooled by Father. These and many, many more are what is our right to be privy to, as Kingdom sons.

He uses the term 'mystic' because the word means 'those who know the mysteries of God'. This is what Paul talked about in 1 Corinthians 4[3]. Of course, what the 1st century Christians knew of the mysteries of the Kingdom was only a minuscule amount of all there is to know of the spirit realm and how the Trinity operates and relates to us. There is a 'heap' of knowledge we need to know and come to grips with about our role as sons, priests and kings.

In Mike's session for Thursday 14th May 2020 he answers questions from participants about some important things we need to know as sons. As you watch the session you'll experience what it's like to be reprogrammed so that you align your belief with reality, not religion or the church system.

Here are the important segments of Mike's session. The time slots for each are in square brackets.
