

More On Oneness

Before reading the quote below from Father, read this to get the background:

- “Dreams, Visions and Angelic Visitations”¹

“Father continued, “Any time you have walked by the Spirit in love my will has been done from this place of our ‘oneness’. Anything you do that is of eternal value comes from Me dwelling within you. My work of reconciliation on the earth is in and through the agency of man as He yields, cooperates and allows Me to love the world through them.”

“You have already walked as one with Me in part, but now you must walk as one with Me in fullness. This ‘oneness’ only comes through the perfection of my love abiding in you. He who is perfected in love does not function in fear, nor do they function from a place of duty or guilt. The measure of your love is the extent to which you have walked in ‘oneness’ with Me already.”

“I dwell as one with those of my children who choose to live in my love, even as the Son walked in my love on the earth and was one with Me. There is only one commandment given as defined by the covenant I revealed through my Son, and that is ‘to love one another as I have loved you’ ...”

“The doorway to ‘complete oneness’ opens when you truly believe in My love and quit hiding your wretchedness from Me in fear of judgment and wrath. Only then are you able to release others from your own judgments and love them as I do. While on the earth, my Son judged no one on His own. He simply submitted and chose to do and say what I was doing and saying (John 5:19).”

“You are free to walk in oneness with Me when you completely abandon your own life, opinions, judgments and perceptions of love to receive mine. The greatest hindrance to walking in oneness with Me is relying on your own judgments, understandings, feelings and opinions that you assume are Mine.””²
