

# More on this Current Time in the Kingdom

(February 2022)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### Marsha Burns

(★prophetic downloads recorded in February 2022)

*“In a vision I saw the face of a clock, and I could hear it ticking. I would turn away and look back again at the time, which had barely advanced. And, the Lord said that it may seem like time is almost standing still because you are so anxious to get moving into the next season, but it is not yet time to make significant progress; it is a time of transition and waiting. Some of My people are bored. Some feel aimless because the transitional time has not made a way for movement. Be content because I will show you things internally that must be dealt with right now so that you do not carry them with you into the future.”<sup>2</sup>*

*“It is time for you to become **new wine skins**, for the old wine skins have become dry and hardened and will not be able to expand with the revelation of that which I am doing in this season. So, let your wine skin be renewed by the oil of this moment and the oil that I am providing for you. Let the oil of My touch and My glory soften and refresh you, anoint you, and hold you. Let the oil of My glory come upon you. Be renewed. Be made into a new skin so that you may hold the glory of this season and so you may not only have a taste of it but that you shall become full of it; that you shall contain all that I am doing. Let My glory come upon you and change you, says the Lord God”<sup>3</sup>*

*“Come now, My children, and rise up on your most holy faith. I say this because the world itself is spiraling into the chaos of humanity. And, this will forever get worse as you go to the end of all things. But, you are those who have been justified by your faith. It is a time when you must learn to live absolutely by faith. The word of faith that I have written is the strength and power of this day and you will do well to embrace it and put it to use, says the Lord.”<sup>4</sup>*

## **Anita Alexander**

(★ extract from a prophetic article published in February? 2022?)

*“In times of war we need certain kinds of leaders. Not all leaders are geared for leading through war. Wartime leaders are prepared differently than those who lead in times of peace. They require a different focus, a different heart and a different level of determination and resolve.*

*God is raising up wartime leaders in this hour to lead and help His church navigate victoriously through the battle that wages in this season. The hour is tumultuous and calls for a leadership that is prepared to rise to the occasion...*

*A wartime leader's response to intimidation is different from the majority around them and their predecessors before them. A wartime leader will not retreat and will not sing the tune when the flute plays nor will bow the knee to the Babylonian GOLDEN statue.*

*A wartime leader like David is prepared for such a time. They are prepared in the contrary place of the wilderness. Because they are called to rise in a contrary hour to bring deliverance against the flow of fear, intimidation, chaos and confusion.*

*Those who know the comfortability of favour and esteem, are not prepared for such wars. In fact they don't even want to go to war and would rather just submit to an unrighteous demonic principality – in the false “name of honour”, instead of facing the winds of opposition that come with standing up and fighting.*

*The Lord began speaking this word to me in December of 2019...After seeking God's heart in enquiry on this matter the Lord said, “War is coming and my church are going to need a new breed of leadership. I am raising up wartime leaders, who will fearlessly and selflessly lead her through the darkest hour.”*

*For two years now, the Lord has been speaking to me about wartime leaders and how the church are going to need them in this coming hour. "All those who I have prepared are going to surface for such a time as this. They will lead my people as Esther did into great deliverance and victory." ...*

*Now I am not insinuating by any measure the Lord is raising up scotch drinking, cigar smoking, cranky, unmannered leaders in His church [like Winston Churchill] to lead her in a time of war. But what I am saying is that these war time leaders God is bringing on the scene will look different to the leadership of this past season.*

*They may have had an imperfect past and have been humbled by their own misfortunes. The rejection by the majority because of their mistakes only served to refine them to have greater resolve and thicker skin, purging out of them all desire for the praises of men, and selfish ambition, in turn liberating them to pursue the greater cause of the kingdom.*

*They have a fire in their belly that makes the complacent and religious uncomfortable. Refusing to play the game and toe the line to church cultural political correctness, they challenge the systems that allow the threshing to be hidden in the winepress. They are calling out the church to stand and fight.*

*They will confront principalities head on and having a forehead like flint, will empower the church to rise up and do the same. They will bring solace to those who mourn because the devil has been wreaking havoc in their families. They will declare the day of deliverance has come and the avenger is nigh.*

*The word the Lord gave me for this season is that He is about to perform against the norm.*

*These wartime leaders the Lord is raising up will not be the norm. They are not married to a system nor in captivity to reputation. They will serve the people and act as the refreshing breath of God that Ezekiel saw come on the dry bones that resurrected a mighty army, the nation of God's people.*

*They will invoke hope to a people once again by their fearless resolve to believe God at His word no matter the cost. They will not retreat in the face of fear. They will be persecuted, rejected, ridiculed, scorned and mocked by the cowardly, new age, antichrist serving, toeing the political demonic line pseudo church.*

*But they are ready. They are prepared. Because they have been prepared in the contrary place. They are like a horse in a gate, biting at the bit, saying "bring it on, who shall defy the armies of the living God!"*<sup>5</sup>

(★ extract from a prophetic message published on 17-2-2022)

*"Last week I was asking the Lord what was on His heart for the pioneers when my spirit began to flood with His thoughts and insight, so I quickly took out my phone and wrote down what came to me.*

*The first thing I received was a vision in which I was holding a pen, a key and a book opened in the middle to a new chapter with blank pages. I instantly knew we were shifting from one chapter to another; there is something God wants us to pioneer this year onward to fill those pages.*

*As I was thinking about this, I heard these words in my spirit: "It's up to us to write the future. We must write history!" We aren't powerless in the storyline that's taking place right now; in fact, God wants us to be the writers and authors with Him of what takes place.*

*Pioneers, you are God's pen, and this year He is anointing you to be His vessels of glorious poetry to usher His heart into the earth.*<sup>6</sup>

*In the last few years, there has been a major attack against the pioneer's pen, the creatives and the ones called to write history with God through the unique expressions He has given us all. But in this new chapter, the pages will be filled with the words, topics, themes and language of a new day and hour...*

*The key I saw is the authority God is reminding us that we have. It's the Isaiah 22:22 (NIV) key of David, which is a governmental key that changes everything it locks or unlock.*<sup>7</sup>

*This speaks to me of our role to impact and change the storyline taking place in the earth and around us. We get to shut doors and open them. We get to determine what is allowed and what is not, and what is acceptable and what is not.*

*This new chapter slams the door to the era of powerlessness in the church. It is the Father handing us the keys to the kingdom, saying, "OK, mighty ones, it's your time to step up with the authority I have given you through the blood of the Lamb!"*

*Then I heard the Lord say, "This year sets the stage. What you write and legislate from the heavens will become the cornerstone for the days to come."*

*We have the responsibility to set in motion the things God has on His heart, but with that comes the reality that if we don't, then something else will fill that vacuum. Will we author heaven to earth this year, or will we allow man's ways and methods—or worse, the enemy, to fill that void?*

*I believe this "setting the stage" means that we have been called to lay a foundation, lay the groundwork or establish a precedent. What comes into my spirit is the call to break new ground and pave a new path, or way, forward that the body of Christ will walk in.*

*How do we set the stage? We have to recognize the areas in which God is asking us to prepare for the new. We have to sow into tomorrow by planting seeds now. The crops of the last season have ripened and are beginning to droop. It's time to break new ground and plant what we want to see become a harvest in the days ahead.*

*This is the "decider" year; a year to determine what doors we will open and walk in and what doors and areas we will need to shut. It's a "stock-take" year of removing the unnecessary extra baggage from the church and casting it away. We must shift our perspective and position. We have been so focused on the fruit and trying to hoard more fruit that we have forgotten to plant the seeds that others will feed off in the days to come.*

5 – "The New Breed Of War Time Leaders" [www.facebook.com/100050924893159/posts/482717526769073](https://www.facebook.com/100050924893159/posts/482717526769073)

6 – "We have become His poetry, a re-created people that will fulfill the destiny He has given each of us." (Ephesians 2:10a, TPT)

7 – "I will place on his shoulder the key to the house of David; what he opens no one can shut, and what he shuts no one can open."

*As the Lord continued to speak, I sensed a greater tension coming upon the pioneers. It was the tension of the call to go deeper while also feeling the call to launch out farther. It was the call to the secret place and the clarion call of the hour to live at His feet more than seeking the public place—but at the same time, not sitting still or being inactive...*

*Many pioneers have mistaken this tension as inner conflict, but you need to know that this is simply the pull of the new chapter and the reality of what you are seeing and experiencing in the now. This tension will make you feel uncomfortable at times, but it is harpooning you to the future that you are the representative for. That's right; God is planting you in the future, and you will learn to navigate that line between what is coming and what you see.*

*This tension will cause you to feel deeply dissatisfied and unable to settle in the wilderness; it will uproot all places of potential apathy in your life. But the good news is that you will see the goodness of God.”<sup>8</sup>*

## **CCOP**

(★ Message received on 16-2-2022)

**Background:** *The Spirit gave us the question, ‘What is our plumbline?’, so we waited for our King to provide the answer, which is the message below.*

### **Message**

*“I have a plumbline and it’s staring you in the face. For millennia my people have been looking at plumbines, other than the ones that I’ve set before them. The main plumbline for you to measure everything, including you lives, is love. Not earthly love, not sexual love, not emotional love, but my love.*

*My love is palpable. When you connect with somebody who distributes my love, you will feel it. It’s like coming into my presence when you’re with them. This is the plumbline I gave my disciples. [Unfortunately]<sup>9</sup> it has been set up as (turned into)<sup>10</sup> a law, and made legalistic, when it’s [really] about filling yourself up with my love and allowing me to pour it out on everyone you meet, and on every situation that you’re in.*

*We have been instructing you about love and the importance of it for quite sometime now, because that is the weapon that you use to defeat the culture around you and oppositions to your faith. It’s the weapon I used when I was on Earth. Which brings me to your second plumbline.*

*I am your second plumbline. When I was Jesus of Nazareth, I demonstrated what life should be like. I demonstrated in a practical way how to live in the Kingdom. And, as you have all been brought into the Kingdom, when you chose to make me your Lord and King, I am your plumbline. Read up on how I interacted with others. Read up on how I spoke. Look for how I dealt with issues with forgiveness and grace and mercy, how I was compassionate to everyone.*

*I opposed religion because religion is fake, it’s a substitute for life in the Kingdom. We never set up any religion and the New Covenant which I introduced, was to be an open relationship with us, not a religion. So, for that matter, religion is NOT your plumbline and those who are religious, are not your benchmark. I am your prototype, your benchmark, the one you model your life on. There is no other. Don't look to men, look to me. Men will cause you to be sidelined, whereas, I won't.*

*The other plumbline that you are to assess everything with is, “Is it righteous. Does it belong in the Kingdom of Heaven, and therefore in the Kingdom of Heaven on Earth?” That requires discernment, which is why I released my Spirit to you all, and why I said that my Spirit will lead you into all truth, and will teach you everything you need to know. So, if he speaks to you personally or corporately, and you discern that it is from him, and therefore from me, that is a plumbline.*

*That is my message to you, which you need to align with, and carry out.”*

## ADDENDUM: People, Plumblines & Alignment

(Advice also received on the practical use of plumblines)

*“The plumblines that you measure people with are the characters that I displayed: Grace or graciousness, mercy and forgiveness. These are the things that you measure the stature of the lives of the people that you meet with. Do they operate in these? And, to what level do they operate?”<sup>11</sup>*

*Remember that I am wanting you to become like me, as I was. That’s not my ministry, which you read in the Gospels, it’s how I lived as a human being in close and intimate relationship with my Father – in oneness with him. Is your life moving more and more in that direction? When you can say [the components of your life]<sup>12</sup> are lining up with me, the plumblines is me.*

*The other plumblines is my rhema to you – my words to you, what I speak to you. That is how you measure things. When I tell you the way things are to be, and things line up with that, then you can see that they are right. If I tell you things about situations, circumstances, people, and your life doesn’t measure up to that, then you’re out of alignment with what I’ve spoken to you and you’re not in alignment with that plumblines.*

*You can see that there are quite a few measuring instruments that you can use to look at what’s upright<sup>13</sup> and what’s in alignment with me. After all, that’s what a plumblines is used for in construction – it tells you whether something lines up.*

*I’ve been admonishing you for many years now to align with me, so I will add that as the last plumblines. Are you aligning with me in your life for what I have for your city, your nation and the world. If you’re aligning with that, with your heart, mind and soul, then you’re aligning in the right way.”<sup>14</sup>*

>> **There’s more to come, but you must keep watching and listening for yourself** <<
