

More on this Current Time in the Kingdom

(November 2022)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Marsha Burns

(★ Prophetic downloads recorded in November 2022)

“Prepare yourself for another shift in your life experiences and circumstances. Your inclination will be to hang on to what is familiar and safe, but you must move with the flow of My Spirit without fear or trepidation. Trust Me to re-establish you on higher ground and a firm foundation.”²

“In my spirit I keep hearing the phrase “new heights and new horizons”. I believe we are at the beginning of a new spiritual ride that will take us to new heights where we can see beyond our limited view. We will have the opportunity to embrace a higher purpose and expanded vision of spiritual truth about ourselves and our future as we walk in the Spirit and seek the face of the Lord.”³

“What you have endured has equipped you for the next phase of your existence. Your strength and endurance was greater than you ever thought possible. This was a time of preparation for changes that will be necessary in the days ahead. You have come through strong and resolute. Continue to stand strong and unafraid.”⁴

[This was a personal message to Deborah. However, there are some relevant points in it for us to take note of.]

*“Beloved. **I am taking you back to your origins**. The very Creation groans to work again as I intended. The very essence of My Presence is Shalom Peace. I am the God of Perfect Peace, the Sar Shalom, the*

Prince of Peace. The Son of God came to restore this Shalom to the earth once again. I created all things, My Child, and I created you. I saw all that I created and it was very good.

*The enemy came to kill, steal, and destroy in the Garden. The fall of man happened. But I had a plan. The Son came to restore LIFE and LIFE abundantly. He came to reverse what the enemy meant for evil. I am not a God bound by time. When My Son was raised from the dead, TIME was stopped for that instant. In that great Holy Burst of Glory and Heavenly Energy, **the fall was reversed**, My Child!*

For it is written, "For if by the one man's offense death reigned through the one, much more those who receive abundance of grace and of the gift of righteousness will REIGN in life through the One, Jesus Christ." Oh yes, My Child. Do you see? You REIGN in Resurrection Power! I am not a man that I would lie. My Word is Truth. When the Heavenly Hosts announced, "Peace on earth", they were proclaiming that My Shalom shall REIGN again! ...

*Come, **let us walk in the Garden again**, My Child. It is the Secret Place where Perfect Peace reigns supreme. My Shalom transcends ALL earthly understanding. Allow Me to restore and refresh you...*

The Earth groans for the manifestation of My sons and daughters to take their place." ⁵

"In the midst of chaos, global downturn and even famine, My people will have economic expansion. I am giving heavenly downloads and strategic ideas to prosper My people. They must discern the opportunities that I am presenting to them. Don't miss this moment. Innovation and creativity will be stirred and flow through them for this hour. There will be favor upon My church, and the world will take notice. It is necessary for your ear to be tuned to the frequency of the Holy Spirit, for He will lead and guide you into the right moment to seize your God-given opportunity. Do not be afraid to step into it! Reject and bind the spirit of fear. Its grip will keep you locked out, but faith in My Word is the key that opens the doors I have prepared for you...

I will give creative concepts and witty inventions that will cause My people to prosper...

Be careful to what voice and reports you listen to in this hour. Spend time seeking after Me and listening for My voice. This will tune your ears to hear, and you will find Me." ⁶

"The Lord has been speaking to me a lot lately about many are now entering into a "SEASON OF REWARD" ...

The Lord showed me MANY in the body of Christ who have walked some of the darkest, hardest, fiery seasons. I saw many in deep, deep valleys.

I saw many in the hardest battles of their lives, facedown, many despondent, many broken, many discouraged, but the WHOLE WAY THROUGH their process and journey, I saw a LOUD YES RESOUNDING from their hearts to heaven. No matter what they have walked, no matter the fire they faced, THEY DID NOT CHANGE THEIR YES TO JESUS!!!!

Even in the disappointment, in the discouragement, in the hardship and temptation to give up, they REMAINED in the place of FAITH even with a WHISPER of a YES!

Throughout it all, these ones have truly sought Him. They have chased hard after Him and His heart despite the hardship. They found the fourth man in the fire, but there is a whole new level of encounter with Jesus and the heart of God upon MANY.

Get ready for MORE! Get ready to know Him and His heart in even deeper ways than you have ever

dreamed.

I heard the Lord say that the season of fighting for your life is over and the SEASON OF REWARD HAS BEGUN!!!!

The Lord spoke to me that these ones that have walked through these incredibly difficult times this year and are entering into their season of reward and have not given up are moving into Galatians 6:9...

I heard the Lord say... "Many in those difficult and weary times continued to plant good seeds, NOW the season of REAPING is upon them. It is time for the WONDERFUL HARVEST!"

I saw all the resounding "YES" that were going up to the Lord from the hearts and mouths of God's people through what they walked through, and now the MANIFESTATION of the YES of God was falling upon them RAPIDLY in this season.

Many are beginning to see and are going to SEE with their physical eyes the REWARD of the seeds they have planted. Your eyes will FALL upon the harvest. It is upon you! ...

The Lord showed me how He has been watching the stewardship in this season of what He has given to His people in MANY areas. I have felt a weighty emphasis from the heart of God more than ever in this season to be stewarding what He has placed in our hands with integrity, purity and character.

Not perfectionism, but excellence, in worship to Him.

He showed me that MANY are about to receive more than they have dreamed, because they have stewarded what He has given them with integrity, faith, purity, humility and character.

Even with the "little" that many feel they have been carrying, the Lord is well pleased and is now bringing greater increase...

Many of you are now entering into a season of greater increase of what the Lord will entrust to you.

Increase, favour and multiplication is being given to you.

The favour that the Lord is releasing upon you, the increase He is giving you, will not only be in the areas you have stewarded well, but get ready for NEW AREAS." 7

Mike Parsons

(★ Extract from a prophetic video published on 24-11-2022)

"Ultimately God's at work in everyone to reveal himself. So, he doesn't want anyone to suffer. He wants everyone to be in health. We're all his children, so he's designed creation for his children to live in. And there are those who are more in tune with that, because they're less religious, generally. And religion just stifles all this stuff.

I've been in talking to people who are ministering healing to people through sound or whatever, and they don't know God, but they know there's something. And their heart is aligned to God, because God wants to heal. I know they're not leaving a negative deposit because I've talked to them and I've engaged with them. I know there are some who may have an ulterior motive, who are not seeking to do good. Well, they're not really connected to God. You know Jesus' disciples were saying, "Well these people are doing this. It's like, tell them to stop". And Jesus said, "Well, if they're if they're not against us, they're for us."

You see, these people are not against God. They're not against Jesus, and they're doing good things. So why should we think that there's not God at the heart of that? Because if someone has a desire to bring healing to someone, I guarantee that desire is coming from God, who's in them. They may not know that it's coming from that light, but that 'where the light is, because there's nothing good other than God. Man has no capacity to do good, other than God. But God is in all his children, looking to outwork his desire of a relationship in them and through them.

So rather than telling those people they're all wrong, let's try and connect them to the reality of the light that they are shining." 8

(★ Message received on 9-11-2022)

“Revival is a topic my people have been discussing and praying for many, many decades. The problem is, the idea does not coincide with me – it doesn’t align with my thoughts and my plans. You see, in the Kingdom (the Kingdom of Heaven on Earth), things are done my way. If my people purport to represent me, they need to find out from me how I want things done, so they can work with me in partnership and see things fulfilled. If they don’t work that way, they’ll actually be working against me. That’s precisely what my Son told his disciples – if you don’t work with me and you’re not for me, then you’re actually against me. That may be hard to take, but that’s the reality. That’s the way the spirit realm works [and] that’s the way Heaven works. As my people are part of Heaven on Earth, and as they are representing me as my sons, alignment with me in absolutely everything is critical. Heaven works with me and my people on Earth need to work with me as well.

Now, in regard to revival, I’m not looking to revive something that was put together by human beings. I’m not looking to revive religion, in any way, shape or form. In fact, I’m not into revival. My main aim has always been restoration, to restore things back to the way they were. That’s precisely the reason I sent my Son, because I want my sons, my children who were lost, to return to me and to be able to operate as sons, and to relate to me as sons. That’s what the Kingdom is all about – I have brought my sons back into my family, as the parable explains. That was a process of restoration, restoring sons, as Adam was before The Fall (as you call it).

What I’m looking to do in Australia and around the world, is to restore the natural realm – every component of it – so that it is as it was at Creation. This is where I’m heading. This is my main plan. You call it The Restoration of All Things, and that is a good description. That’s what you should be focusing on, not church revival, because church revival, as you’ve seen from the past, over the centuries, degenerates back into religion. It starts off with a move of my Spirit, but in the next generation it fades, and in a very short space of time, it becomes religion again. I’m not into religion. I never instigated religion. It has never been my desire. It’s been the desire of human beings, on every occasion, to create religion, including the Children of Israel.

Take your mind off church revival. Focus on The Restoration of All Things. That’s where your allegiance and alignment must be. In regard to that, I will be releasing my Spirit in greater measure over time so that more and more of my people become strong in the things of the Spirit. More and more will come into relationship with us so that we work in partnership. More and more of the people of Australia will be flowing in the Spirit and aligning with us so that you’ll see a change in the spiritual atmosphere of your nation. This will work towards The Restoration of All Things, because those who come into this move that I am planning, and have been working on, will be working with us. Their focus will be on us and we’ll work together in teamwork on the plans of impacting the spirit realm and the natural realm in Australia. That will bring The Restoration of All Things closer to fulfilment.

Take your mind off wanting to see more people at your meetings in your church buildings. This [planned move] is about sons coming back into family. This is about the Kingdom of Heaven on Earth impacting Australia, for Heaven’s purposes, for my purposes, not for yours. It will be a wonderful time. There will be opposition, but the fruit will be fantastic.

To prepare for that, change your heart, change your mind. Align with us and focus on what our priorities are, not yours. Think Kingdom, not religion. Think restoration, not revival, and you’ll be part of the impetus to seeing a spiritual move in your nation.”⁹

“I created your imagination. Your imagination allows you to be creative, as we are creative. You were made in our image and likeness, and your imagination and creativity are part of that.

It is true that you can use your imagination and creativity for the wrong purposes, and that’s what makes it unrighteous. But, like life, which we created for you to enjoy, we want you to use your imagination

9 – MESSAGE: “What Revival?” canberraforerunners.org/wp-content/uploads/MESSAGE-What-Revival-9-11-2022.pdf

righteously. You could call it 'holy imagination' because you're using it as we want you to. In that way, it's sanctified, it's righteous.

As time moves on and we make changes in what we are doing on planet Earth, we'll need your imagination to be active. Because, if you're not imagining what we are talking to you about, you'll not be able to see it in 'your mind's eye', and you'll drift [back]¹⁰ into the past to things that you know. As we speak to you of things, we want you to meditate on those, and part of that meditation will be imagining them.

Your imagination is powerful when it's under our oversight, and when your spirit is using it. We'll teach you how to use your imagination so it's being used appropriately, and it's actually doing what we created it to do.

As many around the world have experienced, there's so much more to life in the Kingdom, life as a son, than just living on Earth, going about your daily business. Sonship also includes being involved with us in The Restoration of All Things and in the management of the cosmos. This is what you were created for – managing. Unless you can use your imagination, and see yourself managing your own personal kingdom, and managing what we have for your to do in your nation and elsewhere, you won't be encouraged to align with us and work with us so that it comes about.

Your imagination will 'push' you forward in the things we talk to you about, and the things we tell you we have planned for you. You will desire those things because you'll be able to see them in your 'mind's eye', and you'll want to move forward with us. This is no different to a young child imagining something and getting excited about it and getting involved. Not that you are childish, but your life at the moment is quite simple. There's so much more for you to know, so much more for you to learn. Using your mind and your imagination is part of that [learning].

Don't destroy your imagination and not use it. Many of the inspirations that we 'drop' into you, for you to do, come through your imagination. You may not be aware of that, but you can be walking along and suddenly imagine something. As you assess that, you may very well find that it's something we've placed inside you, and it's something that we're planning for you to do.

So, as you work with us and in your alignment with us, align your imagination as well as your mind, your soul, your body, your thoughts and your heart. That's because your imagination is part of you that we created, and we want to use your imagination. That may not make much sense at the moment, but as you submit your imagination to us, and allow us to teach you personally, Spirit-to-spirit, and as you experience using your imagination with us, you'll come to an 'ah-ha' moment, and you'll realize, "Wow. I haven't been using my imagination as it was created to be, and this is excellent."

Allow us to teach you about things, including your imagination, and you'll grow and develop in your sonship, rather than to be stunted¹¹ by what others teach you."¹²

"We know a recession is coming, but God is going to use it to cause people to transition. He has new opportunities for many – new relationships and new places to live for some. We're going to see huge transfer of people moving from one city to another, from one church to another. Now, we've seen this the last couple years. We're going to see one more year of it, 2023, in a major way. A financial famine is coming and it's going to come over different parts of the world. And for some, God's using the season of

11 – The original word received was 'stilted' meaning 'artificial' or 'lofty'. That's accurate, in relation to the things that religion teaches, as opposed to teaching received from The Truth himself. I changed it to 'stunted' so there was no confusion in reading the sentence, indicating how that type of teaching limits what we know of reality.
