

More on this Current Time in the Kingdom

(April 2024)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

NOTE: There are very, very few prophetic messages around of relevance to what's going on in the Kingdom right now.

In addition, I have not included any that don't measure up to a good standard of Kingdom style. (See my article 'An Assessment of the Current State of the Prophetic'² for more information)

KINGDOM MESSAGES

King's Counsel (Canberra)

(★ Message received on 20-3-2024)

"I'm still shaking, and I'll continue to shake, as a person shakes fleas out of a dog's rug, or shakes dust out of a carpet. It's only once things are shaken that the hidden things are exposed because they're seen in the light of day.

I'm doing this in your nation because there are things which are hidden and covert,³ that are not in front of the public's eye. These things are political, ideological and spiritual, and they need to be brought out into the open for all my people to see, because they are meant to work with me to oversee their cities and their nation. That is the job of the ekklesia. I created humanity as planet-managers, as imagers⁴ of ourselves, and gave them responsibility.

My Son, in the work that he did as Jesus of Nazareth, restored the role of humanity to be in charge. So, I need my people to rise up to that understanding, so I can train them to be able to work with me, so the things that are seen, which are unrighteous, can be handled appropriately as we work together as a team.

I know this is a 'big ask' – it's quite daunting – but once you come into the Kingdom, it's not 'a vote for Jesus', as some would 'melt' it down to be. Instead, it's a step up – a huge step up – one with large responsibilities, not only in life and family, but in the safety and the prosperity of your cities and nation. This understanding must come through to my people, and they must submit to me to be trained to take on those roles.

4 – 'Imagers': The technical term for those made in the Trinity's image and who are meant to display that image for all to see.

It is true that the angels and ourselves are working with the nation and your cities, but the fact is, unless my people work with us, we are not able to achieve everything that we would like to achieve. You ask, “Why?” Because we set things up at Creation for humanity to work with us in that rulership role, and it hasn't changed.

The spiritual nature of your cities and nation depends on my people working with us, aligning with us,⁵ so that I can work through them in our connectedness, so that the spiritual atmosphere changes. But, while ever my people are chasing after religious ideas⁶, and living a religious life, rather than living as sons, we're not able to achieve what we want to achieve. So, unfortunately, the dire state of your nation, your states, and your cities, is a reflection of their lack of co-ordination with us.

So, we continue to bring to your attention what's going on, what's hidden, what's 'under the carpet'⁷, so that you know what to work with us on. But that teamwork must come in co-ordination with us. The propensity of my people to do things on their own, whatever they think should be done, in praying against this and praying against that, and demanding this and demanding that, is the 'shotgun approach' that does little to no good at all.

As we continue to shake everything in Australia – and in everyone's lives, by the way – what's exposed needs to be dealt with, one at a time, one at a time,⁸ in co-ordination with us, so that the spiritual atmosphere will change in your cities, in your states and in your nation. This leads up the The Restoration of All Things,⁹ but it requires my people to align with us, as I've been saying for many years. Because, if you're not working with us, then you're not for us, and you work against us. It's as simple as that.

So, don't 'throw up your hands'¹⁰ in fear and anxiousness at what's going on in your cities, your states and your nation, because we're showing you what's there, we're exposing things. They're exposed for you to realise, to see, and to know, so you can work with us in a network of sons, to see your nation change as we deal with things, one at a time.

As a last point, it's ineffective for my people to demand that we do everything, to make repairs and to fix the problems in your nation. The solution is in their hands, to align with us, to allow us to train them to work with us in their role as sons. Then they'll be able to see changes [take place], and they'll be part of the clean-up team.”¹¹
