

# More on this Current Time in the Kingdom

(June 2022)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### **Marsha Burns**

(★prophetic downloads recorded in June 2022)

*“Prepare for change, whether welcomed or not. It is a time to be fluid and flexible. Allow Me to move you to conform more completely to My will and purpose for you. Your sense of stability should not depend on your physical and natural conditions but in your spiritual and eternal position.”<sup>2</sup>*

### **Dontrell Green**

(★ extract from a prophetic message published on 15-6-2022)

*“I am raising up a new breed of apostolic and prophetic ones who will emerge upon the forefront for such a time as this. A new breed and a new generation will pioneer and build a new legacy, as well as a new dynasty in the earth, for the advancement of My kingdom,” says the Lord.*

*“Yet once more, I will do a new thing through this new breed of fire ones, who have accepted their assignment without any hesitation, but with open arms and with participation, they have yielded themselves unto Me. For I am no respecter of persons, nor am I looking for those who feel as if they have it all together; but with great obedience and a heart yielded unto Me, I have found a new breed who will soon lead My people unto a place of victory and glory.*

*“They will emerge on the scene, strengthening the body of Christ and giving the world new strategies and solutions that will shape cultures and societies in new ways, which many can only imagine.*

*“These new 'sent ones' are those who have been forgotten—the underdogs—and those whom many have written off. But I, the Lord thy God, will cause favor to come upon them, and cause My hand to lead them into a place of greatness and success as they carry out My plans for all humanity. For, in fact, I have consecrated them unto Myself and have marked them in a time when the world needs them most. Make no mistake about it, this new breed will succeed,” says the Spirit of the living God.”<sup>3</sup>*

## **Mike Parsons**

(★ Extract from a transcript of prophetic teaching published on 12-6-2022 )

*“The more we mature...the more you know who you are, the more it is easier to stay on the track that is taking you, and you're not tempted then to go off into where someone else is and do something because someone else is doing it. So I do feel that the more we know ourselves, the more we are close to the Father's heart, the easier it is just keep walking with him, and we'll walk wherever he goes. That's the key.*

*Personally, I'm just walking close, staying in step, not going ahead, not lagging behind, and therefore, wherever it goes I'm very much entrusting that it'll be good and that'll be where the Father wants to lead me. Now that being said, I do feel that the Father does give you bigger pictures of wider things, and it depends where someone is to how much they see of that, in regards to where their journey is. Because it's like, if I just keep doing the things that God has me to do, being who I am, then eventually, I'll fulfil everything God's called me to do, whether I see the bigger picture or not. But part of my thing is to engage with other people and help them, so having a perspective on the bigger picture is good [for them].*

*So for me, I see what God has been doing over the last number of years, is freeing people from three major areas where they're in bondage. One is the religious. So, he's setting free people, free from the effects of the religious spirit and the religious system in their lives. Freeing them from Old Covenant mentality and bringing them into the fullness. The other is the financial. I think God is preparing people to come out of the world's financial system, be reliant on it, and be working it, to find how the economy of God works. Therefore, I think people are being challenged to look at how they have managed finance, been caught up in the church financial systems (the whole tithing issue and all of that) and realizing that that's Old Covenant. We don't need to be in that, unless Father asked you to for some reason. That's part of that, but also the world system and how the system of the world works, is controlled by the financial systems, which then controls through division, competition, conflict and tribalism. I feel God is highlighting that. So, he's highlighting and exposing the way the financial system has controlled the world and particularly conflict, and it makes money out of usury, which is never God's desire that we should be making money off other people. We should be to bless people, not making money off them through interest, effectively. Well, that's the whole world banking system right there – it's making money on interest which I don't believe is God's heart. So, you have all that, and then that out works in lots of different areas.*

*So, I think that's one area, and the religious is the other, and the third one is the political one. I think God is showing people that the systems that the world has developed, to manage itself humanistically speaking, are not going to work and don't work. There may be some that are better than others, but they're never going to be the answer. The Kingdom of God is the only answer and that's definitely not the same as an external political system. Therefore, the Kingdom of God is not a system of control. I think, when we see that sonship and the mandate of sonship is to subdue and to rule, or have dominion, is not to have dominion over other people. So there's no hierarchical system of dominion of controlling people. Therefore, the Kingdom is about releasing blessing to people. It's to provide an environment where the world will be absolutely fruitful and everyone will be able to be fulfilled in their identity in God. That is what the Kingdom is about. It's not another governmental system of control and rulership. So, I think God is weaning people off, revealing, exposing, showing people that what we've probably put our trust in, in the religious, financial and political systems, are not the Kingdom of God.”<sup>4</sup>*

*“I think God is just revealing where we fit within helping creation to be free from its bondage to corruption, into the freedom of the glory of the children of God. So, our glory, [which] is our identity and who we are, is what will eventually bring freedom to creation. So, our freedom is bringing freedom in a wider sense. So, I do feel that's a really major area where we're beginning to become more responsible, not in a heavy duty type of, “Oh no. I'm responsible”, but, “Hey, look at what we can do to re-engage with creation and its frequencies and its beings and the sentience of it and to reconnect to it and eventually to see the kingdom expand and fill creation.” Because it's not going to be restricted to the Earth. It's going to go beyond, to fill all things.”<sup>5</sup>*

## **Lorilei Cooley**

(★ Extract from a prophetic article published on 18-6-2022)

*“There is **unprecedented change** that is here, change that you never thought would even happen is here. The Lord is changing your current reality to accommodate what He is spoken and what He has promised you. You are at the very verge of seeing the most unexplainable and undeniable demonstrations of His power. He is moving right now to bring you from being on the sidelines of waiting to walking into true fulfillment of what He has spoken. He is clearing the way, removing the clutter and the confusion, the trauma, the despair, and bringing you into completeness and fulfillment of **His word...**”*

*The atmosphere is so weighty with the manifestation of what He has spoken, that expectancy is more evident now than it has ever been than any other season that you have ever walked through. This is your season to see **all things that He has spoken to you** come to pass.”<sup>6</sup>*

## **Daniel Pontious**

(★ Prophetic download extracted from a publication of 23-6-2022)

*“You speak it Daniel! Start calling things that be not as though they were! For it is in this generation that I am raising up sons and daughters **who will speak at my leading and instructions, they will not speak their own message but they will declare only what they hear from me** and as they declare what I have commanded them to say, they will begin to see the demonstration of my Spirit and power come upon whatever I have commanded them to speak to!”<sup>7</sup>*

## **CCOP**

(★ Message received on 22-6-2022)

*““This is the time I’ve been waiting for, and literally, I’m excited. I will see many of my plans come to fruition in the days ahead and the years ahead.*

*I have at last got my people moving in the right direction, listening to me, working with me, and partnering with me. That’s what I wanted all along.*

*There’s no time to ‘dilly-dally’, to waste, to spend on yourself, to spend on superfluous matters, on things that are not essential for the Kingdom. Unless we have focus together, what I want to release and am about to release, will be slow or will be held up.*

*I anticipate there will be problems. There will be resistance to what I am doing. From experience, that is to be expected. Your human reactions, your desire to follow your heart and your soul and your mind, will prevent many from accepting what I’m about to do. Sure, they will see wonderful things happening, but reticence will keep them ‘boxed up’.*

*I desire for you to drop down all those barriers that you have that are preventing me from reaching you. You want the abundant life of the Kingdom that I promised, but you shut me out. This can’t happen. Those ‘walls’ must come down. Those barriers must evaporate so that we can work together, so that the glory I want to release, the wonders I want to release, the great move of my Spirit that I want to release, can take place. Remember; I work through you and I work with you. I created you to be my partners in the management of the [entire]<sup>8</sup> natural realm.*

*So, I’m admonishing<sup>9</sup> you to change your ways, change the way you think. Think like me – that’s what renewing your mind is all about. Then you’ll be able to think like me. You’ll be able to see like I see, and you’ll be able to react to things the right way. In most cases you’ll respond from my heart.*

*This is what’s necessary for what’s coming, so prepare yourself for a move that I’m going to do worldwide. It*

will start in places, here and there, but it will spread. Prepare yourself by preparing your heart to be mine.<sup>10</sup> I can't work with a divided heart<sup>11</sup>. Accept me as your beloved and set your priorities as my priorities. That doesn't mean you don't enjoy life. Enjoy life with me, not with me as an addition.

We're going to go into this time together. It will be exciting, and it will be a blessing to the whole of the human race. It will even be a blessing to [all] the natural realm, as my sons rise up in maturity, and the natural realm responds with joy.

This is part of the move towards The Restoration of All Things. If you haven't got your mind around that, you need to, because that's where I'm headed. I want to reverse the effects of The Fall, and bring the whole of humanity back to where they were when I created them. This will be a slow process, a very slow process, because of resistance. But this is where I'm taking you. I need you to see that. I need you to align with that. I need that to be a priority in your whole being.

Look forward<sup>12</sup> to what I'm about to do. It's coming. Prepare yourself in every respect. Ready yourself, but don't put aside the things that are your responsibilities in the natural. That's not what I want. Focus on me. Focus on what I want. Focus on my plans. Focus on what I've told you, what I've spoken to you about personally. Let's move into this time together. I'm excited. Get excited [too].”<sup>13</sup>
