

More on this Current Time in the Kingdom

(September 2021)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Kriston Couchey

(★ extract from a prophetic article published on 4-1-2011)

“THE POINT OF NO RETURN

*Just as Jesus came bringing a new day, so today is the day we are stepping into the fullness of His purposes that changes everything. There is no going back to yesterdays anointing. There is no going back to the church age. The kingdom age is HERE. The Day of the Lord is at hand. Our vision and destiny are laid at the feet of the king and He is giving us clarified vision as to His purposes and destiny within us. He is bringing heaven to earth, and the reality of heaven is now colliding with the earth in a way that changes everything for eternity. This place of heaven on earth has been birthed within His people, but it will grow to fully manifest Christ in His body unto all creation. There is no going back, only joyous expectation.”*²

Kriston Couchey

(★ Statements from his prophetic book published in June 2021)

““You have been a witness to the truth”, He said. “Up till now you have been given revelation as a witness to others of the Truth I have been speaking to them. By the mouth of two or three is something established; my Spirit, and the revelation given to my countless witnesses, have helped establish my kingdom in the hearts of many of my children who have been seeking me. But, the day of simply being a

witness of revelation alone is coming to an end and the day of the manifestation of that revelation is beginning.””³

“I asked, “How will You send Your judgment?” Father replied, “Behold My judgment!” I turned to look behind me and saw a great host waiting with the fire of God in their eyes. He continued, “Here is the Bride, the New Jerusalem. She is My instrument of judgment on the earth. As the New Jerusalem descends onto the plain below, notice that she is not leaving this Mountain, but she is bringing it with her. Wherever she goes My rule will be established and My glory upon her shall judge and cleanse the inhabitants of the earth. “Jesus now began to speak, “Just as I was sent by My Father into the world to save it and not condemn it, so I am sending My Bride with redemption and restoration for whoever will receive it. My Bride comes to freely offer the water of life to whoever will let Me quench their needs. But remember that I also came ‘to destroy the works of the evil one’, so I am sending those who are one with Me to execute on earth the sentence of judgment I have already pronounced from the heavens upon Babylon. You will release upon the earth what is already released in heaven and you will forbid on earth what is already forbidden in heaven. In this way, heaven is coming to earth.””⁴

“TIMES OF SHAKING

The trouble that is coming upon the earth is the result of the powers of the earth shaking as the kingdom of God comes forth. The dissolution of all things built upon the wisdom and works of men is unavoidable as this age unfolds. The institutions in which men have placed their full confidence will be exposed as no longer being places of refuge and provision.

These troubles will first serve as a purging to the household of Father, as He allows the enemy intent on clinging to power to test and trouble His people. This trouble will serve to wake up and arise to our true identity and destiny as sons and daughters of God. Yet, Father is visiting His house in the midst of trouble with great mercy and justice to bring forth a people who overcome.

Our first priority is not to stop the shaking, but to become a place of refuge and strength for mankind to find peace and rest in the midst of the trouble and shaking.”⁵

“The changes that take place at this time will require all of the concentration that you can muster. You must be focused and deliberately walk and live in My Spirit. Your nature must become My nature if we are to become One. You cannot walk in the Spirit and still try to gain access from outside of yourself. I am in you!”⁶

“There is a widening chasm of separation between light and darkness, good and evil, strength and weakness. Beloved, I have called you to the place of light, good and strength. Refuse to allow anyone or anything to keep you from your rightful position. Choose wisely in every situation and be resolute.”⁷

Cindy McGill

(★ a prophetic message published on 7-9-2021)

“There is a charge being heralded from heaven to raise up an army of faithful soldiers who are called to “fall in” for active service. The generals of this army have already been selected by God. He’s been watching in secret, testing and observing those whom He knows He can trust to lead this final quest and army of people; those who have learned to listen well and obey quickly.

These generals are the “hidden ones” who, until now, have been through the fire, refined in the desert and survived betrayal, accusations and misunderstandings, but have remained humble, teachable and unoffendable. The focus and attention of these generals is on God and God alone. They have not allowed themselves to be caught up in the petty details, distractions and busyness that sucks time away, offering nothing for the efforts.

They are fit to lead without compromise, and God trusts that they will NOT wound the soldiers who are appointed under them. These “servant” leaders have backbones of steel and tender hearts to lead by example instead of barking orders with pious attitudes. Their instruction in giving direction is solid, and they are walking in perfect sync with the Lord of hosts. Their corrections are given in love, yet they are uncompromising in demanding change, if change is needed.

*This is not time to fool around. There is war in the heavens and it is felt on earth. This “war” is not fought in the realm of emotions or mental assent, but is won using the spiritual weapons of warfare with authority to command the victory to be won.”*⁹

David Orton

(★ extract from a prophetic article published on 17-5-2021)

“The malaise of the 21st century Western church, in an increasingly hostile secular culture, urges us to penetrate its cause and radically re-cast the Christian vision for the 21st century.

What is required is nothing short of the recovery of the biblical vision for a kingdom-shaped ecclesia; designed and destined by God to transform entire cultures and disciple nations. Even so, until God’s people repent of the scandal of their sectarian divisions – albeit in the name of orthodoxy or pragmatics – the world will not listen. Only when we stand in the revelation of the unity of God,¹⁰ and thus, functionally as one body, in one Spirit and one faith, will the imprimatur of heaven entrust to us the spiritual authority requisite for the full harvest of the nations.

For this to occur much will need to change—in fact, it cries out that “fire fall on the earth!”¹¹. These words of Jesus described his mission. As one sent to the “lost sheep of the house of Israel”¹², they allude not only to his role as Messiah, but also as the Prophet, climaxing the long succession of prophets sent to Israel, calling them back to covenant fidelity—to purity of heart before the Lord, and thus, to her calling as a missionary nation to the whole earth.”¹³

(★ extract from a prophetic message published on 13-9-2021)

“Recently when I was seeking the Lord’s heart and praying for my nation, I heard the words repeated over and over “The rains are coming, the rains are coming” and I knew that this was a call to get ready for an outpouring of the Holy Spirit...

As the rains fell, as each drop hit the dry land and the states, the states began to blaze with fire.

I could hear a strong prophetic decree “ABLAZE AUSTRALIA” ...

What the Lord highlighted to me was the FOCUS of Elijah¹⁴ ...

I then saw two hands being held together and I knew that this was representative of Australia and New Zealand.

I then noticed that both of these hands were on fire, they were burning with the fire of God and then the Lord spoke:

“The greatest healing revival that’s ever been seen will come out of Australia and New Zealand” ...

“I am coming BY fire, I am coming WITH fire. Do not be distracted, FOCUS, FOCUS, FOCUS, it is time for the FEROCIOUS focus of faith. Call it in! Call it in! Call it in!”

“I am coming with rain, I am coming with fire”

“I am coming as the God of Psalm 2:4”

“He who sits in the heavens laughs, The Lord scoffs at them.”

I am raising up Burning Ones, who are BURNING with first love fire for Me and the conviction of what I have spoken, they have their head between their knees with intense focus and declaration to see the greatest move of My Spirit birthed and they are NOT moved by what they see in the natural but move by BOLD FAITH and trust in Me.”

People of God, DO NOT FEAR, get ready! Stay in faith..

He is coming as the King of Glory! Take your stand, He is coming through you!”¹⁵

(★ extract from a prophetic article published on 3-9-2021)

“The greater glory of God is now the next major move of God on Earth!

Being in love with God leads to the greater glory of God.

For some time, God has been showing us the great importance of a personal intimate love relationship with Father God in Christ Jesus by the Holy Spirit.

God is now revealing that the greater power to transform the world of darkness into the Kingdom of Light is the manifestation of the GLORY of God on Earth.

The world cannot see and will not hear the word of God because they’re spiritually blinded by the powers of darkness.

The greater glory of God manifesting into the natural world will get their attention. Supernatural healings, medical miracles, financial miracles, powerful Earth changing works, gifts of knowledge, wisdom and understanding, demonstrations of the power and love of God, power displays

of destroying evil darkness, love turning the hearts of people and many other great works will begin opening of many blinded spiritual eyes and ears...

Supernatural earthly events in intensified storms, earthquakes, wild fires, explosions of war, floods, droughts, and other cataclysmic events will cause many to throw their idols down in the desperation of the end of their past ways of foolish and ungodly life of this fallen world.

Many will think this is the end of the world. It is the end of their evil world of ungodly darkness and striving to rule over one another.

The truth is that this is the work of King Jesus in cleansing and redeeming the Earth and all that is in or on it and restoring it to the unchallenged rule of Father God in the Kingdom of God on Earth as it is in Heaven.

The great harvest is directly related to the great light of the GLORY of God flowing upon the foundation of the pure holy love of God in His people on Earth.

The greater light of the glory now coming to Earth among the people of God exposes all darkness in every person and every structure of man, in religion, business, education, entertainment, and governments. From top to bottom all darkness is destroyed, dissolved and purified in the greater glory light of God.

The white-hot glory fire of God is released by King Jesus the King of Glory, in the pure hearts and lives of all in whom God fully abides.”¹⁶

(★ extract from a prophetic article published on 10-9-2021)

“This morning September 6, 2012, I was awakened to the voice of God: “Release the Glory of the King of Glory into the world. I am releasing My Glory upon the earth through the gates of My people. There has never been and never more shall be a time such as this time of releasing My glory changing the world and that which is in the world forever.””

“Q: Lord, what’s going on in the spirit realm that we need to be fully aware of?

“A: That’s an important question, as the focus of my people has been on the world around them, with the pandemic, economics and climate issues. These are all distracting them from the work of the Kingdom.

I have released to my prophets, and to those who will hear, what’s going on in the spirit realm. I have released much that you must be aware of, so you can align with us. There are great changes taking place. These are gradual changes, but they will build. They will crescendo to see a release of my Spirit in a mighty way. Yes, there are many who have been waiting for this time, and that time is at hand. And again, [I tell you]¹⁷ for my Spirit to be able to touch the lives of people in this nation and around the world, it requires my people to be in tune with me, to be in touch with me, to align with me, so we can work in partnership.

Remember, I work through you. You’re not just my ambassadors, representing me on the face of the Earth, you are my conduit, you are my loudspeakers, you are my representatives, so that what I desire to happen is happening, and should happen, through you. You must get away from the idea that I work like a puppeteer in the background. No, I use my people, because that’s why you were created, to work with me in the management of the natural realm. You must get away from the idea that the angels do all the work, while you sit around and allow it to happen. No, that’s not the way it is. In fact, that’s laziness.

¹⁶ – “Love Leads To Glory” (3-9-2021) www.openheaven.com/2021/09/03/love-leads-to-glory-ron-mcगतlin

¹⁷ – Included as it was the sense I received when recording the sentence. [LDS]

When I sent the Children of Israel to the Promised Land, they had to work and fight and till the soil¹⁸ and carry out tasks of burden. Sure, I miraculously worked in certain circumstances to remove blockages and the enemy, but they did all the work. There is a tendency to think that was Old Covenant, and under the New Covenant, I do all the work, but that's not the case.

The Kingdom must expand throughout the whole of the Earth through my people working for me on the face of the Earth. That's not about evangelism, it's about impacting people, cities, nations and systems with Heaven, which my people carry with them, wherever they go. The Earth, the natural realm, the systems of the world and the lives of people are touched by us, through you. That's how the Kingdom expands. And it's not just through good works, it's through you manifesting the Kingdom in your lives so that it touches people and releases them, just like I did when I walked on the Earth. I carried the Kingdom and I impacted people, I impacted lives, I impacted cities and I impacted nations.

You must, at this time, in this new era of the Kingdom, you must realise that you are to be in an intimate relationship with us, so you can do what I did. I didn't do the things that I did because I am The Son. I did them as a human being through the power of the Holy Spirit and in relationship with my Father. You are no different. You have the spirit of a son of God inside you, you have Holy Spirit and you have us to guide you. You have the opportunity for an intimate relationship with us, so Heaven can outwork through those and through you, to touch the Earth.

So, all the things that are going on at the moment in the spirit realm require my people to participate, because they can't fully manifest until they do. While ever they are slack, while ever they are distracted, while ever they are misinformed, and while they are ignorant of the realities of the Spirit, our plans are being held up. Yes, it's the fault of my people that things are not progressing at the speed that they could. Come out of religion, come into the freedom of sonship, come into the understanding that it's all about being about our business, and being our representatives to carry out our plans. That's when what's going on in the spirit realm will manifest to a greater degree and more rapidly, which is what we desire.

I leave it with you. Feel that you've been corrected. Feel that you've been re-tuned by what I've said. Don't see it as a rebuke, because I love my people. They are the passion of my heart, and I desire them to work with us because that's why you were created."¹⁹
