

# More on this Current Time in the Kingdom

(January 2022)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### **Bill Burns**

(★prophetic downloads recorded in February 2022)

*“As you come to Me in this season I will bring forth the true manifestation of My nature in you. I will bring you to a place of understanding that your citizenship in heaven has already been established. I will enlighten you and carry you into My purposes and into the glory of the kingdom. I say come! Rise up! Come to Me and into the power of My anointing. Let My glory overshadow you. Let it be a covering over you, and let it remain upon you until the fullness of it manifests.”<sup>2</sup>*

### **Barry Wunsch**

(★ extract from a prophetic message published on 8-1-2022)

*“Barry tell my people, Australia my Beloved, New Zealand my Gem that I am coming again through the **grass roots**. I am calling forward **reformers** and revivalists. They have been called, and are being commissioned in this hour.*

*This **remnant** has been hidden away as I have prepared them to stand and take their place. I am with them and will lead them in a path they know not.*

*I have qualified them by my Spirit.*

*You will recognize and know them by the Spirit.”<sup>3</sup>*

(★ extract from a prophetic message published on 7-1-2022)

*“I need you, who are awake, to fully comprehend the magnitude of importance and significance it is that you are 'fully' awake. Because there are more, oh, so many more who are asleep. Therefore, your knowledge and insight should not be taken for granted or squandered.*

*There are varying levels of knowledge and awareness right now among My people, as to what is truly happening in and around the world, determined by who they have chosen to listen to.*

*A heartbreaking number of My beloved are living in oblivion, which has them politely and obediently cooperating with the enemy's diabolical plan, not unlike what has been seen before in history.*

*Then, there are those that recognize something evil is happening in their nation and around the globe. Although they realize there is danger lurking around them, they feel helpless, lack full understanding or feel incapable of doing anything about it.*

*Understand this, My dear ones, who are awake, you, along with other small pockets of believers across the nation and around the globe, you are not only awake and aware of what is happening and understand the you are not helpless to the evil that is behind it. BUT you have also been privileged to know how to respond to it and how to take action to resist it, because you have chosen to listen to Me...*

*While others are celebrating the new year in by intoxicating themselves, and even living intoxicated in verifying degrees of denial in order to cope with the chaos of your day, it is vital that you, who are awake, stay sober-minded, vigilant, manning your post in a posture of readiness and alertness, remaining attentive to the sound of My voice—listening for the clarion call that I will release in the spirit when it is time for My next move to begin...For it is through worship and thanksgiving that you will remain steadfast, hear clearly My instructions and obey with a heart full of hope...*

*In order for you, as My awakened ones to pray according to My will for this season, you need to also fully comprehend the season that you are in. Some call what is going on in the nation and around the world a pandemic; some call it a progressive, socialistic/communist takeover; others fault it as CRT, BLM or Cancel Culture. There are those that say it is power play for a world take-over, under a one-world order. Others call it a color revolution. There is a scheme behind all the play-on words to keep the world in confusion and disillusionment. Understand that all those descriptions are not inaccurate; they are all going on simultaneously, as part of a larger diabolical, scheme. However, what the world is truly experiencing right now is a 'spiritual holocaust,' like none history has ever known...*

*The powerless pulpits from the last 50 years created a vortex of unbelief and false belief for people to be sucked into, allowing capture and imprisonment to be a simple & easy process – just like it was for the Jews...*

*If you are alive and awake in this time in history, you are marked for this mission. You are a part of My end-time army – you will be My rescue party. You will be held accountable for what you know; therefore it has now become your duty to co-labor with Me to deliver My people once again. No one will receive discharge papers from this fight.*

*Since the pulpits have all but gone out, I need My awaken ones to burn with truth, spreading it like wildfires wherever you go!*

*This will be a spiritual battle likened to a Third World War that will coincide with a Third Great Awakening, as it is going to require a war to set captives free from the camps and end the spiritual holocaust... ”<sup>4</sup>*

## **Lana Vawser**

(★ extract from a prophetic message published on 23-1-2022)

*"This morning I heard the Lord say "It may look small, but it is birthing a monumental movement."*

*The Lord showed me that He is speaking to many right now about new assignments and new pathways. He is speaking about new directions and new blueprints and the leading of His Spirit into ways that look completely different and the 'way' has never been 'done before'. It's a pioneering trial.*

*The Lord continued to speak: "My precious ones, I want you to pay attention to the 'small' things that I am asking you to do. Do not overlook the 'small', because it may look like a 'small beginning' but what I am having you do, the way I am having you walk, the new strategy I am speaking to you in the 'smallest of details' are going to be places where you will see the birthing of a monumental movement." ...*

*The Lord's voice then thundered over these ones: "IT IS AN UNEXPECTED MOVE OF MY SPIRIT AND CONTAINER OF MY GLORY. SOME OF THE MOST EXPLOSIVE DEMONSTRATIONS OF MY POWER AND MOVES OF MY SPIRIT ARE GOING TO BE SEEN IN WHAT MAY SEEM INSIGNIFICANT OR IN THE SMALLEST OF SPACES AND PLACES." ...*

*I heard His roar so loudly: "I AM BIRTHING A MOVEMENT IN THE MUNDANE." ...*

*The Lord then began to show me that there are some that have heard the Lord tell them to do "one thing" that seems small, but that one step of obedience is launching them into global impact for the Kingdom and for the name of Jesus...*

*I heard the Lord say "The enemy's roar may be loud, but as they give themselves over to this direction and abandon themselves wholeheartedly to Me in surrender in this way, they are going to be positioned for the ROAR OF THE LION OF JUDAH flooding through their lives. This shift and change needs to take place to MAKE ROOM for the CONTAINER OF MY GLORY!!!!!! Yes, it feels like you are doing what may not be the popular 'way' or even what is 'expected' of you, but it is MY WAY and you are TRAILBLAZING. Do not live in fear of man or wait for the applause of man to obey Me, step out and follow My Spirit leading you to swim UPSTREAM and WATCH the MOVEMENT that will be birthed. A movement of MULTIPLE BIRTHS. This change of direction is the position for a MOVEMENT OF MULTIPLE BIRTHS and the greatest tipping point of your life, thus far." <sup>5</sup>*

(★ extract from a prophetic message published on 22-1-2022)

*"Over the last week the Lord has been highlighting to me over and over that there are many in the body of Christ right now who are feeling like they are going to be 'taken out'. The battle for many has intensified so dramatically, whether it's fear, circumstances, sickness, opposition, it has been ferocious.*

*As I leaned in to hear the heart of the Lord I heard these words over these ones:*

*"You will not be taken out, you are entering your greatest days of seeing WHO I AM, DISPLAYED. Fear, intimidation, circumstance, doubt, despair has come against you like a flood, it has been ferocious but you are not alone. I am with you and the voice of the enemy and the voice of the flesh is screaming from many different directions 'you are going to be taken out' but I say unto you, 'YOU WILL NOT BE TAKEN OUT. Hold onto Me! You are entering your greatest days of seeing who I am, displayed. The pressure has been relentless but I say unto you, that you are entering days NOW where you will see My POWER like you have never seen it before. As you have felt the groaning deep in your spirit to "take Me at My Word" like never before, that place is the place where I am birthing deeper faith, I am birthing a deeper place of dependence upon Me and everything is screaming contrary, but I say to you, HOLD ONTO ME and MY WORD. KNOW that I am going to reveal Myself in greater ways than you have EVER seen as your provider, your healer, your deliverer, your protector, your strong tower, your ever present help in time of need. I am going to reveal Myself in such deep ways to you that the anchor of your heart will go deeper into the revelation of what it means to live IN ME. What it means to live IN CHRIST. You are coming deeper, you are going through the birth canal. I know it's painful. I know it is hard, but I am with you. Hold on and do not give up. Lean in. It is imperative that you lean into My Word and lean into My promises and hold tight. This is making the room within you for faith to flourish and grow to a whole new level. Many of you need to hear that you are being assaulted by a demonic*

spirit that is coming to attempt to shut you down and attempt to take you out, but I say unto you AGAIN, hold tight onto Me, you will NOT be taken out. I say unto you, the posture to fight is to STAND. DO NOT sit down, DO NOT sit under this. STAND! STAND! ... It is not striving in the natural, it's resting in WHO I am, and MY WORD<sup>6</sup> to you. I AM the God of miracles. The voice of the enemy is speaking contrary to what I am speaking. The voice of the enemy is coming with force to speak foreboding and false pictures of what is to come and 'this is what is going to happen'. The enemy is coming with the lie 'there is no way of escape' but I say to you My precious ones. ARISE AND DECLARE! ... Don't look around you, don't look to others, don't look to their trials and what they are walking through now to determine your posture of faith according to their story, LOOK TO ME. What am I saying to YOU? ... It is according to YOUR FAITH. I am building you in faith and the fireball of My faith is growing from within you stronger day by day and the ROAR of faith, MY ROAR as the Lion of Judah is being birthed through you." " 7

(★ extract from a prophetic message published on 13-1-2022)

"Can you move with Me? Can your feet become part of My feet as the body of Christ? Because My feet shall firmly be planted upon the earth's soil and, therefore, it shall shake. Watch the earth shake," says the Lord.

"But it shall not just be the earth that shakes, but men shall **shake**, governments shall shake and those who know that they have done wrong shall shake," God says. "For this purpose, hell<sup>8</sup> is shaking because they hear something that many, because of the spirit of fear, keep them from hearing; it is the hearing and the moving of My feet.

"For I'm moving in this time—up and down and throughout the earth—and I am inspecting My people. I am walking among the nations at this time. I am dividing among sheep and goats those who will **align** with Me and those who will refuse. But as I walk among the earth, remember the earth is the Lord's—it's Mine—and the fullness thereof. Therefore, I shall fully come and work among the nations, for this is the time.

"Men have stood, they have mocked, they have laughed, they have ridiculed, criticized and they have given up, saying, 'When, when, when?' God says, 'Do you understand that now, this year, I have declared [it] shall be a year [where] it shall begin—the thrusting of an increase of intensity of My plan and My agenda? Therefore, the earth shall respond, and it shall **shake** violently in places, and in very unusual places shall the soil of the lands shake.

"Pay attention to the ice, for where there shall be great freezing, I will freeze territorial spirits and their action[s]. Pay attention to unusual places and the amount of snow and how it comes at the same time, for this will be a sign that things are getting close.

"You say, 'Lord, what are we waiting for?' God says, 'I've asked you a question: What do you want Me, your Lord, [to] do for you? But should you, or would you, humble yourself and say, 'But, Lord, **what would You want me to do for You**, my King?' So, I am waiting for My people to rise up in their place and tune out [and] turn away from the strife, the fear, the plans of Jezebel and ancient ruling spirits that have sought to bring discord and division.

"Therefore, pay attention, for this is the time and this is the hour. As I walk among the earth and the nations, do you hear the sound of My feet? You shall, because you are coming into a time now ... for it's time. You need to say, 'It's time.' I have waited, I have prolonged what men would say [has been] 'delayed,' and now it's time...

"Therefore, watch the movement of My feet, for it is in the first six months of this year—that you are about to enter into—that I will gather to Myself the kings, the rulers, the leaders of the lands. And they will be

"I am the God who sets up kings; I am the God who removes kings, and so I shall. Watch who shall be removed from the earth, for," God says, "I have given them a space to repent, and they shook their fist. Now," God says, "I shall no longer allow them to be a puppet..."

"Pay no attention to the things that the enemy says you must fear! For these are days of **glory**, and you will say from your lips, 'We have never seen this before.' You will say it regarding the office of the president. You will say it regarding your Supreme Court—what shall happen. You will say it concerning the Senate and the House: 'We have never seen it this way before.' You—as you hear celebrations in the streets—you will say, 'We have never seen it this way before.' When you see the schools and how they will change, and the pushback that shall begin to arise, you will say, 'We have never seen it this way before!'..."

## **Katie Barker**

(★ extract from a prophetic message published on 15-1-2022)

"I am changing the phrasing so My people have a better understanding of the functioning of these hubs; for they are not only equipping and sending centres, but are homes where My people are nourished, equipped, counselled, loved and accepted. I am drawing people together as families. These homes will be places where My people encounter My heart, Word and ways as they journey together. I am drawing My people back to the importance of 'many parts but one body.' I am expressing this through the revelation of family. Each member has unique gifts and every family member is loved, appreciated and equipped to step into the fullness of the plans I have for them. There is no competition as each family member is a cheerleader for each other, supporting them on their journey and the path I have for them.

These homes will be marked by a sense of belonging as I draw together those who have the same heart and vision. These homes of harvest and habitation are beginning to arise in the earth and more and more will be raised up in the time ahead. These homes will function from five-fold leadership, where My five-fold ministers work together to equip My people and advance My Kingdom.

Mothers and fathers of faith will nurture and counsel others in these homes. They will carry My heart and will show others My heart. Those who display abundant fruit of the Spirit will show others the importance of character as many are drawn to the aroma of Christ that they carry. These ones will lead others in how to walk in My ways...

These homes will be homes of habitation, for My people will seek and steward My presence. These homes will be places that embrace My refining fire, for their desire is to be continually transformed into ever-closer **alignment** with Me. My fire will consume everything not of Me and only that which is pure will remain. Those with clean hands and pure hearts will be the ones to carry My fire. My people, in these homes, will be My fire-carriers; they will carry My fire and presence to their regions and draw many to Me as they see the transformational impact of My truth, love and power at work...

These homes have a focus on **transformation** for they model My walk. I came to bring life and abundant life. I came to set captives free. I came to see people transformed. These homes will have a focus on being the light and salt in their region. They will have a desire to see transformation in the lives of individuals and in their region and nation. They will walk in John 13:35 for My love will be evident in their walk.

These homes won't be built to the 'usual' plan of the day or to the structure of man but will be built on My direction. They won't function in the usual way but in the new way. These homes have yielded to My hand

*and have allowed Me to clean out what is not of Me. They have allowed Me to break down structures and ways of man so only My ways remain. They have been diligent to submit to the work of My Spirit. They have laid down that which glorifies man so only that which glorifies Me remains. From this place, I can build My Kingdom and advance My plans. They must be intentional to remain in this place of surrender and humility to allow My transformational work to continue in and through them.*

*I am transitioning My people to 'family.' I am changing their speech to talk about family and value family. I am shifting mindsets. I am raising up and highlighting **Kingdom family**. Much restoration, healing and liberty will come as My people embrace the Kingdom family I am leading them to and have positioned them in. Many will be drawn to these hubs that function as families as they embrace My heart and ways. A shift is upon My Body as I move My people to the true meaning of family.”<sup>10</sup>*

(★ extract from a prophetic message published on 26-1-2022)

*“Today I am removing the veil and judging the deaf and dumb spirit that has kept My church, and governing body in the earth, silent and ineffective. I say, 'You are My Supreme Court' on the earth in this hour. The era of inaction is over. Does not the watchman move to blow the horn and alarm the city of its coming destruction? Does not the watchman also move into battle to defend the walls when they are breached by the enemy?*

*"Are My people not the city that I call 'Zion'? Have I not appointed them as watchmen on the walls of righteousness? From this day forward, if My watchmen do not join in the moral outcry, echoing from the clouds above and the rocks below, truly they will be held to account.*

*"My people have prayed; now they must repent from their silence — which is wicked in the face of such gross injustice. The enemy has had the legal right to cover the mouths of the people, saying, 'They are too ashamed to testify because they doubt the power in the blood to completely remove all sin. Therefore, I shall suffocate them in their silence.' This has been the tactic of Satan to silence My church, because he knows that it is in their testimony of what My blood has done for them that he is overcome. It's time [for] My people [to] choose to believe and receive the total remission of their sin and suffocate the voice of the accuser.*

*"My blood abolished even the sins they will not forgive themselves for; but I say, 'Child, you are forgiven. The old has passed away. Behold, I have given you a new life, and in My mercy I am coming to comfort you.'”<sup>11</sup>*

## CCOP

(★ Message received on 12-1-2022)

*“I’ve been waiting for people to put aside their agendas and their plans, and to listen to me. To find out from me when my timing is right, what my strategies are, so they can fit in with my plans. Too often, my people go off and ‘do their own thing’. It’s not just with their own plans, but with what I’ve given them as a hint, as an introduction, to my plans. They cannot wait. They cannot see that my timing is perfect and everything needs to be in my time. I sent my Son to reintroduce the Kingdom onto the face of the Earth at THE RIGHT TIME. Not too soon, not too late. This is the way I work with humanity.*

*As disappointing as [what I’ve said]<sup>13</sup> may seem to be, my love for my people is still strong, unwavering. It means though, that I have to wait, wait until there is a people-group, large or small, who are prepared to align with me. Then I can implement what I need to implement, because I work through you. That’s the way I created things to be.*

*This is the time for magnificent and majestic changes to take place and I need my people to align with me so I can work with them and through them. It’s a partnership, that’s what sonship is. My Son demonstrated that, but it hasn’t sunk into the minds of my people. A partnership that is under my oversight is the way I want my sons to operate.*

*After all, is there anyone of greater importance than myself in existence? Is there anyone worth more than me to follow and listen to and align with? The simple answer is, “No” – emphatically, “No”. So why do my children dilly-dally, doing ‘their own thing’, and remain unaligned with me?*

*In this new era of the Kingdom,<sup>14</sup> [and] in this season, where I’m wanting to do fantastic things on the face of the Earth, things that will astound the general public, the on-lookers, I need my people to align themselves, heart, mind and attitudes. All those must align with me so that I can achieve my purposes in the quickest amount of time. I’m not in any rush at all, by the way.*

*But, my heartfelt desire is to see everything returned to the way it was, in its pristine condition, where I created it. Not as it is in chaos, in a ‘fallen’ state. This is why I’ve been continually badgering you (to use your terms) to align with me.<sup>15</sup> Over and over again, I’ve asked you to align with me.*

*Please, surrender your own agendas. Surrender and eliminate all your ideas of the way things ought to be and be done (carried out), and just wait on me. Allow me to deposit in you what you need to know, what my plans are, and continue to wait until I release you to do that, because everything must be in place for success to be achieved.*

*So I admonish you again: Align yourself with me. Make my plans your priority. Wait for my strategies, wait for my timing, and most of all, wait until I release you. Don’t be presumptive and take off ‘on your own bat’ and do the things that you think I want done. They will not achieve my purposes.*

*I love working with you. We love working with you. It is our heartfelt desire to partner with you in perfection, but we realise that that will not happen until The Restoration of All Things takes place. In the meantime, enjoy your lives, enjoy working with us in partnership. Continue to focus on allowing my Kingdom be expanded on the Earth, MY WAY.”<sup>16</sup>*

**>> There’s more to come, but you must keep watching and listening for yourself <<**
