

More on this Current Time in the Kingdom

(January 2023)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

“In a vision I saw what looked like a horizontal rainbow with layers of transparent color. And the Lord said that these colors represent different levels or expressions of glory. He also indicated that He would expand our understanding of His glory.”²

“A new season is being birthed. Put yourself in a position of faith to believe and receive all that I have for you. I will open doors of opportunity for you to come higher spiritually and to prosper in the face of adversity. Establish yourself in divine order so that you can overcome difficulties and hardship. Get ready to move forward in My purposes.”³

“Those who diligently seek me, wait on me, then testify my instruction shall be like well watered gardens even though it is the beginning of the driest days ahead, your provision shall not die, but keep growing declares the Lord.”⁴

*“A few weeks ago I had a dream where I was in a church cathedral when suddenly a wild ox broke in and began running about knocking things over upsetting and interrupting the service, before knocking over some kind of sacred altar down the front. Then I followed the ox as it ran down the street and continued to wreak havoc tearing through buildings and statues, monuments, and man-made achievements. When I woke up I knew in my spirit that the Holy Spirit was highlighting what He was about to unleash upon the Body of Christ and had been planning for us to step into. Interestingly, exactly a year ago my book *The Wild Ones* was released and with it, the Lord spoke to me about the wild ox anointing that these new breed people would rise up in.*

In my dream, the ox was both tearing down the altars of religion and the altars of man. It was violently assaulting the spiritual strongholds of powerlessness and counterfeit spirituality and also the high places of man’s achievements, kingdoms, empires, and worldly values. This is the anointing upon the Elijah generations—that are called to turn nations back to God—and that is where we are at right now. We are at a turning point and extreme tension. We are at the height of the battle in every way between the devices of darkness and the great returning of nations. We are leaving Egypt and there is a generation of wild oxen leading the way. The nations are raging but 2023 is going to be a year of significant advancement.”⁵

“There is so much change in the horizon right now, not just change in manifestation but change in how we see things, change in paradigms.

We are about to enter into an upgrade of our understanding of the Voice of God, the language of God. We are going to go from just feeling an impression or hearing a word, to being able to process the voice of God as the sound of many waters in a whole other level.

We are going to begin to understand it’s symmetry, it’s permutations, and it’s synchrony. The voice of God will be more than just a prophetic word for your life, you are about to come into an awakening of the multifaceted dimensions of the patterns of His voice and language that embody His kind intention.

We are going to be immersed in His state of being. It is more than speaking and listening, it is being, and being one with Him, knowing His thoughts before you hear a word...

Our sense of translation will not be to communicate something in a different way, translation is a 3D linear concept that deals with relaying information in a way that can be understood and that equates word-for-word or thought-for-thought, but with this new realm of language, don’t think translation, think demonstration, think transformation because it will be the expression of a different state of being...

Our sense of time is shifting; it is being healed, and so is our concept of language because language depicts your reality as it is birthed in your heart and mind.”⁶

“In a time with the Lord on Nov 3rd 2022 I received a powerful revelation...I heard the Lord say, 'Nothing in the Earth happens without My knowledge. So therefore, stay close to me. Stay close to My heart, and I shall reveal the times and the seasons.

What you are entering into is what the prophets have been speaking about. No eye has seen, no ear heard nor has it even entered the heart, but I am changing that very quickly now.

You will come to know things that you have never known before.'

Then I was shown a vision of the sky above. It was different. It was filled with beautiful images of the

Milky Way and the cosmos as though the veil had been removed.

The Lord would say, ‘The atmosphere is changing to display My Glory. Even what you see when you look to the heavens will have a beauty which surpasses anything you have seen in your lifetime.

You have heard about the Earth shaking and shifting. But now I am rearranging, for I am God, and there is no other beside Me. I will change boundaries of nations in this upheaval.

NEW NATIONS will form, and old nations disappear as I rearrange the pieces, like pieces of a jigsaw puzzle for this next chapter of time.

As I heard this I was shown a vision of the whole world from above and I saw it made up of pieces joined together and highlighted around the edges in bright colours, which I understood to be the edges of deep tectonic plates which also spoke to me symbolically of a SEISMIC SHIFT in the depths of our understanding that is about to take place...

I love you and have chosen you and set you apart for a great work in the end times. It is time for My beloved ones to come out of the closet. It is time that your voice be heard.

WHAT WAS INVISIBLE SHALL BECOME VISIBLE. WHAT WAS HIDDEN SHALL BE REVEALED. WHAT WAS NOT KNOWN SHALL SUDDENLY BECOME MANIFEST...

The galaxies are mine! The universe is mine!

Get ready My beloved ones, I am longing to reveal these mysteries to you.

You will never be able to think earthly minded again for I am about TO LIFT THE LID OFF YOUR MIND, says the Lord.”⁷

“Part 1 – It’s so easy to take offense, it’s so easy to be offended. It seems like the natural thing to do in these times. Society supports this [activity]⁸. Movies support it. Significant figures in society demonstrate it, so it just seems natural for my people to be offended – and offended, and offended. What they don’t realise (which is the reason I’m speaking to them now), is that being offended opens the door for chaos in their lives. It opens the door for many things to cause turmoil.

Remember, I’ve called you to a life of righteousness, to live in righteousness and to do things my way, the right way⁹.

Taking offense is a negative action. It’s based on not getting what you want. It’s basis is in ‘self’. Negativity is totally opposed to myself¹⁰, because I’m always positive. That’s not only towards you, but towards every single person and towards the creation. Let positiveness be the thing that you think about and aim for, rather than negativity. As you represent me [on Earth], as you are those who the world sees and makes assessment of me, being positive is a very important character that you need to display. Being hurt by what others say or do, being offended by them, does not produce positiveness in your life, and it doesn’t release the Kingdom to manifest itself.

The Kingdom is attracted to righteousness, peace, joy, and positiveness. The aim, therefore, for my people in Australia, is to be more positive within themselves, because focusing on the negative drifts them away from me and from my blessings. Now, I’m not talking about positive confession and positive thinking that follows a doctrine of positiveness, it’s about being positive within yourself, and that comes from trust in me, and rest and peace.

So my message to my people, in summary, is to cease being offended by others.”

8 – Added so the sentence conveys the right meaning when read. So, with all other square brackets. [LDS]

9 – “The right way” is what righteousness means in the Kingdom. The right way is always Father’s way of doing, speaking and thinking.

10 – i.e. “to my self”, “to my character”.

“Part 2 – Focus on life in the Kingdom, which is always positive. You can do that by simply trusting me with life’s circumstances, so that when things come against what you want, against your life, against your situations and circumstances, you can be positive by trusting in me and leaning into¹¹ my ability to control the world around you. Leave things to me. Let me be your justifier and defender. Let me be the supplier of all your needs. If you do that, you’ll find you’ll be less offended because you’ll be relying on me when things are negative.

The upside of this is that you’ll start enjoying life – that’s the life of the Kingdom, a life of enjoyment. When you’re negative, life’s not a joy. So, when you feel yourself being negative, you feel yourself being offended, start saying “No” to your reactions, and start focusing on me and what I’ve just told you.

To control the propensity to be offended, takes willpower. It also requires you to monitor yourself. But you don’t have to strive to do all the cleaning up, all the changing. I want you to desire not to be offended. I want you to stop when you feel offense rising and say, “No”, to it, and switch yourself over to trusting me, resting in me. Speak to me and say, “You deal with this, Father. I leave it in your hands”. You’ll find the majority of times, the offense that you took was ill-conceived, it was not a positive thing for you to do in your life. It did not progress you forward, but actually pulled you back.

Remember that I’m looking for you to grow and mature in your sonship, and that means becoming more like my Son, and that requires self-control.

Don’t rely on me to do everything. We partner, and you have to do your part. I will support you in your efforts to be less offended, but you must take the steps to control your thoughts and your emotions. However, that will require a revelation that being offended is not the way of the Kingdom, so that you can say “No” with strength from your innermost being when you feel offense rising up. That will not be an easy ‘road’ for you to go down, but it’s an important ‘road’ for you to grow and mature, and for you to be released into more of your assignments in the Kingdom and to move forward into your destiny with me. If nothing else, see being offended as not progressing you, and that will give you the initiative to deal with it the right way.

I’m looking for my people in Australia to mature so that we can work together and see the changes that I want to make [in the nation] take place. I know that is their desire, but it requires them to work on themselves – their heart, their attitudes, their mind – and we can work together on that. Trust me to guide you in this, but don’t be ‘slack’ in changing your behaviours.”¹²
