

# More on this Current Time in the Kingdom

(October 2021)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### **Ron McGatlin**

(★ extract from a prophetic article published on 29-9-2021)

*“The greater glory manifesting on earth from heaven now is the beginning of all things on earth being made new. All things are being made into one all-inclusive system of the kingdom of God/Kingdom of heaven. All of God’s creation is designed to work together in perfect balance and harmony in the order of God’s love to the glory of God.”* <sup>2</sup>

(★ extract from a prophetic article published on 22-10-2021)

*“As a good friend and I were praying for God to move however necessary to change our nation and the world and to show us our part in this great tumultuous transition season, God began to reveal our next step in our part of the process.*

*In a nut shell our part involves falling in love with God in our homes. The love of God in our family worshipping God with all our hearts and strength expressing our love for God and one another in our homes. The home becoming the center of love, prayer, worship and praise with music, song and dancing in the presence of God is our next part.*

*Even in times of oppression, political failures and international disasters of cataclysmic proportions the home and family gatherings are to be our refuge and place of positive expectation and presentation of the kingdom of God.*

*In the God-worshipping homes the seed people of the fullness of the Kingdom are being prepared.*

*Through God's leading, connecting to other families coming together in pure holy love to worship and praise God and share a meal together in a home. Families coming together to full out worship and praise with music, song and dancing in the presence of God in the homes is the gathering in the name of Jesus that assembles us in the love of God.*

*This is not a rebirth of the old house church movement. It is not church; it is homes of love expressed in full out worship and praise of God.*

*City wide corporate gatherings to proclaim the kingdom of God, to worship and praise God with music, song, and dancing in a rented hall or an empty warehouse or store front building or in the streets or the park or stadiums or wherever God leads are the powerful expression of God's love and power that changes the city, the state and eventually the world.*

*This is the way of God that replaces the church systems of the past.*

*All gatherings whether home or citywide are led by the Holy Spirit in the presence of God in Christ Jesus and will not be the same every time. Each gathering is a unique event of God's working in and among the people...*

*The love and worship of God filling our lives eventually brings all areas of life and governance in this world to become the Kingdom of God on Earth." <sup>3</sup>*

## **Angie Stolba**

(★ extract of a prophetic message published on 19-10-2021)

*"The Lord says: "Be released into your new season, for surely it is upon you!" As previously spoken, many of you are being positioned and commissioned for such a time as this. Though the warfare from the previous season has been intense and seemingly relentless, you have survived — even more so, you have thrived! Like a mighty oak tree, your roots have been strongly established.*

*"Though the enemy sent the winds of adversity, intending to knock you down, you have withstood the fiercest of storms. Now I am rewarding you and releasing you into your new season, and with your new season will come a new assignment.*

*"Yes, I am leading you into uncharted territory. Even so, be of good courage. My grace and favor are heavy upon your life. Just as I was with Joseph, I am with you. You will see My glory come to pass. I am releasing angels that will lead you into your next chapter.*

*"Do not be afraid to leave behind what is familiar, for I have a mighty upgrade in store for you. It will require faith — so focus and be obedient to My voice. Follow My lead and you will not be disappointed. I know the plans and purposes that I have for you, and they are good.*

*"You may momentarily feel tempted to turn back when challenges arise. However, I am leading you forward so you may cross over to the other side. Am I not the God who parted the Red Sea and made a way where there seemed to be no way?" ...*

*"Many will not understand the new path that I am taking you on. Bless them, release them and bravely walk onward with Me. I am bringing you out of Egypt and liberating you from captivity. You will set your feet on a land that is flowing with milk and honey, and in this new place, I will establish you. Provision will be abundant." ...*

*"I have brought you through fire and water and I am now leading you to your wealthy place — a place of abundance. You will breathe easy again. You will experience My peace that far surpasses all understanding. Embrace My abounding joy. Rejoice that your time of captivity has ended and be released into your new season!" <sup>4</sup>*

## **Ben Peters**

(★ a prophetic message published on 27-9-2021)

*“Recently, God spoke to me regarding a great convergence of Heaven and Earth that He has been preparing. This convergence will produce His perfect storm, totally overpowering and obliterating the results of the current ‘perfect storm’ with which the enemy has assaulted us. This storm will involve both what happens on the ground and what happens in the heavenly realm...*

*For those of you who are not familiar with the 7 Mountains of Culture, they have most often been categorized as the following:*

1. FAMILY
2. RELIGION
3. EDUCATION
4. GOVERNMENT
5. ARTS AND ENTERTAINMENT
6. MEDIA
7. BUSINESS

*I was teaching on the shaking of these seven mountains, when the Holy Spirit spoke to me: "I won't only shake the mountains...I will also open the heavens and pour out the mighty rain of My Spirit. The mountains will shake and quake, but at the same time, the rain will come down from Heaven and loose the dirt and mud covering My mountains."*

*At that point, the revelation jumped out at me—THE SEVEN MOUNTAINS OF CULTURE ARE HIS MOUNTAINS. He created every single one of them for our benefit. These mountains, perfectly beautiful and majestic, were created to bring order and structure to His people. However, sin and sinful men and women have covered God's beautiful mountains with the dirt of this world, camouflaging them with artificial greenery.*

*Then I got the picture of these mountains shaking from underneath, while being washed with great revival rains from above. The result was a powerful mudslide that cascaded down the mountain like an avalanche, followed by more and more cleansing rain—thus revealing the original beauty of God's majestic mountains.”<sup>5</sup>*

## **Holly Watson**

(★ extract from a prophetic article published on 1-10-2021)

*“Several years ago, Holy Spirit began to show me a move of God in the Spirit that was waiting to erupt through the sound of a clarion call. A clarion call is a distinct cry to facilitate and reshape culture and "atmospheres" through a series of specific behaviors, actions and duties...*

*At the time I recorded this prophetic word, and as I pondered deeper recently on what the future holds, I sensed the Spirit of the Lord moving and this is what I saw and heard.*

### **Prophetic Word:**

*God is taking His purest vessels off the shelf and bringing them forth this season. As you encounter Jesus through these vessels of honor created for the Master's use, you will hear the breath of the Spirit breathing through the utterances coming forth from their lips. The fire of God emanating from these uniquely crafted and designed end-time vessels is the igniting power for rekindling your heart with a new radiance and passion.*

*The packages [outside appearance] that these new vessels of God are noticeably wrapped in will cause the body of Christ to stand in awe and wonder. These hand-picked chosen ones aren't your normal everyday sons and daughters of the King. No! They are unusual in their making and out of the ordinary in their creativity. Out-of-the-box thinking and out on the frontlines of battle is their motto and motive for*

*these seasons gathering in the harvest of souls.*

*These vessels of honor are wearing new mantles wrapped in gold dust and glory. The Son of Righteousness is shining upon them. He has anointed them with healing hands to touch the sick, suffering and afflicted, while setting the captives free. This selected remnant will be led by the Holy Spirit in such a radical way with unusual signs and wonders following them wherever they go. God, in all His glory, will move through the midst of His people like the fire leading the Israelites by night and the cloud covering them by day.*

*Even now, there's a clarion call reverberating in the Spirit that's calling forth these precious saints for such a time as this. The ear of this uniquely crafted and pure in heart vestige of radical believers will hear this timely trumpet and respond to their call quickly. These precious saints are sergeants of arms in the spiritual realm with an unprecedented authority for eradicating the forces of darkness. They are warriors carrying the courage of the Lion of the Tribe of Judah. The wind of the Spirit is carrying them with the 7 spirits of God resting upon them. They are prodigals from the Father with an imprint of their own. They are a radical media remnant — who exude the fragrance of Jesus — but might look like the world.*

*Get ready to participate in a move of God as He highlights His anointed remnant blazing their way across the earth!”<sup>6</sup>*

## **Nate Johnston**

(★ extract from a prophetic message published on 4-10-2021)

*“...Lord spoke to me so clearly: "Don't be sad. This isn't what you think it is. This is the new beginning!"*

*Then I went into a vision and saw people gathering around a tomb, mourning in sadness. Then I heard the words of Jesus from John 11:43: "Lazarus, come forth!"*

*Suddenly, I saw a man come out and stand at the opening of the tomb; bandages were unraveling from him. As the bandages came off, I could see/discern that they represented bandages from the world and demonic assignments that had sought to bury the church and send it to an early grave.*

*As the bandages continued to unravel, I began hearing words such as "defeat," "powerlessness," "unworthiness," "dreams unfulfilled" — even words and phrases like "culture," "progressive Christianity" and other evil blindfolds that the church has had wrapped around her, choking the life from her.*

*As I witnessed this, I no longer felt sadness but relief. What had looked like death was actually brand new life and deliverance.*

*I could see the church in all her beauty; she was radiant and glowing, full of love for Jesus and nothing else. She had no other lovers. This was not just an awakening that I had witnessed ... this was a rebirth — a resurrection!*

*Sometimes we have to go through seasons where it feels like death, the dark night of the soul and an "emptying," in order to really be able to go where God is leading us. The pure bride is in process right now and her best days are ahead!”<sup>7</sup>*

## **Joshua Fowler**

(★ extract from a prophetic message published on 18-10-2021)

*“"Watch this," says the Spirit of Lord. "In the years to come, you will see — [at] the very time that the enemy said he would take people out in a pandemic — the history books will reflect that more children were born and there was another baby boom. Watch and see. You will read about it. In the next decade,*

7 – “From the Tomb, the Giant Killers Are Emerging”

you will read about it — that this was the time that more living than dying took place.

*This is also why the overturning of Roe v Wade must and will take place. You will see it happen in these days," says the Lord. "This is why, from the babies that will be born during this baby boom, I'll raise up a generation of apostles, prophets, evangelists, pastors, teachers, psalmists, intercessors, doctors, lawyers, scientists, government officials [and] business owners. Yes, I'll raise up even a generation that will make tents. I'll raise up Priscillas and Aquillas and Pauls and Esthers from these babies that will be born, and they will show forth My power in the earth," declares the Lord.*

*"And this revival will not be stopped. And this move of My Spirit will not burn out but it will burn brighter. For I will join the young and the old together. I'll take the wisdom of the old and the strength of the young and join them together, and they will burn brighter for Me. A generational fire is arising. You and your children and your children's children and even their children," says the Lord. "Generations shall burn together for Me."”<sup>8</sup>*

## **CCOP**

(★ Message received on 17-10-2021)

*“Sons were created for face-to-face communication, not through other sources. We’re expecting our sons to grow and mature in this so they’ll actually get to the point where they can speak to us face-to-face. In the meantime, it’s spirit communication that we prefer.*

*We do give visions to people for purposes, to release things that are important for our people to know, but ‘by and large’, we are wanting our sons to mature and communicate to us through their spirit and to hear from us through their spirit. This is the way the Kingdom works. In fact, non-verbal communication is the best between natural beings and spiritual beings, so that communication is like reading minds. I know that sounds very occultic, but that’s the way we like to communicate as well, so that when we’re together, we know each other’s mind. This is really the most intimate [method], and this is where I am leading my people.*

*In the meantime, the important thing is to see mind communication as the ‘end game’ and aim towards that in a process of learning how to hear and communicate with your spirit, so that spirit-to-Spirit communication is normal and natural, and then when we’re face-to-face we’ll be able to communicate mind-to-mind. I’m looking forward to that. That’s the pièce de résistance, as you would say.*

*So, put aside the desire to interpret every dream that comes along, whether it seemed spiritual or not, because that’s a distraction. Keep ‘the main thing the main thing’, which I have said many times is spirit-to-Spirit communication. There will be times that I do speak in dreams, as I have done in the past, but you will know when you’re receiving a dream from me – your spirit will alert you. For those who are maturing in spiritual activity, this will become quite easy to discern. But for those who are starting out in spirituality, getting to understand that real self (the spirit inside them), they’ll need to practise using their spirit to discern things, and they will begin to see which dream is coming from me or not. I have used dreams to get through the people who are not connecting with me spirit-to-Spirit, but for my people, that’s not the method I choose, not the method that we want.*

*The takeaway from this intercourse between us is that I want my sons to mature, to communicate spirit-to-Spirit, and to grow and develop to higher levels of communication.”<sup>9</sup>*
