

More on this Current Time in the Kingdom

(March 2022)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Marsha Burns

(★prophetic downloads recorded in March 2022)

“In the Spirit I was aware of the substance of the presence of the Lord. He was brooding over His people to strengthen us spiritually. He is the Creator of the Universe, and He is giving each of us the ability to be creative in our own unique way to glorify Him. He is calling us to move beyond our natural limitations to be extraordinary.”²

(★prophetic downloads recorded in March 2022)

“My spiritual light is increasing over My people. The light will help you see so that My purposes can be established in your life. This light will cause the darkness that Satan has established to dissipate. So, awaken now and allow My light to shine forth. It will establish a path of liberty for you to walk on, says the Lord.”³

“I am exposing what has been hidden and revealing the true hearts and intent[ions] of those warring against righteousness. I am sending My people into the darkness, into the chasms of the Earth, to flip it from the inside out and they will recover the high places again! They will take the microphone from Jezebel and hand it to this emerging Elijah generation, and they will speak what I give them to speak!”⁴

Nate Johnson (ctd)

(★ extract from a prophetic message published on 29-3-2022)

“For months now, the air has been swirling with interference because we are in a season of birthing the new—from new and fresh blueprints, ideas, strategies and out-of-the-box revelation to direction, clarity, creativity, messages and movements that all need to be brought forth ... from dreams and downloads to the church breaking out of old mindsets, wineskins and tired and "stuck" ways.

The enemy knows how important this push is, and so in this critical moment, he has been trying to hit us on all sides to delay or stop the birth. It's like when you begin to feel the contractions, but then suddenly you are hit with an unexpected emergency that snaps you out of that rhythm. The interruptions have been endless and nonstop. If you are birthing, then you know what I am talking about.

So many of you have been experiencing spiritual bullying and assault for months now, because the enemy is afraid of what you are stepping into and birthing. He's seen that you haven't backed down, even when he tried to take you out in 2021. Now you are ripe and ready to step into your comeback season, so he has doubled down to crash your victory.

His tactic has been simple—to surround you and distract you with multiple assignments and diversions; and in the last few months, and increasingly in the last few weeks, this has gone to another level.”⁵

Ken Hart

(★ The essence of a prophetic revelation expounded in conversation on 9-3-2022)

“Persecution is coming. It may include disobedience to PC laws where we are sent to jail for non-compliance.

This persecution will see the need for us to hide some of our brothers and sisters. Having a large house with extra rooms will make it easier. We may need to up-size.”⁶

Ron McGatlin

(★ extract from a prophetic article published on 24-3-2022)

“The work of God in Christ Jesus that began in the first century is NOW coming to the fullness of its purpose. All that God in Christ Jesus planted into this world is now coming into the fruition of the full plan of God on Earth...

Religion has little or nothing to do with what Father God is doing in our world today through Christ Jesus. This move is about God and mankind's life on Earth and in Heaven. It is about Spirit God's life of Heaven's reality being replicated into natural creation of this world.

Most of the world has lost its sound mind. The majority of the people now on Earth have no capacity to function with what God is doing. Most of the people of the world at this time have had their minds crafted from the 'tree of good and evil knowledge'. Their minds have been programed by ungodly deceived people in high places.

The high places are the mountains of influence that shape the minds of the people. The tree of good and evil is knowledge from another spirit source and not from the one true Spirit God.

The "good" from the tree of knowledge is from the false god of humanism and is focused on human works without God. Humanism is man as his own god trusting in the spirit of man and his natural intellectual strengths without God. The "evil" from the tree of knowledge is the reality of the spirits of darkness

influencing the spirit man and subversively crafting the minds of mankind to evil against the one true God.

Without the influence of the one true God guiding the minds of mankind there is no discernment in man to know truth and guard against lies of Satan and influence of evil spirits. The human mind trained from youth by ungodly darkness will see the darkness as light and will determine that the true light of God is evil darkness.

The tree of life is the tree of Spirit God influencing the mind of man with the pure love of God that opens the mind to the true light of the wisdom and power of the one true God.

This leads to alignment with the flow of the plan and purposes of God, which is THE KINGDOM OF GOD, the Kingdom of Heaven, coming forth with its LOVE that produces righteousness, peace and joy on Earth by the Holy Spirit of God.

The mind filled with the Spirit of God is filled with love, light, goodness and the power to reproduce the ways of God on Earth.

The power and wisdom of love overcomes all evil darkness with the true love light of God...

Through cunning worldwide deception Satan and evil darkness have captured the mountains of influence in the current world.

This is now coming to an abrupt end! The power of the presence of God is come to Earth to expose and destroy the darkness of evil.

The high places that are built from the worship of other gods must be taken down. The powerful high mountains of godless education, mass media, entertainment, religion, family, business, and government must be taken down and replaced with God's perfect plan based upon the love of God...

If the ungodly high places are not taken down and replaced by God's truth and order, no amount of revival and reformation will last.

This is being done by the people of God arising with the character and nature of God, moving in the power and wisdom of God's love to retake the high places. These are sons and daughters of God empowered by God and with powerful holy angels working with them.

The most powerful work and move of God ever on Earth is now coming about to stop the massive erosion of life in this world and to establish the Kingdom of God on Earth as it is in Heaven.

The great light of God is breaking through the darkness into the hearts and minds of a people becoming worthy through love to become the "Army of God's Love"..." ⁷

“Family is the institution that I’ve put in place, and family needs to become the all-consuming passion that you have. That’s after your passion for us, and for our relationship together.

Your passion for things needs to change, to come into alignment with us. Passions for “temporal” things, passions for things of this world, don’t connect with our plans for humanity and our plans for the Kingdom on the Earth. It’s not wrong to have passions for other things, such as, passion for charitable works to support disadvantaged people, even a passion to be excellent in your chosen vocation. Those are good passions, but your passions, like everything else, needs align with us. If we’re to work through our people on the Earth and see the Kingdom expand, so that it ultimately fills the whole Earth, and leads to The Restoration of All things, then even what you’re passionate about must be in alignment with us.

Remember, it’s your passions that ‘drive’ you. They give you ‘the juice’ to be active every day. So, having

family as your passion, that's pre-eminent over every other worldly passions that you might have, is where we want you to be. If you don't see family as important as we do, if you don't have a passion for restoring your family, for seeing your family grow and mature spiritually, to connect and grow deeply in relationship with each other, then your attitude towards family is not where it needs to be.

This means that you'll need to work on the problems that have been in your family. It'll mean that you'll need to change your priorities, those ones that determine what you do every day, and how you think, so that family is seen as important. That's not for any religious idea, but because it's what we set up. The family you're in, even if we didn't tell you to start the family that you have, our grace and blessing flows to it because of who you are, and because family is the institution that we bless.

So, work on your problems and difficulties. Work towards harmony. Work towards reconciliation and restoration. But, be judicious, be wise, seek our wisdom, knowledge, understanding and discernment, so you can do it properly. Don't just jump in 'boots and all', and think you're doing what we want, because you could instigate disaster. Everything you do needs to be done with us and through us, so our plans and purposes are achieved.

Set your heart towards the importance of family and a family that's properly functioning. As you go through the restoration and relationship building, ask us and listen with your spirit to find out what it is that you need to be doing or saying or [where you're] going,⁸ so that it's all in alignment, and therefore, has our blessing.

As advance notice for you,⁹ through the restoration of natural families, our plans to revitalize the ekklesia in every location around the world will become more of a focus. As you work on your family relationships and discard your bad attitudes, and everything that causes separation between you and your family members, and as you have success in that, you'll realise under the prompting of the Spirit, that this is how sons should be functioning. [Then]¹⁰ you'll begin to mend relationships with your brothers and sisters in the Kingdom. You'll start operating as the "new ekklesia" that we want to see everywhere, in every locality, in every street.

So, focus on family. Make this a priority. Take steps to see it happen.

Restoration is the 'name of the game'. Family is our priority."¹¹
