

More on this Current Time in the Kingdom

(March 2023)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Marsha Burns

(★ Prophetic downloads recorded in March 2023)

“You are in an in-between stage of life when things are not the same as they were and you do not know what the future holds. Go with the flow of transition as you trust Me to reveal things left undone and to give you hope for the days ahead. Face each new day with confidence that I know the beginning and the end, and I will lead, guide, direct and protect you, says the Lord.”²

Shawn Bolz

(★ Extract from a prophetic article published on 9-3-2023)

“There is a divine setup right now and you may be experiencing the pain of transition because you aren’t understanding how much is about to change in your life. Maybe your job is no longer a passion place, maybe you are moving, maybe God is bringing you through a process that you wouldn’t have chosen yourself but you are in the middle of obedience without the fruit of it yet.

Keep going! Keep trusting!

Globally, God is setting His people in place to checkmate the enemy in industries, regions, positions and influence. He has given you promises and destiny over your life, and He is about to activate them...

You personally might be in transition to carry more of God’s influence and glory.

As this transition unfolds, do not fear or worry, for the Lord is with you. He will guide you through the uncertainties of change and lead you into a new season of growth and expansion. It is time to prepare your hearts and minds for what is to come.

Do not hold onto the past or cling to what has been comfortable. Instead, embrace the newness of what God is doing and seek His direction for the future. Remember that He is the one who holds all power and authority, and He will equip those who are faithful to Him.”³

Brian Simmons

(★ Extract from a prophetic article published on 20-3-2023)

“This is the season of my splendor. The signs in the heavens and on the earth will multiply, showing you that a new day has dawned. Might and power are available to all my holy ones. Both destruction and revival are coming, a day of darkness and a day of brilliant light. But, if you listen for me, you will know what I am about to do and how I will use you. My faithfulness will be your shield and protection. I will come closer to you as you draw closer to me, beloved. Fear will be swallowed by love.”⁴

Luke Agee

(★ Extract from a prophetic article published on 29-3-2023)

“I hear the Lord saying over some of you tonight that your days of heartache and anguish that drove you deeper into seeking the Father were actually contractions and birth pains. You were feeling the push to step and press into a new experience of His heart and release a new paradigm of His being into manifestation and into creation. Watch as it suddenly shifts and revelation from the pain suddenly quickens and comes alive in and through you into creation. A sudden shift like an earthquake will shake the whole landscape of your situation and life and those around you leaving nothing the same as it was. A new consciousness⁵ that was formed in a womb of entanglement of desire and desperation that was bathed and forged in the fire of the Love of the Most High. You walked the mountains of fiery flames that consume the doubts within your DNA⁶ and were left with a new consciousness⁷ free from that which is able to be burnt, as you became a flame of glory and saw yourself as a living stone of fire. This consciousness will have a new viewpoint of limitless freedom and a unwavering confidence in the goodness, faithfulness and peace of the Father.”⁸

(★ Message received on 21-3-2023)

“This is a momentous time, it’s a time to be “great to be alive”. It’s not a time to be burdened, downtrodden or downcast, or disappointed in any way. Don’t look around you at what’s going on in the world, in your culture, and even in your family. ‘Set your sights’ higher, set them on me, and align yourself with me and my plans. That’s where everything is positive.

There’s no need to dwell on the negative, no need at all. It’s the propensity of humans to do so, but you are my sons, living the resurrected life that my son allowed⁹ to come into the world by his work on the cross and rising from the dead. None of that is new to you. But you have to set your mind – steel it, encase it in a metal metaphorical case – so it doesn’t dissipate. Take hold of that resurrected life, because that life is the Kingdom life.

*Don’t look back on what my Son did, focus on us now. It’s been done – *en finito*¹⁰. There’s no more that needs to be done. The rest of life in the natural is about life in the Kingdom and working with us on our plans for now and the future.*

Our life is a fantastic life, but it involves you having the right heart and mind attitude towards it if you want to enter into the greatness of it, the positiveness of it, and the benefits that are there. Live ‘in the now’, focusing on us and the wonderful life we have together, and the negativity and disappointments of life will vanish, as you bask in our love and live in intimacy and oneness with us, enjoying every moment.

You don’t believe me. But I tell you, that living life with us and focusing totally on us, will allow the

troubles and disappointments and the negativities of life to fall off you 'like water off a duck's back' – it just falls. It never does that for you because you have your mind in two places. In other words, you're double-minded – you're thinking negatively about what's going on in your life, and you're thinking positively about your life in the Kingdom. It's like living with 'one foot' in the Old Covenant and 'one foot' in the New Covenant – it makes no sense at all. All that that does is curtail the benefits that are available to you.

Again, I desire you to focus on us. Focus on the wonderful life that there is in the Kingdom. I want you to cut off negativity as soon as it arises in your mind and in your heart so that you can live positively. I also want you to cut off negative attitudes that are in your heart, that manifest during the daytime, because those 'bad' attitudes don't allow the positivity of the Kingdom to envelop you.

I hope you can see that it's all up to you. We've done everything that needs to be done, which is why I've used the vernacular term *en finito* ("it's finished").

Again, stop looking back. Live NOW. Enjoy the NOW. Forget about disappointments and regretting because they cause you to look back. Everything is positive. Everything of great benefit is in the NOW in the Kingdom, living with us, and it will be there, now and in the future.

Trying to get you to change is like trying to get little kids to see the good that you have for them. All that a child sees in most cases is the negativity that adults put on them. They can't see the benefits of the correction, the redirection, and the training that they've been given. Don't be like a child, grow up.¹¹ See the way things really are right now,¹² the way life should be lived, because we've left it open to you to come in. It's all there.

Live life in the Kingdom. Live as sons. **Live as a son who has returned to his father and has been reinstated with all the benefits and the inheritances and the blessings of the reinstatement. You were once lost to us, but now you are home. Everything is yours. Take advantage of it – it's not wrong. We lavish on you everything that's in the Kingdom. But what holds you back is yourself – your attitudes, your theology, your heart and your mind, and the training you've been under all your life. Cast those things off, and return wholeheartedly to live with us in relationship, in the Kingdom. Listen to what we have to say to you. Speak to us as family and enjoy everything, because life is wonderful.**"¹³
